

## **LICENSE AGREEMENT**

This LICENSE AGREEMENT (the "Agreement") is made this \_\_\_\_ day of \_\_\_\_\_ 2010 (the "Effective Date"), by and between THE CITY OF PHILADELPHIA (the "City") a corporation and body politic existing under the laws of the Commonwealth of Pennsylvania, acting through its DEPARTMENT OF PARKS AND RECREATION (the "City"), with an address at 1515 Arch Street, 10th Floor, Philadelphia, Pennsylvania 19102, and PHILADELPHIA AUTHORITY FOR INDUSTRIAL DEVELOPMENT, a public authority with an address at 2600 Centre Square West, 1500 Market Street, Philadelphia, PA 19102-2126 ("PAID" or "Licensee").

### **BACKGROUND**

The City owns the facilities known as the Scanlon Ice Rink, the Laura Sims Skatehouse at Cobbs Creek, the rink at the Simons Recreation and Teen Access Center, the Rizzo Ice Rink and the Tarken Ice Rink (collectively, the "Premises").

The City desires to enter into an agreement with Licensee pursuant to which Licensee will sublicense the Premises (the "Sublicense") to the Ed Snider Youth Hockey Foundation, a non-profit organization ("Sublicensee") that, amongst other things, operates various proprietary youth hockey and life skills instructional programs (collectively, the "Program(s)").

Pursuant to the Sublicense, Licensee shall cause Sublicensee to operate the Programs, make improvements to the Premises and run complimentary public open skate at the Premises pursuant to the terms and conditions contained herein.

By resolution dated August 17, 2010, the Board of Directors of PAID authorized entering into this Agreement.

NOW, THEREFORE, in consideration of the recitals above and other good and valuable consideration, the parties hereto, intending to be legally bound, agree as follows:

### **ARTICLE 1** **INCORPORATION OF BACKGROUND AND LICENSE**

**1.01** The Background is incorporated by reference herein.

**1.02** The City hereby gives to Licensee a non-exclusive, revocable license to access, occupy, and use the Premises for the sole purpose of operating, or causing to be operated, the Programs.

**1.03** Nothing contained in this License shall in any way be construed as a limitation on the City's right to enter into other similar agreements during the Term (as defined below). In the event that the City does enter into such other similar agreements, this Agreement shall be subject

to such other agreements. Notwithstanding the foregoing, the City, in entering into such other similar agreements, shall consider the terms and conditions of this Agreement, shall provide for the continuation of this Agreement and shall at all times during the Term allow for Licensee's quiet enjoyment of the Premises in connection with the conduct of the Program and otherwise as contemplated hereunder.

**ARTICLE 2**  
**TERM**

**2.01** The term of this Agreement shall commence \_\_\_\_\_, 2010 and shall continue thereafter until \_\_\_\_\_, unless sooner terminated in accordance with the further provisions hereof (the "Term").

**ARTICLE 3**  
**TITLE AND CONDITION OF PREMISES**

**3.01** At all times, the Premises shall be and remain owned by and titled in the City. No legal title or any other interest in real estate shall be deemed or construed to have been created or vested in Licensee by anything contained in this Agreement. Notwithstanding the foregoing, in conformity with all existing laws, Licensee shall be permitted to permit Sublicensee to place signage at or about the Premises identifying such as a site of Sublicensee's programs. All signage shall be subject to the review and prior written approval of the City.

**3.02** Licensee agrees that its exercise of the License given under this Agreement is subject to the "AS IS" condition of the Premises, including all defects latent and patent, and the City makes no representation or warranty, express or implied, in fact or in law, as to (i) title to the Premises, (ii) any encumbrances, restrictions and conditions which may affect the Premises, (iii) the nature, condition or usability of the Premises, including, but not limited to, the suitability for use by Licensee as contemplated by this Agreement, (iv) compliance of the Premises with Applicable Law (defined below), and (v) the License. The City disclaims any and all warranties of fitness, merchantability, suitability for intended purpose and habitability.

