4.14 Brokers. Seller has not incurred any liability, or entered into any contract, agreement or understanding that would impose any liability on Purchaser, for brokerage fees, finder's fees, agent's commissions or other similar forms of compensation in connection with the transactions contemplated by this Agreement.

4.15 No Other Representations. SELLER DOES NOT MAKE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ABOUT SELLER, THE NETWORK ASSETS OR THE BUSINESS, OTHER THAN THE REPRESENTATIONS AND WARRANTIES EXPRESSLY MADE IN THIS ARTICLE 4. 5.2 Power and Authority. Purchaser has, or shall have prior to the Closing, the power and authority to enter into this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all necessary action on the part of Purchaser, and no other proceedings on the part of Purchaser are necessary to authorize the execution, delivery and performance of this Agreement by Purchaser; provided, that any approvals of City Council by ordinance or otherwise that the City determines are required to complete the Closing may be obtained and such ordinance signed into law after the execution and delivery of this Agreement but prior to completion of the Closing.

5.3 Binding Effect. This Agreement has been duly executed and delivered by Purchaser and constitutes the legal, valid and binding obligation of Purchaser, enforceable against Purchaser in

accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or other Laws affecting the enforcement of creditors' rights generally.

5.4 No Violation. Neither the execution and delivery of this Agreement by Purchaser, nor the performance by Purchaser of its obligations hereunder, will (with the giving of notice or passage of time or both) conflict with or result in a breach or violation of, or constitute a default under, or result in (or create in any party the right to cause) the acceleration of any performance or any increase in any payment or other obligation required by or the termination, suspension, modification or impairment of, or result in the loss, revocation, impairment, suspension or forfeiture of any rights or privileges under:

(a) Purchaser's organizational documents;

(b) any contract, commitment or other obligation to or by which Purchaser is a party or is bound, except to the extent it would not, individually or in the aggregate, materially impair the ability of Purchaser to perform its obligations hereunder; or

(c) any Law, judgment, order or decree of any court or other Governmental Entity to which Purchaser is subject.

5.5 Litigation. There is no litigation, action, suit, arbitration, mediation, hearing or governmental investigation pending or, to the knowledge of Purchaser, threatened by or against Purchaser, and no judgment, award, order or decree has been rendered against Purchaser which is still outstanding, except as would not materially impair the ability of Purchaser to perform its obligations hereunder.

5.6 Brokers. Purchaser has not incurred any liability for brokerage fees, finder's fees, agent's commissions or other similar forms of compensation in connection with the transactions contemplated by this Agreement.

5.7 No Other Representations. NEITHER PURCHASER NOR ANY OF ITS AGENCIES, OFFICERS OR REPRESENTATIVES HAS MADE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY NATURE WHATSOEVER IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED HEREBY, OTHER THAN THOSE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN THIS ARTICLE 5.

Article 6 Covenants Pending Closing.

6.1 Conduct of the Business Pending Closing. Seller agrees that from August 3, 2009 until the Closing, or the earlier termination of this Agreement in accordance with Article 9 (*Termination*), without the prior written approval of Purchaser in each instance, it shall be in compliance with the following:

(a) Seller will maintain and keep in full force and effect all of the insurance policies currently maintained by it in connection with the Business and the Network Assets, such insurance policies to provide the coverages and otherwise satisfy the terms of the insurance certificate attached as Exhibit G (*Seller's Certificate of Insurance*); and

(b) Seller will not sell, mortgage, pledge, lease, or otherwise transfer or dispose of any of the Assets or enter into any agreement with respect to the Network Assets.

6.2 Access to the Business. During the period prior to Closing, Seller shall permit Purchaser and its representatives, agents, counsel and accountants to have reasonable access during normal business hours and upon reasonable advance notice to the premises, properties, assets, financial statements,

contracts, books, records and other relevant information to the extent pertaining to the Business (other than privileged communications with counsel), including but not limited to any and all written correspondence, electronic communications and audio recordings concerning any default notice, notice of breach, threat of termination, reservation or assertion of rights, collection action and/or the exercise of other remedies with respect to any of the Tower Leases and Licenses or any of the Service and Fiber Agreements, and shall cause its officers and employees to furnish to Purchaser and its representatives, agents, counsel and accountants, such financial and operating data and other information with respect to the Business or the Assets as Purchaser may reasonably request. If requested by the City, NAC shall exercise commercially reasonable efforts to provide transition services, and shall provide licenses and other permissions, as necessary to permit the City to operate the Network Assets from and after the Closing, consistent with NAC's past practices and for a sufficient time to allow the City to implement replacement resources. NAC shall provide such transition services itself or through a contractor to NAC, with the cost of such services to be borne by the City at a rate equal to NAC's cost to provide such services. Such transition services shall include, without limitation, any of the services now provided or purchased by NAC to maintain and operate the Network Assets.

6.3 Updates. Seller shall notify Purchaser by written updates to its representations and warranties contained herein of any matters occurring after the date hereof which, if existing or occurring on the date hereof, would have been required to be set forth in the Seller Disclosure Schedule or which would render inaccurate, in any material respect, any of the representations or warranties made by Seller in this Agreement (each a "*Supplement*"). Seller shall in particular notify Purchaser of each and every default notice, notice of breach, threat of termination, reservation or assertion of rights, collection action and/or the exercise of other remedies which is received by Seller after the date hereof with respect to any of the Tower Leases and Licenses or any of the Service and Fiber Agreements. Purchaser shall consider all such Supplements as part of its due diligence investigation. Upon Purchaser's receipt of such Supplement, such representations and warranties shall be deemed to be automatically updated as set forth therein; provided, however, that no Supplement provided pursuant to this Section 6.3 shall be deemed to cure any breach of any representation or warranty existing as of the date hereof.

6.4 Cooperation.

(a) Purchaser and Seller shall keep each other updated regarding the status of any communications with, and any inquiries or requests for additional information from, any Governmental Entity, and shall comply promptly with any such inquiry or request. Subject to Section 6.4(c) below, Purchaser and Seller shall use commercially reasonable efforts to obtain any Consent, approval, order or authorization of any Governmental Entity, necessary in connection with the transactions contemplated hereby or to resolve any objections which may be asserted by any Governmental Entity with respect to the transactions contemplated hereby.

