THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS.

SECTION 1. City Council hereby creates the Mill Creek Tax Increment Financing District (“District”), as provided herein, pursuant to the Tax Increment Financing Act. The District consists of the area described in Exhibit “A” and on file with the Chief Clerk;

SECTION 2. The project plan, included herein as Exhibit “B” and on file with the Chief Clerk, including the detailed redevelopment area plans, the maps, studies, as well as all other documents and supporting data which form part of the project plan submitted by the Philadelphia Authority for Industrial Development (“PAID”) for the District, having been reviewed and considered, is approved.

SECTION 3. City Council finds and declares that the project plan for the District, having been duly reviewed and considered, is approved, and that:

(a) The project plan conforms to the City Comprehensive plan for the development of the locality as a whole;

(d) The aggregate value of equalized taxable property of the District, plus all existing tax increment districts, does not exceed ten percent (10%) of the total value of equalized taxable property within the City of Philadelphia;

(e) The area comprising the District as a whole has not been subject to adequate growth and development through investment by private enterprise and would not reasonably be anticipated to be adequately developed or further developed without the adoption of the project plan;

(f) The relocation plan contained in the project plan does not call for displacement of any lawfully possessed individuals, families and businesses as a result of this project. Accordingly, City Council finds that the project plan contains a feasible method for the compensation of individuals, families and small businesses and for their relocation, if any, to decent, safe and sanitary dwelling accommodations within their means, without undue hardship to such individuals, families and businesses;

(g) The project plan affords maximum opportunity, consistent with the sound needs of the community as a whole, for the redevelopment of the District by private enterprise;

(h) The District is a blighted area containing characteristics of blight as described in the Urban Redevelopment Law and the Tax Increment Financing Act and the project to be undertaken is necessary to prevent, arrest and eliminate such conditions of blight;

(i) Changes in zoning, streets, alleys, public ways, street patterns, location and relocation of sewer and water mains and other public facilities and utilities shown in the project plan are reasonable and necessary under the circumstances; and

(j) The project plan meets all of the conditions and requirements imposed by law and the pertinent regulations with respect thereto, for the purpose of prohibiting discrimination with regard to race, color, creed, sex, sexual orientation, or national origin.

SECTION 4. City Council finds and declares that the project plan is in conformity with the relevant Redevelopment Area Plans.

SECTION 5. City Council hereby creates the District as of January 29, 2004 which District shall exist for a period of twenty (20) years from and after such date.