**3.03** The City shall not in any event be liable for any injury or damage to any property or to any person occurring in connection with Licensee's use of the Premises and/or operation of the Program. Licensee shall cause Sublicensee to have care, custody and control of the Premises for purposes of all liabilities arising from its use of the Premises and/or operation of the Program.

**ARTICLE 4**  
**REVIEW BY THE CITY**

**4.01** Licensee shall inform that any review, approval and/or inspection by the City of any plans, designs, specifications, work or other materials submitted or performed by Sublicensee in connection with the Sublicense, shall not constitute any representation, warranty or guaranty by the City as to the substance or quality of the matter reviewed or approved for the operation of the Program. No person or party shall rely in any way on such review or approval,

and at all times Sublicensee shall use its own independent judgment as to the accuracy and quality of all such matters. The City's review or approval of any work performed under this Agreement shall not constitute or be construed to constitute approval otherwise required under Applicable Laws (as defined below) by any and all City departments, boards and commissions in connection with any and all aspects of the Program.

**ARTICLE 5**  
**NO JOINT VENTURE**

**5.01** Licensee shall not do any act nor make any representation to any person or entity that Licensee, its agents, representatives or any entities under its control or in privity of contract with Licensee, are the principal, agent, employee, partner or joint venture partner of the City, except as the parties may hereinafter agree, in writing. Any press release or public announcement concerning this Agreement or the formation of the arrangement contemplated by this Agreement shall require the mutual agreement of Licensee and the City, in the reasonable discretion of each.

**ARTICLE 6**  
**CONSTRUCTION; ALTERATIONS**

**6.01** Licensee may not, without obtaining (i) prior written approval from the appropriate City officials and (ii) all permits and approvals necessary under any Applicable Law, including those related to health, safety, welfare, employment, traffic, and/or zoning, alter or in any way modify, any part of the Premises, or any property or premises owned or controlled by the City.

**6.02** During the Term and any additional terms, Licensee shall cause Sublicensee to identify those capital projects at or about the Premises which Sublicensee determines in its sole discretion (but subject to the prior written approval of the City, not to be unreasonably withheld), are necessary and desirable to improve the Premises or the efficiency of Sublicensee's operations thereat. To the extent the City shall make available funding for such improvement, Licensee shall cause Sublicensee to match the funding, dollar for dollar, up to One Million Dollars (\$1,000,000) in any given year. Notwithstanding the foregoing, nothing herein shall obligate the City to make available City funding for any of the improvements Sublicensee desires to make to the Premises for the purposes of operating its Programs. The City funding contemplated herein may be fulfilled either through cash or in-kind contributions so that, by way of example and not limitation and for the avoidance of doubt, the actual cost of material or labor contributed by the City to a capital project shall qualify for matching funds from Sublicensee. To the extent the City funds any capital improvements, Licensee shall inform Sublicensee that the City is required to competitively bid the contracts for the improvements through its Procurement Department and own said capital improvements at the completion thereof. In the event Sublicensee desires to fund, or cause to be funded, and undertakes any such capital projects without City funding and/or otherwise alters or modifies any of the Premises, or any property or premises owned or controlled by the City (after receiving the necessary written City approval(s)), all such improvements shall remain affixed to or otherwise incorporated into the Premises at the conclusion of the Term hereof, for the benefit of the City. At the conclusion of the Term hereof,

in the event the City wishes to restore the Premises to the same condition which existed immediately prior to the commencement of the Term; such restoration shall be at the sole cost and expense of the City. Review, approval or acceptance by any one City agency, under this Agreement, shall not be construed to constitute approval otherwise required by any other City agencies, departments, boards and/or commissions in connection with any and all work or alteration performed under or pursuant to this Agreement, including, without limitation, construction, health, safety, welfare, employment, traffic and zoning. Review or approval by the City with respect to any matter under this Agreement or in any way related to any part of the Premises, shall not constitute any representation, warranty or guaranty by the City as to the substance or quality of the reviewed or approved matter. No person may rely in any way on such review or approval and at all times, Licensee must use its own independent judgment as to the accuracy and quality of all matters including all work performed in relation to this Agreement and/or the Premises.