(b) Subject to the terms and conditions of this Agreement and all applicable Laws, each Party shall use commercially reasonable efforts to fulfill or obtain the fulfillment of the conditions to the Closing and to do or cause to be done all things necessary to cause the Closing to occur and to consummate and make effective the transactions contemplated by this Agreement on or prior to the Closing Date set forth in Section 3.1, including, without limitation, the execution and delivery of all agreements required hereunder.

(c) Following the date of this Agreement and continuing through and after the Closing, Seller will use its commercially reasonable efforts to assist Purchaser in preparing and filing all applications required to be filed with the Federal Communications Commission in connection with, and to effectuate the assignment to Purchaser of, the radio spectrum authorizations listed on Exhibit B (*Radio Spectrum Licenses*).

6.5 Satisfaction of Liabilities. Seller shall satisfy on or before the Closing Date, any and all liabilities that are not Assumed Liabilities and that are known to Seller as of the Closing Date and payment of which is required to transfer the Network Assets to Purchaser as provided in Section 2.1(a). Seller shall deliver to Purchaser five (5) business days prior to the Closing Date a schedule identifying and fully describing all such liabilities, which schedule, as approved in writing by both Parties, is hereby deemed to be incorporated in the Seller Disclosure Schedule as Section 6.5 thereof, or if delivered prior to the execution of this Agreement, shall be included in the Seller Disclosure Schedule prior to execution. Seller shall satisfy on or before the Closing Date any and all such liabilities referred to in the first sentence hereof and set forth in more detail in Section 6.5 of the Seller Disclosure Schedule. Seller may, upon written notice to Purchaser delivered not more than three (3) business days prior to the Closing Date direct Purchaser to directly pay on Seller's behalf specified liabilities referred to in the first sentence of this Section 6.5 and, in the event Purchaser makes such payments directly to creditors on Seller's behalf, such payments shall be a dollar-for-dollar credit against the Purchase Price set forth in Section 2.6 and shall reduce the amount of the payment required to be made by Purchaser under Section 2.6; provided, that if the amount of such liabilities that Seller directs Purchaser to pay exceeds the Purchase Price set forth in Section 2.6, then Purchaser shall not be obligated to make any such payments and shall not be obligated to complete the Closing. In the event Seller is unable or fails to satisfy any and all of the liabilities referred to in the first sentence of this Section 6.5 on or before the Closing Date, Purchaser may, at Purchaser's option, pay such liabilities directly to creditors of Seller on Seller's behalf, and in the event Purchaser does so, such payments shall be a dollar-for-dollar credit against the Purchase Price set forth in Section 2.6 and shall reduce the amount of the payment required to be made by Purchaser under Section 2.6. Purchaser shall satisfy or pay in accordance with the terms thereof, as and when due, any and all of the Assumed Liabilities.

6.6 Payment of Option Amounts. Purchaser shall satisfy or pay any monies due and owing from the City to NAC pursuant to the Option Agreement or this Agreement to the extent not paid at or before the Closing no later than five (5) business days after the Closing Date.

Article 7 Conditions to the Obligations of Purchaser.

All of the obligations of Purchaser under this Agreement are subject to the fulfillment prior to or at the Closing of each of the following conditions, any of which may be waived by Purchaser in its sole discretion:

7.1 Representations and Warranties. All representations and warranties of Seller contained in this Agreement shall be true and correct as of the date of this Agreement, and such representations and warranties (as updated pursuant to any Supplements) shall be true and correct in all material respects as of the Closing as if made at and as of such time (except that representations and warranties made with respect to a specified date need only be true and correct as of such date).

7.2 Performance of Agreements. 7.5 Closing Deliveries. Seller shall have delivered or caused to be delivered to Purchaser each of the following, in form and substance reasonably satisfactory to Purchaser, except where the failure to deliver is caused by Purchaser:

(a) A duly executed bill of sale, assignment and assumption agreement (the "*Bill of Sale, Assignment and Assumption Agreement*") conveying in the aggregate all of Seller's interest in the Network Assets, subject to the Permitted Liens, and evidencing Seller's transfer and assignment of the Assumed Liabilities and Purchaser's assumption of the Assumed Liabilities;

(b) Evidence of the termination, effective upon completion of the Closing, of that certain Amended and Restated Wireless Philadelphia Broadband Network Agreement, by and between Seller and Wireless Philadelphia and effective as of June 16, 2008 (the "*Network Agreement*");

(c) Evidence of the termination, effective upon completion of the Closing, of that certain Street Light Use Agreement by and Between EarthLink, Inc. and PAID, dated February 21, 2006, and subsequently assigned from EarthLink to NAC and assumed by NAC on or about June 16, 2008 (the "*NAC Street Light Use Agreement*"); and

(d) Such other bills of sale, assignments and other instruments of transfer and conveyance as are reasonably necessary or appropriate to transfer and assign the Purchased Assets to Purchaser, each duly executed by Seller.

7.6 No Injunctions. No preliminary or permanent injunction or other order by any federal, state or local court which prevents the consummation of the transactions contemplated by this Agreement shall have been issued and remain in effect.

Article 8 Conditions to the Obligations Of Seller.

All of the obligations of Seller under this Agreement are subject to the fulfillment prior to or at the Closing of each of the following conditions, any of which may be waived by Seller in its sole discretion:

8.1 Representations and Warranties. All representations and warranties of Purchaser contained in this Agreement shall be true and correct as of the date of this Agreement, and such representations and warranties shall be true and correct in all material respects as of the Closing as if made at and as of such time (except that representations and warranties made with respect to a specified date need only be true and correct as of such date).

8.2 Performance of Agreements. Purchaser shall have fully performed and complied in all material respects with all agreements and covenants and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing.

8.3 Closing Deliveries. Purchaser shall have delivered or caused to be delivered to Seller each of the following, in form and substance reasonably satisfactory to Seller:

- (a) A duly executed Bill of Sale, Assignment and Assumption Agreement;

- (c) Written assurance by the City's Chief Technology Officer or, if different, the City's signatory on this Agreement, in a form reasonably satisfactory to Seller, certifying (i) that the payments required to be made to Seller under Section 2.6 have, as of the Closing Date, been duly authorized by the necessary authority or persons, (ii) that the funds are available for payment within five (5) business days after the Closing Date (such date, the "Payment Date"), and (iii) that such payments are an obligation of the City and that such payments shall be made to Seller on or before the Payment Date.

