BILL NO. 100333

Introduced May 13, 2010

Councilmember Kenney

**Referred to the
Committee on Law and Government**

AN ORDINANCE

Amending Chapter 17-100 of The Philadelphia Code, entitled "Procurement Contracts," by providing for the City's reimbursement of a vendor's cost to retrofit vehicles to comply with City bid specifications mandating reduced diesel emissions, under certain terms and conditions.

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

SECTION 1. Chapter 17-100 of The Philadelphia Code is hereby amended to read as follows:

CHAPTER 17-100. PROCUREMENT CONTRACTS.

* * *

§17-112. Reimbursement of Diesel Emission Reduction Expenses.

(1) If any City bid specification requires a vendor to use only vehicles designed or retrofitted to reduce diesel emissions, then any contract resulting from such bid shall contain a provision under which the City pays the vendor for the cost of retrofitting those vehicles used to provide services under the contract. The Procurement Department shall determine a standard reimbursement rate for

each type of vehicle, and may specify the documents a vendor must submit to prove that a retrofit was completed. A vendor shall be eligible for such reimbursement regardless of when a vehicle was retrofitted, even if the retrofit was completed before the City bid was issued, provided that no vendor shall receive reimbursement for retrofitting any particular vehicle more than once.