**ARTICLE 7**  
**COMPLIANCE WITH APPLICABLE LAWS**

**7.01** Licensee shall cause Sublicensee to comply, at its sole cost and expense, with all Applicable Laws in connection with the Sublicense. For purposes of this Agreement, "Applicable Laws" shall mean all applicable present and future federal, state, municipal laws, ordinances, codes, rules, regulations, statutes, orders and requirements, and the requirements of all insurance underwriters and of any board of fire underwriters having jurisdiction, including without limitation, The City of Philadelphia Home Rule Charter, The Philadelphia Code, and the Americans With Disabilities Act of 1990, P.L. Section 101-336, as amended, generally codified at 42 U.S.C. § 1201 et seq.

**7.02** Licensee shall cause Sublicensee to secure, at Sublicensee's sole cost and expense, any and all permits, licenses, and other legal authorizations required in connection with the construction, installation and operation of the Program on the Premises. This Agreement shall not be construed to constitute an approval or permit required to be given by any City department or agency under any Applicable Law.

**ARTICLE 8**  
**THE CITY'S OBLIGATIONS**

**8.01** The City shall be responsible for the utilities, daily opening and closing of the Premises, routine cleaning of the Premises, and the supplies necessary for the day to day operations of the Premises. In addition, the City shall provide a full-time facility supervisor ("Site Manager") at each location which constitutes a part of the Premises hereunder, with the duty hours for such Site Managers to be determined in consultation with Licensee, considering the nature, scope and extent of the Program being implemented at each such location. Notwithstanding the foregoing, Licensee shall have Sublicensee acknowledge that the cost to the City of carrying out the City's obligations hereunder shall not exceed the amount certified by or on behalf of the City's Director of Finance as available for this Agreement.

**ARTICLE 9**  
**INSURANCE**

**9.01** Licensee shall cause Sublicensee and all Sublicensee's contractors and subcontractors, licensees and sublicensees, to obtain and maintain, at no cost to the City, throughout the Term, insurance in the types and minimum limits specified below, as applicable, issued by reputable insurers admitted to do business on a direct basis in the Commonwealth of Pennsylvania and wholly acceptable to the City, with all coverages being on an "occurrence" basis and not a "claims-made" basis.

City of Philadelphia  
Finance Department  
Division of Risk Management  
1515 Arch Street, 14<sup>th</sup> Floor  
Philadelphia, Pennsylvania 19102

The submission must be made prior to Sublicensee exercising any rights under the Sublicense. The City and its officers, employees, agents and representatives shall be named as additional insureds on the General Liability Insurance Policy described above. The City reserves the right to require Licensee to furnish certified copies of the original policies of all insurance required under this Agreement at any time upon ten (10) days prior written notice to Licensee. All such policies shall include an endorsement stating that the coverage afforded these parties as additional insureds will be primary to any other coverage available to them.

**9.03** In no event shall Licensee cause Sublicensee to exercise any rights hereunder until the required evidence of insurance has been furnished to the City. The insurance shall provide for at least thirty (30) days prior written notice to be given to the City in the event coverage is materially changed, canceled or not renewed or scheduled to lapse. At least ten (10) days prior to the expiration of each policy period, Sublicensee shall deliver, or cause to be delivered, to the City a certificate of insurance (and copies of the endorsements) evidencing a replacement policy to become effective immediately upon the termination of the previous policy. Sublicensee shall in no event permit any lapse in the insurance coverage required under this Agreement, and replacement coverage meeting the requirements of this Section 9 shall be in effect prior to the expiration of the policy period.

**9.04** From time to time, and in any event not more frequently than once every year, the City may, upon thirty (30) days notice to Licensee, reasonably adjust the amounts, types and deductibles of the insurance coverage required hereunder.

**9.05** The insurance requirements set forth herein are not intended and shall not be construed to modify, limit or reduce the indemnification obligations made under this Agreement or to limit any liability under this Agreement to the limits of the policies of insurance required to be maintained by Sublicensee hereunder.

**9.06** All insurance money paid on account of damage to or destruction of the Premises, less the actual cost, fees and expenses, if any, incurred in connection with the adjustment of the loss, shall be applied to the payment of cost of the restoration, repairs, replacement, rebuilding, or alterations of the Premises subject to the satisfaction of the City.