8.4 Releases. Evidence of the termination, effective upon completion of the Closing, of the NAC Street Light Use Agreement and the Network Agreement, releasing Seller from all of its liabilities and obligations under the Street Light Use Agreement and the Network Agreement;

8.5 Approval of City Council. Any approvals of City Council, by ordinance or otherwise, that the City determines are required to carry out the transactions contemplated by this Agreement and complete the Closing shall have been granted and any required ordinance shall have become law.

Article 9 Termination

9.1 Default; Termination.

(a) Default. A Party shall be in default of this Agreement if it fails to fulfill timely any covenant, agreement, or obligation on its part in the manner required by the Agreement, or breaches any of its representations or warranties hereunder, and such failure or breach is not cured within thirty (30) calendar days after the Party asserting the default has delivered its written notice of the default stating in reasonable detail the nature of the asserted default ("Cure Period"); provided, that nothing in this Section 9.1(a) shall limit, waive, or alter the rights or obligations of the Parties set forth in Article 7 (*Conditions to the Obligations of Purchaser*), Article 8 (*Conditions to the Obligations of Seller*), or Article 3 (*Closing*). A Party giving such notice of default shall have the right to exercise all rights and remedies against a defaulting Party that are available to it at law or in equity.

(b) Termination. This Agreement and the transactions contemplated hereby may be terminated as follows:

- (1) At any time prior to the Closing by the mutual written consent of both Parties;

(2) By Purchaser, if Purchaser is prepared to close and all conditions of Seller's obligations to close pursuant to Article 8 (*Conditions to the Obligations of Seller*) have been satisfied or waived by Seller and Seller fails to close in accordance with Article 3 (*Closing*);

(3) By Purchaser on or after the "Cut-off Date" (as defined in Section 9.2) if, as of such date, Seller is in material breach of this Agreement and Purchaser has complied with the provisions of Section 9.4, *Notification of Breach*;

(4) By Seller if Seller is prepared to close and all conditions to Purchaser's obligations to close pursuant to Article 7 (*Conditions to the Obligations of Purchaser*) have been satisfied or waived by Purchaser and Purchaser fails to close in accordance with Article 3 (*Closing*);

(5) By Seller on or after the Cut-off Date if, as of such date, Purchaser is in material breach of this Agreement and Seller has complied with the provisions of Section 9.4, *Notification of Breach*; or

(6) By Purchaser prior to the Cut-off Date, if Purchaser is not satisfied with the results of its due diligence investigation with respect to the Network Assets, with Purchaser's satisfaction being determined in Purchaser's sole discretion.

9.2 Cut-Off Date. If the Closing shall not have occurred on or before August 1, 2010 (the "Cut-off Date"), either Party may terminate this Agreement by delivering written notice thereof to the other Party, provided that such terminating Party is not then in material breach of this Agreement.

9.3 Effect of Termination. In the event this Agreement is terminated pursuant to this Article 9, this Agreement shall become null and void and of no further force and effect and neither Party shall have any further liability or obligation hereunder to the other Party (except to the extent a Party is in wilful breach of this Agreement as of the date of termination), except for (i) the provisions of Section 10.1 of this Agreement relating to expenses, (ii) the provisions of this Section 9.3 and (iii) the provisions of Article 11 (*Indemnification; Limitation of Liability; Survival*) and (iv) provisions that survive pursuant to Article 11 (*Indemnification; Limitation of Liability; Survival*). The foregoing to the contrary notwithstanding, in the event this Agreement is terminated pursuant to Section 9.1(b)(2)-(5), inclusive, then the terminating Party shall be entitled to pursue any and all rights and remedies against the other party available to it hereunder or at law or in equity.

9.4 Notification of Breach. Each Party shall notify the other Party in accordance with Section 12.1 (*Notices*), within twenty-four (24) hours of becoming aware of a breach of this Agreement by either Party.

Article 10 Other Agreements of the Parties.

10.1 Expenses. Each Party hereto shall pay its own fees and expenses (including the fees and expenses of its attorneys, accountants, investment bankers, brokers, financial advisors and other professionals) incurred in connection with this Agreement and all transactions contemplated hereby.

10.2 Publicity. Seller shall not issue any press release, written public statement or announcement relating to this Agreement or the transactions contemplated hereby (collectively, "Public Statement") without the prior written approval of the Purchaser in each instance, which approval will not be unreasonably withheld. Purchaser and Seller shall exercise reasonable efforts to cooperate with respect to the issuance and content of any Public Statement. The foregoing shall not apply to any Public Statement that Seller or Purchaser is required by law to make; for such Public Statement, Seller shall use all

reasonable efforts to give Purchaser prior notice thereof and shall provide Purchaser with the opportunity to comment.

10.3 Taxes. Seller shall be solely responsible for paying any and all applicable sales, use, transfer, stamp or other similar Taxes (collectively "Transfer Taxes") arising as a result of the transactions contemplated by this Agreement.

10.4 Access to Information. For a period of three (3) years following the Closing, (i) Purchaser will authorize and permit Seller and its representatives, at Seller's sole cost and expense, to have reasonable access during normal business hours, upon reasonable prior notice and for a reasonable business purpose relating exclusively to the operation of the Business prior to the Closing and in such manner as will not unreasonably interfere with the conduct of Purchaser's business, to those books and records relating exclusively to the Business and the Network Assets prior to the Closing and that are reasonably necessary for such business purpose. Purchaser shall, for a period of five (5) years after the Closing plus any additional time during which Seller advises Purchaser that there is an ongoing Tax audit or investigation with respect to the period prior to Closing, keep such materials relating exclusively to the Business and the Purchased Assets prior to the Closing reasonably accessible and not destroy or dispose of such materials without the written consent of Seller.

10.5 Insurance. NAC shall furnish directors and officers liability insurance meeting the following requirements and effective on or before the Closing Date, and shall maintain such insurance in effect for a period of twelve (12) months following the Closing Date:

10.6 Confidentiality.

(a) "Confidential Information" means and includes all information and documents disclosed or produced by either party to the other party in written form and identified by the disclosing party as confidential, in writing or by clearly marking as "confidential," and oral information which is designated as confidential at the time of disclosure, with written confirmation not less than ten (10) business days after its disclosure; provided, however, that "Confidential Information" shall not include information or documents (i) developed by the receiving party independently and without the benefit of information disclosed the disclosing party; (ii) lawfully obtained by the receiving party from a third party without restriction and without breach of this Agreement; (iii) publicly available without breach of this Agreement; (iv) known to the receiving party prior to its receipt from the disclosing party; or (v) required to be disclosed pursuant to applicable law or court order, including, without limitation, the Pennsylvania Right to Know Act.