**9.07** If Licensee neglects or fails to cause Sublicensee to obtain or maintain, or cause to obtain and maintain, any of the insurance required by this Agreement or to submit proof of such insurance as required by this Agreement, and fails to cure same after five (5) days written

notice from the City informing Licensee of such default, then the City may terminate this Agreement immediately without any liability on the part of the City, and without limiting any other remedy available to the City at law or in equity.

**9.08** Upon expiration of the Term, or upon the earlier termination of this Agreement, Licensee need not cause Sublicensee to maintain any insurance coverage with respect to the Premises.

## **ARTICLE 10** **DAMAGE AND DESTRUCTION**

**10.01** In the event of damage or destruction to the Premises while Sublicensee is conducting a Program, Sublicensee must act immediately to secure and make safe the Premises.

**10.02** If any part of the Premises, after the date of execution, shall be rendered unusable by unforeseen occurrence to an extent that it is unsafe or impossible to hold the Program on the Premises, or if the Program is canceled due to riot, extreme weather, or similar event, the prevention of which is beyond Licensee's or the City's control, or if a public emergency renders performance of this Agreement by Licensee or the City impossible, including, without limitation, the requisitioning of the Premises by the federal, state or city governments, this Agreement shall terminate with respect to the Program without any liability of either party to the other.

## **ARTICLE 11** **INDEMNIFICATION**

**11.01** PAID shall require Sublicensee to indemnify, defend and hold harmless the City, and its officials, officers, boards, employees, agents, representatives, successors and assigns (acting officially or otherwise) from and against all claims, losses, suits, actions, causes of action, disputes, damages, liabilities, obligations or penalties, including, without limitation, all costs, charges, expenses, and attorneys' and experts' fees (whether incurred in pre-suit negotiation, in preparation for or at trial, on appeal, in any insolvency or bankruptcy proceeding or otherwise), arising out of (i) any damage to property, or injury to, or death of persons (including, but not limited to, the property and persons of the parties hereto, and their agents, representatives, licensees, invitees, volunteers, employees, members, contractors, subcontractors, officers and directors) occasioned wholly or in part by the act or omission or the tortious acts, malfeasance or negligence of Sublicensee; or (ii) Sublicensee's (or its agents', representatives', employees', officers', or directors') breach of its (or their) duties and obligations under the Sublicense. The obligation of Sublicensee hereunder shall survive the Termination or earlier expiration of the Sublicense. City, in its sole discretion, deems desirable, including, but not limited to, the payment of money. Subject to the preceding sentence, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

**22.02 Non-Discrimination.**

(a) This Agreement is entered into under the terms of the Philadelphia Home Rule Charter and, in its performance, Licensee shall not discriminate nor permit discrimination against any person because of race, color, religion, age, sex, sexual orientation, gender identity or national origin. Without limiting the generality of Article 18 of this Agreement, Licensee's noncompliance with the provisions of this Section 22.02 shall constitute a substantial breach of this Agreement entitling the City to take appropriate action to enforce compliance, including without limitation, at the City's option, termination of this Agreement and/or pursuit of such other remedies as may be provided in this Agreement, at law or in equity.

(b) In accordance with Chapter 17-400 of The Philadelphia Code, Licensee agrees that its payment or reimbursement of membership fees or other expenses associated with participation by its employees in an exclusionary private organization, insofar as such participation confers an employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment, promotions, terms, privileges or conditions of employment, on the basis of race, color, sex, sexual orientation, religion, national origin or ancestry, constitutes, without limiting the generality of Article 17 of this Agreement, a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available at law or in equity.

(c) Licensee agrees to include Paragraphs (a) and (b) of this Section 22.02, with appropriate adjustments for the identity of the parties, in all contracts which are entered into for work to be performed pursuant to this Agreement.

Failure to so cooperate shall, without limiting the generality of Article 18 of this Agreement, constitute a substantial breach of this Agreement, entitling the City to all rights and remedies provided in this Agreement or otherwise available at law or in equity.

(e) Licensee agrees, in exercising its rights under this Agreement, to comply with the provisions of the Fair Practices Ordinance of The Philadelphia Code (Chapter 9-1100) and the Mayor's Executive Order No. 4-86, as they may be amended from time to time, both of which prohibit, inter alia, discrimination against persons with AIDS in employment and services.

(f) Licensee shall cause Sublicensee to comply with the provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d - 2000d.7), section 504 of the Federal Rehabilitation Act of 1973 (29 U.S.C. § 794), The Age Discrimination Act of 1975, (42 U.S.C. §§ 6101 - 6107), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), and 45

C.F.R. Part 92, as they may be amended from time to time, which together prohibit discrimination on the basis of race, color, national origin, sex, handicap, age and religion.

(g) Licensee understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in the Agreement or from activities or services provided under the Agreement. As a condition of accepting and executing the Agreement, Licensee shall cause Sublicensee to comply with all provisions of the Americans With Disabilities Act (the "Act"), 42 U.S.C. §§12101 - 12213, and all regulations promulgated thereunder, as the Act and regulations may be amended from time to time, which are applicable (a) to Licensee, (b) to the benefits, services, activities, facilities and programs provided in connection with the Agreement, (c) to the City, or the Commonwealth of Pennsylvania, and (d) to the benefits, services, activities, facilities and programs of the City or of the Commonwealth, and, if any funds under the Agreement are provided by the federal government, which are applicable to the federal government and its benefits, services, activities, facilities and programs. Without limiting the applicability of the preceding sentence, Licensee shall cause Sublicensee to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. Part 35.130, and all other regulations promulgated under Title II of "The Americans With Disabilities Act," as they may be amended from time to time, which are applicable to the benefits, services, facilities, programs and activities provided by the City through contracts with outside contractors.

### **22.03 MacBride Principles.**

(a) In accordance with Section 17-104 of The Philadelphia Code, Licensee by execution of this Agreement certifies and represents that (i) Licensee (including any parent company, subsidiary, exclusive distributor or company affiliated with Licensee) does not have and will not have at any time during the Term (including any extensions thereof), any investments, licenses, franchises, management agreements or operations in Northern Ireland and (ii) no product to be provided to the City under this Agreement will originate in Northern Ireland, unless Licensee has implemented the fair employment principles embodied in the MacBride Principles.

(b) In the performance of this Agreement, Licensee agrees that it will not utilize any suppliers, subcontractors or sublicensees at any tier (i) who have (or whose parent, subsidiary, exclusive distributor or company affiliate have) any investments, licenses, franchises, management agreements or operations in Northern Ireland, or (ii) who will provide products originating in Northern Ireland unless said supplier, sublicensee or subcontractor has implemented the fair employment principles embodied in the MacBride Principles. Licensee further agrees to include the provisions of this Section 22.03 with appropriate adjustments for the identity of the parties, in all subcontracts and supply agreements, which are entered into in connection with the performance of this Agreement.

(c) Licensee agrees to cooperate with the City's Director of Finance in any manner which the said Director of Finance deems reasonable and necessary to carry out the Director's responsibilities under Section 17-104 of The Philadelphia Code. Licensee expressly understands and agrees that any false certification or representation in connection with this Section 22.03 and/or any failure to comply with the provisions of this Section 22.03 shall

constitute a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available at law (including, but not limited to, Section 17-104 of The Philadelphia Code) or in equity. In addition, it is understood that false certification or representation is subject to prosecution under Title 18 Pa.C.S.A. § 4904.

Exhibit A  
Proposal

As we previously agreed, ESYHF is looking forward to providing services seven days per week at the rinks that it will be allowed to administer programs in 2010-2011. Those rinks are Scanlon, Simons, and Sims. Moreover, at your direction, ESYHF will provide and administer the hockey and public skating at all five City rinks; Scanlon, Simons, Sims, Tarken and Rizzo, collectively, the "Premises". ESYHF also is prepared to expand its services to include year round programs that would include Floor Hockey, Summer Camps, and expanded off-ice activities (as noted in section 13 below). This will keep our participants fully immersed in structured programming ensuring better retention from season to season and year to year.