(b) Each Party agrees (i) that it will not divulge, transfer, sell, license, lease, or otherwise disclose or release the other Party's Confidential Information to any person or entity other than its officers, agents, contractors, and employees that require the information in order to perform the party's obligations under the Agreement or determine and/or enforce the other Party's compliance with the Agreement, and (ii) that it will protect the other Party's Confidential Information in the same manner and with the same care as it protects its own confidential, sensitive, and proprietary information, but in no

case with less than reasonable care. Each Party will use reasonable efforts to advise any person obtaining Confidential Information that such information is confidential and to obtain a written agreement obligating such person to maintain its confidentiality.

10.7 Intellectual Property License. For consideration received and subject to the provisions of this Agreement, effective as of the Closing Date, Seller grants, and Purchaser accepts, a perpetual, fully paid-up, royalty-free, worldwide, non-revocable, transferable sublicense to use, sell, resell, lease or rent, offer for sale, distribute, and sublicense (1) the architecture and design of the Network installed in Philadelphia, Pennsylvania by or on behalf of EarthLink, Inc. and licensed by EarthLink to NAC pursuant to the NAC/EarthLink Asset Purchase Agreement, (2) any software included within the Network Assets, and (3) all service set identifiers (“SSIDs”) that are currently in use in the Network and its configuration, licensed to Seller, and/or for which Seller otherwise holds rights of use; such sublicense being referred to in this Agreement as the “Intellectual Property License.”

10.8 Assignment of Software Rights and Intellectual Property Rights.

(a) Effective as of the Closing, Seller hereby assigns to Purchaser all of Seller's rights (including, without limitation, Seller's rights to use, license from its owner, and/or sublicense to others) that Seller holds with respect to the software, software code, and any other intellectual property referenced in and/or subject to the agreements specified below, and Purchaser hereby assumes the obligations and agrees to be subject to the terms of the licenses and other provisions (in each case, solely with respect to the Network Assets) contained in such agreements. Seller represents and warrants that complete and correct copies of the agreements specified below have been delivered by Seller to Purchaser:

(1) that certain Product Sales, Services and Support Agreement, dated as December 22, 2005, by and between EarthLink, Inc. and Motorola, Inc.;

10.9 Tax Matters. Seller is responsible for all Taxes concerning the Business or the Purchased Assets for all taxable periods ending on or before the Closing Date, including, for taxable periods beginning on or before the Closing Date and ending after the Closing Date (a "Split Tax Period"), the portion of such Split Tax Period ending on Closing Date. For Split Tax Periods, Taxes will be allocated to the portion of the Split Tax Period ending on the Closing Date in the following manner: (1) for income Taxes, on the basis of an interim closing of the books of the Business; and (2) for property Taxes,

proportionally based on the number of days in the portion of the Split Tax Period ending on the Closing Date and the number of days in the remainder of the Split Tax Periods. Seller is to prepare Tax returns with respect to the Business or the Purchased Assets for all taxable periods ending on or before the Closing Date.

Article 11 Indemnification; Limitation of Liability; Survival.

11.1 Survival of Representations and Warranties. The representations and warranties made in this Agreement shall survive the Closing for a period of one (1) year; provided, however, that the representations and warranties set forth in Section 4.10 (*Taxes*), shall terminate six months following the expiration of the statute of limitations period applicable to the relevant subject matter; (ii) the representations and warranties set forth in Sections 4.5(b)-(d), relating to the sufficiency and condition of Network Assets, shall survive the Closing for a period of two (2) years; and (iii) the representations and warranties set forth in Section 4.1 (*Organization and Good Standing*), Section 4.2 (*Power and Authority*), Section 4.3 (*Binding Effect*), Section 4.5(a), relating to Seller's ownership of valid right, title and interest in the Network Assets, Section 4.6 (*Intellectual Property*), Section 4.14 (*Brokers*), Section 5.1 (*Organization and Good Standing*), Section 5.2 (*Power and Authority*), Section 5.3 (*Binding Effect*), and Section 5.6 (*Brokers*) shall survive indefinitely. All covenants and other agreements of Purchaser and Seller made in this Agreement shall survive the Closing without limitation (except pursuant to their terms). Any representation and warranty which is the subject of a claim or dispute asserted in writing prior to the expiration of the applicable survival period stated above shall survive with respect to such claim or dispute until the final resolution thereof.

11.2 Indemnification; Limitation of Liability.

(a) Indemnification. Subject to Section 11.1 and this Section 11.2 Seller hereby indemnifies and agrees to promptly defend and hold harmless Purchaser and its officers, employees, agents, attorneys, representatives, successors and assigns ("Purchaser Indemnitee") from and against any and all costs, expenses (including, without limitation, reasonable attorneys' fees and other legal costs and expenses), claims, judgments, penalties, fines, damages, losses and liabilities (collectively "Losses") that are incurred by any Purchaser Indemnitee and result from or arise out of: (i) any breach of any representation or warranty made by Seller in this Agreement; (ii) any breach of any covenant or other agreement of Seller made in this Agreement; (iii) the Excluded Assets; (iv) Seller's failure to pay any Transfer Taxes; (v) any of the Excluded Liabilities; (vi) any failure of Seller to comply with any so-called "bulk transfer laws" of the Commonwealth of Pennsylvania; (vii) the Network Assets, to the extent arising on or before the Closing Date and to the extent not Assumed Liabilities; and/or (viii) Seller's infringement of the intellectual property rights of any other person or entity, where such infringement arises on or before the Closing Date.

(b) Limitation of Liability. Notwithstanding anything else contained herein to the contrary, the aggregate liability of Seller under this Agreement shall not exceed an amount equal to Two Million Five Hundred Thousand Dollars (\$2,500,000), and the aggregate liability of Purchaser under this Agreement shall not exceed an amount equal to Two Million Five Hundred Thousand Dollars (\$2,500,000); provided, however, as follows: the limitations set forth in this Section 11.2(b) and in Section 11.5 (*Limitation of Consequential Damages*) shall not apply to any breaches of the representations or warranties in Section 4.1 (*Organization and Good Standing*), Section 4.2 (*Power and Authority*), Section 4.3 (*Binding Effect*), Section 4.4 (*No Violation*), Section 4.5(a) (*Title to Purchased Assets*), Section 4.6 (*Intellectual Property*), Section 4.10 (*Taxes*), or Section 4.14 (*Brokers*), or to any "Losses," as defined in Section 11.2(a), that result from or arise out of personal or bodily injury, loss of life, damage to property, or infringement of intellectual property rights.

11.3 Reserved.

11.4 Notice of Losses. As soon as reasonably practicable after an indemnitee pursuant to this Article 11 (an "Indemnitee") has actual knowledge of any claim that it has under this Article 11 that would reasonably be expected to result in an indemnifiable Loss (a "Claim"), the Indemnitee shall give written notice thereof (a "Claims Notice") to the party responsible for indemnification (the "Indemnitor"). A Claims Notice must describe the Claim in reasonable detail, and indicate the amount (estimated in good faith, as necessary and to the extent feasible) of the Loss that has been or may be suffered by the applicable Indemnitee, but only if reasonably ascertainable at the time. No delay in or failure to give a Claims Notice pursuant to this Section 11.4(a) will adversely affect any of the other rights or remedies that the Indemnitee has under this Agreement, or alter or relieve an Indemnitor of its obligation to indemnify the applicable Indemnitee, except to the extent that an Indemnitor is materially prejudiced thereby.

With respect to a claim by any person or entity who is not a party to this Agreement and for which an Indemnitee seeks indemnification pursuant to this Article 11 from the Indemnitor, the Indemnitor will have the right to participate in or, upon written notice to the Indemnitee, to elect to assume the defense of such claim at Indemnitor's expense and with counsel of Indemnitor's choosing but subject to Purchaser's reasonable approval and Indemnitee will cooperate in good faith with the Indemnitor in such defense. The Indemnitee shall not settle or compromise such claim without the written consent of the Indemnitor, which consent shall not be unreasonably withheld.

11.5 Limitation of Consequential Damages. Notwithstanding anything else contained herein to the contrary and subject to the proviso set forth in Section 11.2(b), the aggregate liability hereunder of any Party to the other Party or to any other person or entity for any consequential damages, including, without limitation, loss of profit, loss of use, diminution in value, or business stoppage or any indirect, special, exemplary or punitive damages, shall not exceed Five Hundred Thousand Dollars (\$500,000).

(c) Either Party hereto may change the address to which notice is to be sent by written notice to the other Party in accordance with this Section 12.1.

12.2 Entire Agreement. This Agreement, including all schedules and exhibits hereto, each of which is incorporated herein by reference, contains the entire agreement and understanding concerning the subject matter hereof between the Parties and specifically supersedes any other agreement or understanding between the Parties related to the subject matter hereof; provided, that the City's obligation to pay any amounts due and owing under the Option Agreement as of the Closing Date, as set forth in Section 2.6 (*Purchase Price*), shall not be extinguished by this Section 12.2.

12.3 Disclosure Schedule. Any fact or item disclosed on any part of the Seller Disclosure Schedule shall be deemed disclosed on all other parts of the Seller Disclosure Schedule to which such fact or item may reasonably apply so long as it is readily apparent that such disclosure is intended to identify the facts or items to which it applies. Any fact or item disclosed on the Seller Disclosure Schedule shall not solely by reason of such inclusion be deemed to be material and shall not be employed as a point of reference in determining any standard of materiality under this Agreement.

12.4 Waiver; Amendment. No waiver, termination or discharge of this Agreement, or any of the terms or provisions hereof, shall be binding upon either Party unless confirmed in writing. No waiver by either Party of any term or provision of this Agreement or of any default hereunder shall affect such Party's rights thereafter to enforce such term or provision or to exercise any right or remedy in the event

of any other default, whether or not similar. This Agreement may not be modified or amended except by a writing executed by both Parties.

12.5 Remedies. In addition to the remedies otherwise provided in this Agreement or at law or in equity, in the event that the Closing occurs and Purchaser fails to make the payments to Seller required under Section 2.6 on or prior to the "Payment Date," as defined in Section 8.3(c), Seller shall have the option to rescind this Agreement. In the event of such rescission, the Option Agreement shall remain in place and this Agreement shall be deemed to be null and void and the parties shall execute such documents, instruments and agreements as are necessary to cause any Network Assets transferred from NAC to the City or to PAID pursuant to this Agreement or any other agreement entered into by either Party or PAID to be transferred back to NAC.

12.6 Severability. If any provision of this Agreement shall be held void, voidable, invalid or inoperative, no other provision of this Agreement shall be affected as a result thereof, and, accordingly, the remaining provisions of this Agreement shall remain in full force and effect as though such void, voidable, invalid or inoperative provision had not been contained herein.

12.7 Governing law, Forum and Consent to Jurisdiction. This Agreement and all disputes arising under the Agreement shall be governed by the Laws of the Commonwealth of Pennsylvania, without giving effect to the conflict of laws principles or provisions thereof. The parties agree that any lawsuit, action, claim, or legal proceeding involving, directly or indirectly, any matter arising out of or related to this Agreement, or the relationship created or evidenced thereby, shall be brought exclusively in the United States District Court for the Eastern District of Pennsylvania or the Court of Common Pleas of Philadelphia County. It is the express intent of the Parties that jurisdiction over any lawsuit, action, claim, or legal proceeding shall lie exclusively in either of these two forums. The Parties further agree not to raise any objection, as to forum or venue, to any lawsuit, action, claim, or legal proceeding which is brought in either of these two forums, and the parties expressly consent to the jurisdiction and venue of these two forums. The Parties agree that in the event of a dispute under the Agreement, the prevailing Party shall be entitled to recover reasonable attorney's fees and other legal costs incurred in connection with prosecuting or defending such claim.

12.8 Assignment. Neither Party may assign this Agreement, in whole or in part, without the prior written consent of the other Party, and any attempted assignment not in accordance herewith shall be null and void and of no force or effect; provided however that Purchaser may assign this Agreement to an affiliate or related entity of Purchaser, including, without limitation, PAID or another municipal authority, without the prior written consent of Seller, but such assignment shall not relieve Purchaser of any liability of Purchaser or such affiliate hereunder.

12.9 Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

12.10 Headings. The titles, captions and headings contained in this Agreement are inserted for convenience of reference only and are not intended to be a part of or to affect in any way the meaning or interpretation of this Agreement.