RESPONSIBILITIES OF ESYHF:

During the Ice-Season (November through March) ESYHF will:

1. Supply a person known as the "Site Coordinator" at each site. The Recreation Leader in charge of each of the sites comprising the Premises shall serve as the site supervisor (the "Site Supervisor"). The Site Coordinator will report to the Site Supervisor daily before the Program, as defined below, begins and report off daily to the Site Supervisor. Site Coordinators will remain on site until all Program participants are dismissed from the ice rink area. During the Program, "Rink Attendants" hired by ESYHF will report to the Site Coordinator. During public skate, skate lessons and cleanup, Rink Attendants will report to the Site Supervisor.
2. Work in conjunction with the Department of Parks and Recreation (the "Department") at Scanlon, Simons and Sims to develop, and deliver youth ice hockey programs Mondays through Fridays from 3:30 PM until 7:30 PM and 9:00 AM to 1:00 PM on Saturdays (the "Program").
3. Coordinate with the Department, through the Site Supervisor, time slots to be made available for public or open skating opportunities at all five (5) City rinks, including those where the Program is held. Public skating programs shall be available on days including, but not limited to Sunday. Skates will be provided to the public free of charge during public skate.
4. Develop and deliver public introductory *Learn to Skate, Learn to Play* programs three days per week (days and times TBD) at Rizzo and Tarken.
5. Work closely with surrounding schools and other local agencies that control access to youth to cultivate and recruit new players through the establishment of school day programming (times TBD), open houses, press releases, etc.

6. Provide trained USA Hockey certified coaches, instructors and other personnel necessary to maintain optimum child to adult ratios (this will generally include an ESYHF Site Director/Head Coach and a minimum of 2 other staff assistants/volunteers at each site).
7. Provide all hockey equipment at no charge to Program participants, replace skates at the Program sites and provide public skates at no cost at the Premise for open skate.
8. Include the nationally acclaimed ESYHF *Life Skills Curriculum* and other supplemental educational services as an integral part of overall programming.
9. Encourage and provide ESYHF participants with opportunities to join select competitive play programming at the Class of 23 Rink (University of Pennsylvania) and the Flyers Skate Zones (Northeast Philadelphia and Pennsauken, NJ), as well as opportunities to join ESYHF sponsored trips to destinations such as Detroit (annual Hockey in the Hood Tournament) and other NHL Cities for competitive play.
10. Develop and provide competitive Inter-rink League competition culminating in a City Championship.
11. Work in partnership with the Department, the community, and the School District of Philadelphia to continually improve and enhance both on and off ice recreational, academic, cultural, and civic experiences for the children, youth, and families of the surrounding communities.
12. Provide the City with technical assistance in maintaining rinks to help ensure cost efficiencies.

During the Non-Ice Season (April thru October):

1. Work with the Site Supervisor and the community to develop year round programming such as fall and spring floor hockey sessions at all Premises, extended supplemental educational initiatives, experiential day trips to various local attractions; and opportunities for neighborhood youth to access ESYHF summer camp sessions at the Flyers Skate Zones in Northeast and Pennsauken, NJ. The year round programs will be established on a site by site basis based on current program needs with at least 20 hours per week dedicated to ESYHF programs.

All ESYHF services will be delivered at no cost to City residents, ages 6-19.

RESPONSIBILITIES OF THE DEPARTMENT OF RECREATION:

1. Provide a Site Supervisor at the Premises.
2. Provide ESYHF with access to ice and all other facilities as required at the Premises.

3. Pay for the cost of utilities, City personnel costs (other than staffing provided by ESYHF pursuant to the terms of this Agreement) and other operating costs necessary to maintain day-to-day operations at each facility.
4. Provide ESYHF with support in recruitment and registration of participants.
5. Oversee all staff, including the rink attendants, during open skate opportunities at Scanlon, Simons and Sims.
6. Develop a Program communication protocol.

## Communication Protocol

Primary line of communication for Program purposes will be between Jim Britt (Vice President/Chief Operating Officer) from ESYHF and Lisa Whittle (Aquatics/Ice Rink Coordinator) from Department of Parks and Recreation.