12.11 Reference to Agreement. Numbered or lettered articles, sections, paragraphs, subsections, schedules and exhibits herein contained refer to articles, sections, paragraphs, subsections, schedules and exhibits of this Agreement unless otherwise expressly stated. The words "herein," "hereof," "hereunder," "hereby," "this Agreement" and other similar references shall be construed to mean and include this Agreement and all amendments to it unless the context shall clearly indicate or require otherwise.

12.12 Interpretation. This Agreement shall not be construed more strictly against either Party hereto regardless of which Party is responsible for its preparation, it being agreed that this Agreement was fully negotiated by both Parties.

12.13 City Contract Provisions. Seller shall comply with all terms and conditions set forth in Exhibit F (*City Contract Provisions*).

12.14 Further Assurances. On and following the Closing Date, upon the reasonable request of the other Party, each Party agrees to take any and all actions, including, without limitation, (i) all reasonable steps of Seller as may be necessary or appropriate so that Purchaser shall be placed in actual possession and control of all of the Network Assets; (ii) the execution of such additional instruments of conveyance and transfer as Purchaser may reasonably require, in order to more effectively vest in it, and put it in possession of, the Network Assets; and (iii) the execution by Purchaser and Seller of certificates, documents or instruments necessary or appropriate to give effect to the terms and conditions set forth in this Agreement.

12.15 City Audit. From time to time during the term of the Agreement and for a period of five (5) years after termination of the Agreement, the City (including, without limitation, the Office of the City Controller) may, with reasonable notice to Seller, audit Seller's books and records relating exclusively to the Business, the Network Assets, and Seller's performance of this Agreement prior to the Closing. Seller shall, for a period of five (5) years after the Closing, keep such books and records reasonably accessible and not destroy or dispose of such materials without the written consent of Purchaser.

12.16 Expenses. Except as provided elsewhere in this Agreement, each Party shall pay the fees and expenses of its respective brokers, counsel, accountants and other experts and the other expenses incident to the negotiation and preparation of this Agreement and consummation of the transactions contemplated hereby.

12.17 Counterparts; Fax Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute the same Agreement. Any signature page of any such counterpart, or any electronic facsimile thereof, may be attached or appended to any other counterpart to complete a fully executed counterpart of this Agreement, and any telecopy, .pdf format copy or other facsimile transmission of any signature shall be deemed an original and shall bind such Party. The Agreement shall bind the Parties upon, but only upon, the valid execution of at least one counterpart by each Party. The Parties shall exchange originals of this Agreement bearing their original signatures within five (5) business days of execution.

SELLER DISCLOSURE SCHEDULE

EXHIBIT F

CITY CONTRACT PROVISIONS

CITY CONTRACT PROVISIONS

Seller shall comply with all terms and conditions set forth in this Exhibit F. The provisions of this Exhibit are not intended to limit the applicability any other provision of the Agreement.

1. **Non-Discrimination; Fair Practices.** This Agreement is entered into under the terms of the Philadelphia Home Rule Charter, as it may be amended from time to time, and in performing this Agreement, Seller shall not discriminate or permit discrimination against any individual because of race, color, religion or national origin. In addition, Seller shall, in performing this Agreement, comply with the provisions of the Fair Practices Ordinance of The Philadelphia Code (Section 9-1100) and the Mayor's Executive Order No. 04-86, as each may be amended from time to time and which, as applicable, prohibit, among other things, discrimination against individuals in employment, housing, and/or services in places of public accommodation because of race, color, sex, sexual orientation, gender identity, religion, national origin, ancestry, age, handicap (including, but not limited to, Human Immunodeficiency Virus infection), marital status, presence of children or source of income. In the event of any breach of this Section 1.1 (Non-Discrimination; Fair Practices), the City may, in addition to any other rights or remedies available under this Agreement, at law or in equity, suspend or terminate this Agreement forthwith.

2. **The Philadelphia Code, Chapter 17-400.** In accordance with Chapter 17-400 of The Philadelphia Code, as it may be amended from time to time, Seller agrees that its payment or reimbursement of membership fees or other expenses associated with participation by its employees in an exclusionary private organization, insofar as such participation confers an employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment, promotions, terms, privileges or conditions of employment on the basis of race, color, sex, sexual orientation, religion, national origin or ancestry, constitutes, without limiting the applicability of Section 13.2 of the 1999 Agreement, as amended, and Section 13.3 of the 1999 Agreement, as amended, a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available at law or in equity. Seller agrees to cooperate with the Commission on Human Relations of the City in any manner which the Commission deems reasonable and necessary for the Commission to carry out its responsibilities under Chapter 17-400 of The Philadelphia Code. Seller's failure to so cooperate shall constitute, without limiting the applicability of Section 13.2 of the 1999 Agreement, as amended, and Section 13.3 of the 1999 Agreement, as amended, a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available at law or in equity.

3. **Northern Ireland.**

(a) In accordance with Section 17-104 of The Philadelphia Code, Seller by execution of this Agreement certifies and represents that (1) Seller (including any parent company, subsidiary, exclusive distributor or company affiliated with Seller) does not have, and will not have at any time during the Term of this Agreement (including any extensions of the Term), any investments, licenses, franchises, management agreements or operations in Northern Ireland and (2) no product to be provided to the City under this Agreement will originate in Northern Ireland, unless Seller has implemented the fair employment principles embodied in the MacBride Principles.

(b) In the performance of this Agreement, Seller agrees that it will not use any suppliers, subcontractors or subconsultants at any tier (1) who have (or whose parent, subsidiary, exclusive distributor or company affiliate have) any investments, licenses, franchises, management agreements or operations in Northern Ireland or (2) who will provide products originating in Northern Ireland unless

said supplier, subconsultant or subcontractor has implemented the fair employment principles embodied in the MacBride Principles.

(c) Seller agrees to cooperate with the City's Director of Finance in any manner which the said Director deems reasonable and necessary to carry out the Director's responsibilities under Section 17-104 of The Philadelphia Code. Seller expressly understands and agrees that any false certification or representation in connection with this Section 3 (Northern Ireland) and any failure to comply with the provisions of this Section 3 (Northern Ireland) shall constitute a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available at law (including, but not limited to, Section 17-104 of The Philadelphia Code) or in equity. In addition, Seller understands that false certification or representation is subject to prosecution under 18 Pa. C.S. Section 4904.

Paragraphs (a) and (b) of this Section 3 do not apply if Seller has secured a waiver from the Director of Finance.

4. **Business, Corporate and Slavery Era Insurance Disclosure.**

(a) In accordance with Section 17-104 of The Philadelphia Code, Seller, after execution of this Agreement, will complete an affidavit certifying and representing that Seller (including any parent company, subsidiary, exclusive distributor or company affiliated with Seller) has searched any and all records of Seller or any predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit. This paragraph does not apply if Seller has secured a waiver from the Director of Finance.

(b) Seller expressly understands and agrees that any false certification or representation in connection with this Section 4 and/or any failure to comply with the provisions of this Section shall constitute a substantial breach of this Agreement entitling the City to all rights and remedies provided in this Agreement or otherwise available in law (including, but not limited to, Section 17-104 of The Philadelphia Code) or equity and the Agreement will be deemed voidable. In addition, it is understood that false certification or representation is subject to prosecution under 18 Pa. C.S.A. Section 4904.

5. **Limited English Proficiency.** Seller understands and agrees that no individual who is limited in his or her English language proficiency shall be denied access to Services provided under this Agreement on the basis of that limitation. As a condition of accepting and executing this Agreement, Seller shall comply with all provisions of Title VI of the Civil Rights Act of 1964, the President of the United States of America Executive Order No. 12250, the Mayor of the City of Philadelphia Executive Order No. 04-01, "Access to Federally Funded City Programs and Activities for Individuals with Limited English Proficiency" dated September 29, 2001, and all regulations promulgated thereunder, as the Act and regulations may be amended from time to time, which are applicable (a) to Seller, (b) to the benefits, services, activities and programs provided in connection with this Agreement, (c) to the City, or the Commonwealth of Pennsylvania, and (d) to the benefits, services, activities and programs of the City or of the Commonwealth, and if any funds under this Agreement are provided by the federal government, which are applicable to the federal government and its benefits, services, activities and programs. Without limiting the applicability of the preceding sentence, Seller shall comply with 45 C.F.R. 80 et. seq. and all other regulations promulgated under Title VI of the Civil Rights Act of 1964, as they may be amended from time to time, which are applicable to the benefits, services, programs and activities provided by the City through Agreements with outside contractors.

6. **Philadelphia 21st Century Minimum Wage Standard.**

(a) If Seller is subject to Philadelphia Code Chapter 17-1300, as specified therein, Seller shall comply with the minimum benefits and compensation standards by providing its employees with an hourly wage, excluding benefits, at least one hundred fifty percent (150%) of the federal or state minimum wage, whichever is higher, as more fully set forth at Philadelphia Code Chapter 17-1300. Seller shall promptly provide to the City all documents and information verifying its compliance with the requirements of Section 17-1300. Furthermore, Seller shall notify each affected employee what wages are required to be paid.

(b) The Office of Labor Standards, as defined by Section 17-1302, may grant a partial or total waiver of Chapter 17-1300 based on specific stipulated reasons elaborated in Section 17-1304 of the Philadelphia Code. City remedies for noncompliance of this section are set forth in Article XII herein. As it relates to minimum benefits, Chapter 17-1300 is effective July 1, 2009.

7. **Seller's Representations and Covenants Pursuant to Philadelphia Code Chapter 17-1400.**

Seller makes, and will continue to update as needed throughout the term of this Agreement, the following representations and warranties, and will throughout the term of this Agreement comply with the following provisions:

(a) **Contributions.** In accordance with Section 17-1402 of The Philadelphia Code, Seller represents on behalf of itself and its Subcontractor(s) that no contribution(s) have been made and none shall be made during the term of the Contract by Seller, any Subcontractor, or any party from which a contribution can be attributed to the Seller or Subcontractor, that would render the Seller or Subcontractor, as applicable, ineligible to apply for or enter into a Non-Competitively Bid Contract under the provisions of Philadelphia Code Sections 17-1404(1) and 17-1405; and that disclosures made as part of its application to receive a Non-Competitively Bid Contract contain no material misstatements or omissions. Breach of this covenant shall constitute an event of default and render the Contract voidable at the City's option, and shall make the Seller liable for liquidated damages to the City in the amount of ten percent (10%) of the maximum payments to the Seller allowed under the Contract, regardless whether actually paid. The City may exercise any or all of the remedies set forth in this Subsection (Contributions), each of which may be pursued separately or in conjunction with such other remedies as the City in its sole discretion shall determine. No extension or indulgence granted by the City to Seller shall operate as a waiver of any of the City's rights in connection with this Contract. The rights and remedies of the City as described in this Subsection 4.1(k) (Contributions) and as described elsewhere in this Contract shall not be exclusive and are in addition to any other rights or remedies available to the City under this Contract at law or in equity.

(1) Pursuant to the attribution rules of Section 17-1405, Seller shall, during the term of the Contract and for one year thereafter, disclose any contribution of money or in-kind assistance the Seller, Subcontractor or any Consultant has made during such time period to a candidate for nomination or election to any public office in the Commonwealth of Pennsylvania or to an individual who holds such office, or to any political committee or state party in the Commonwealth of Pennsylvania, or to any group, committee or association organized in support of any such candidate, office holder, political committee or state party, and the date and amount of such contribution.

a) Such disclosure shall be made on a form provided by the Department awarding the Contract, and the form shall be signed and filed with such Department within five (5) business days of the contribution. The Department receiving the disclosure form shall forward copies to the President and Chief Clerk of Council, and to the Mayor, Finance Director, Procurement Department, and the

Department of Records. The attribution rules of Section 17-1405 shall apply to determine what contributions must be disclosed under this provision as contributions of the Seller or of a Consultant.

b) It shall not be a violation of Subsection Section 7(a)(1) if Seller fails to disclose a contribution made by a Consultant because the Seller was unable to obtain such information from the Consultant, provided the Seller demonstrates that it used reasonable efforts to attempt to obtain such information, including, at a minimum:

1) Entering into a written agreement with the Consultant for such Consultant's services, before the filing of the application for the Contract, and before the Consultant communicated with a City department or office, official or employee on behalf of the Seller;

2) Including in such agreement a provision requiring the Consultant to provide the Seller in a timely manner with all information required to be disclosed under the provisions of Philadelphia Code Section 17-1400, and providing, in effect, that the agreement will be terminated by the Seller if the Consultant fails to provide all required information on a timely basis and that no further payments, including payments owed for services performed prior to the date of termination, will be made to the Consultant by or on behalf of the Seller as of the date of such termination;

3) Communicating regularly with the Consultant concerning the Consultant's obligations to provide timely information to permit the Seller to comply with the provisions of Philadelphia Code Section 17-1400; and

4) Invoking the termination provisions of the written agreement in a full and timely manner.

(2) The Seller shall, during the Term of the Contract and for one year thereafter, disclose the name and title of each City officer or employee who, during such time period, asked the Seller, any officer, director or management employee of the Seller, or any Person representing the Seller, to give money, services, or any other thing of value (other than a Contribution as defined in Section 17-1401) to any Person, and any payment of money, provision of services, or any other thing of value (other than a Contribution as defined in Section 17-1401) given to any Person in response to any such request. The Seller shall also disclose the date of any such request, the amount requested, and the date and amount of any payment made in response to such request.

a) Such disclosure shall be made on a form provided by the Department awarding the contract, and the form shall be signed and filed with the Department within five (5) business days after a request was made or a payment in response to a request was made, as the case may be.

b) The Department receiving the disclosure form shall forward copies to the President and Chief Clerk of Council, and to the Mayor, Finance Director, Procurement Department, and the Department of Records. The above representations, warranties and covenants shall continue throughout the Term of this Contract. In the event said representations, warranties and covenants are or become untrue or inaccurate, Seller shall promptly give notice thereof to the City, specifying the manner in which said representation, warranty or covenant is untrue or inaccurate.

(b) **Executive Order 02-04: Gifts.** Pursuant to Executive Order 02-04, no official or employee in the Executive and Administrative Branch of the City shall solicit or accept, directly or indirectly, anything of value, including any gift, gratuity, favor, entertainment or loan from any of the following sources:

A person seeking to obtain business from, or who has financial relations with the City;

A person whose operations or activities are regulated or inspected by any City agency;

A person engaged, either as principal or attorney, in proceedings before any City agency or in court proceedings in which the City is an adverse party;

A person seeking legislative or administrative action by the City; or

A person whose interests may be substantially affected by the performance or nonperformance of

the official's or employee's official duties.

Seller understands and agrees that if it offers anything of value to a City official or employee under circumstances where the receipt of such item would violate the provisions of Executive Order 02-04, Seller shall be subject to sanctions with respect to future City contracts. Such sanctions may range from disqualification from participation in a particular contract to debarment, depending on the nature of the violation as more fully set forth in Executive Order 02-04. The terms and duration of such sanctions shall be pursuant to such rules as the Procurement Commissioner, with respect to contracts subject to competitive bidding, or the Director of Finance, with respect to all other contracts, shall develop.

(c) **Notice of Change.** If there is a material change in the foregoing representations made by Seller for itself or on behalf of any of its Subcontractors, or a circumstance occurs adversely affecting Seller's business integrity, Seller shall promptly notify Responsible Official of such changed circumstances.

8. **Sales and Use Tax.** The City is not subject to federal, state or local sales or use taxes or federal excise tax. Provider hereby assigns to the City all of its right, title and interest in any sales or use tax which may be refunded as a result of any materials, including any Materials, purchased or services, including any Services, rendered in connection with this Agreement and unless directed otherwise by the City, Provider shall not file a claim for any sales or use tax refund subject to this assignment. Provider authorizes the City, in its own name or the name of Provider, to file a claim for a refund of any sales or use tax subject to this assignment.

9. **No Indebtedness to the City.** Seller represents, warrants, and covenants that Seller and any and all entities controlling Seller, under common control with Seller or controlled by Seller are not currently indebted to the City, and will not at any time prior to or as of the Closing be indebted to the City, for or on account of any delinquent taxes (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), water bills, sewer bills, liens, judgments, fees or other debts that are not Assumed Liabilities and for which no written agreement or payment plan satisfactory to the City has been established. Seller shall remain current under all such agreements and payment plans, and shall inform the City's Chief Technology Officer in writing of Seller's receipt of any notices of delinquent payments under any such agreement or payment plan within five (5) business days after receipt. In addition to any other rights or remedies available to the City at law or in equity, Seller acknowledges that any breach or failure to conform to this representation, warranty and covenant may, at the option of the City, result in the termination of this Agreement prior to the Closing, or the withholding of payments otherwise due to Seller after Closing under this Agreement or any other agreement with the City under which the City may then owe payment of any kind, unless and, if such breach or failure is not resolved to the City's satisfaction within a reasonable time frame specified by the City in writing, may result in the offset of any such indebtedness against said payments or the termination of this Agreement for default (in which case Seller shall be liable for all excess costs and other damages resulting from the termination), or both; provided, that the foregoing sentence shall not apply to any such indebtedness that is an Assumed Liability. Seller understands that false certification, representation or warranty by it is subject to prosecution under Title 18 Pa.C.S.A. § 4904.

10. **Federal Laws.** Seller shall comply with the provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. Sections 2000d - 2000d.7), Section 504 of the Federal Rehabilitation Act of 1973 (29 U.S.C. Section 794), the Age Discrimination Act of 1975, (42 U.S.C. Sections 6101 - 6107), Title IX of the Education Amendments of 1972 (20 U.S.C. Section 1681), and 45 C.F.R. Part 92, as they may be amended from time to time, which together prohibit discrimination on the basis of race, color, national origin, sex, handicap, age and religion.

11. **Americans With Disabilities Act.** Seller understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this Agreement or from providing Services or Materials under this Agreement. By executing and delivering this Agreement, Seller covenants to comply with all provisions of the Americans With Disabilities Act (the "ADA"), 42 U.S.C. §§12101 - 12213, and all regulations promulgated thereunder, as the ADA and regulations may be amended from time to time, which are applicable (a) to Seller; (b) to the benefits, Services, Materials, activities, facilities and programs provided in connection with this Agreement; (c) to the City, or the Commonwealth of Pennsylvania; (d) to the benefits, services, activities, facilities and programs of the City or of the Commonwealth; and (e) if any funds under this Agreement are provided by the federal government, which are applicable to the federal government and its funds, benefits, services, activities, facilities and programs applicable to this Agreement. Without limiting the applicability of the preceding sentence, Seller shall comply with the "General Prohibitions Against Discrimination," 28 C.F.R. Part 35.130, and all other regulations promulgated under Title II of the ADA, as they may be amended from time to time, which are applicable to the benefits, services, facilities, programs and activities provided by the City through contracts with outside contractors.
