EXHIBIT A

BID Plan

**PRELIMINARY PLAN FOR THE
PHILADELPHIA HOSPITALITY IMPROVEMENT LEVY DISTRICT (PHiL District)**

INTRODUCTION

This Preliminary Plan represents the work of Philadelphia hotel property owners and hotel operators within the proposed Service Area; the incorporators of the proposed Neighborhood Improvement District Management Association, the Philadelphia Hospitality Improvement Levy (PHiL) District Corporation (PHiL DC); and board members of the Greater Philadelphia Hotel Association; all of whom have been involved in the development of this Plan, and who now request that the Philadelphia Hospitality Improvement Levy (PHiL) District (PHiL District), as proposed by this Plan, be established by the City Council of Philadelphia.

As proposed, the PHiL DC is to be established as a nonprofit corporation under the Community and Economic Improvement Act, Act of December 21, 1998, P.L. 1307, No. 174 (53 P.S. §18101 *et. seq.*) ("Act"), to manage the PHiL District. In accordance with the requirements of the Act, the petitioners hereby propose the Preliminary Plan for the PHiL District which includes: the boundaries of and a map of the District (Exhibit A-1); a list of properties to be included in the District and subject to District assessment (Exhibit A-2); the proposed Service Area of the District; the proposed programs and services to be provided by the PHiL DC during the life of the PHiL District; a proposed budget for the five fiscal years of PHiL District operations for which assessments are proposed, expected to commence January 1, 2018 (Exhibit A-3); and a detailed description of revenue sources for financing all proposed programs and services. In addition, attached to this Preliminary Plan are bylaws for the proposed PHiL District management association, PHiL DC (Exhibit A-4).

1. NAME

The name of the neighborhood improvement district is the Philadelphia Hospitality Improvement Levy District (PHiL District).

2. PHiL DISTRICT BOUNDARY AND SERVICE AREA

The PHiL District boundary, depicted in the map attached as Exhibit A-1, includes certain taxable (for real estate purposes) hotels defined as properties on which a for-profit business is operating that furnishes fifty (50) rooms or more for rent on a nightly basis to the public within the boundaries of the City of Philadelphia.

A list of properties proposed to be assessed was compiled with the assistance of the City of Philadelphia and reviewed and accepted by the PHiL DC, and is attached as Exhibit A-2. This list shall be definitive as to whether a property is within the PHiL District. All non-hotel properties located within the PHiL District boundaries will not be assessed.

The Service Area map is attached as Exhibit A-1. It includes all of the City of Philadelphia.

3. PHiL DISTRICT MANAGEMENT

PHiL DC, a Pennsylvania registered nonprofit corporation, is designated as the Neighborhood Improvement District Management Association in accordance with the ordinance incorporating this Plan and the Act. As such, PHiL DC is authorized to exercise all powers granted by the Act, the ordinance authorizing the establishment of the PHiL District, the bylaws of PHiL DC and those general powers, rights and obligations granted to or placed upon Pennsylvania nonprofit corporations. The PHiL DC will be governed by a board of directors. The board will be comprised of fifteen (15) voting members and three (3) ex-officio members. Appointments to and vacancies on the PHiL DC Board of non-permanent seats shall be filled by the Greater Philadelphia Hotel Association (GPHA).

Voting member seats shall be allocated as follows:

- Four (4) members representing convention hotel properties. The Downtown Marriott, Loews, and Sheraton hotel properties shall have a permanent seat on the PHiL DC Board. The remaining convention hotel property representative shall represent any other convention hotel property as determined by the

GPHA.

- Six (6) members representing Center City (non-convention) hotel properties.
- One (1) member representing Waterfront/University City hotel properties.
- One (1) member representing City Avenue/Northeast Philadelphia hotel properties.
- Two (2) members representing Navy Yard/Airport hotel properties.
- One (1) member representing the Commerce Director of the City of Philadelphia.

Ex-officio non-voting member seats shall be allocated as follows:

- One (1) seat for the GPHA Executive Director.
- One (1) seat for a representative of the Philadelphia Convention and Visitors Bureau.
- One (1) seat for a representative of Visit Philadelphia.

4. PROGRAM DESCRIPTION

PHiL DC will undertake two sets of activities. Each activity, Programs and Services and Personnel and Administration, will be implemented with the oversight and participation of committees established by the board of PHiL DC to provide guidance for the proposed work and input as to how these activities will be implemented in the PHiL District.

The cost of programs are based on previous years' missed opportunities to bid on events due to lack of financial resources, on the competitive set of other destinations similar to Philadelphia, and previous PHiL Fund and administration budgets. Over a two-year period (2015-2016), Philadelphia hotel businesses lost potential room night sales from at least four lost events due to lack of financial resources, and missed at least six other opportunities to bring a citywide event to Philadelphia. Combined these events would have generated more than 202,000 room night stays and represent a total loss of at least \$27.8 million in hotel room revenue. Total funds needed to compete for the 10 events was \$7.7 million. Based on this information, the PHiL District projects it will need at least \$5.8 million in PHiL funds to remain competitive in maintaining and attracting new city-wide meetings, conventions, and sporting and marquee events to increase room night sales for hotel properties paying the assessment.

A. Programs and Services

PHiL Fund

The Programs and Services budget will be dedicated to expanding existing efforts to attract overnight visitors to Philadelphia. The Programs and Services budget will provide financial incentives to maintain and attract new meetings, conventions, and sporting and other events that have a significant impact on hotel room demand in Philadelphia. This includes providing incentives to attract marquee events that previously could not be pursued due to insufficient funding. The additional funding for new opportunities will give Philadelphia a competitive edge against other markets and will result in both short and long-term gains for assessed hotel properties and the City of Philadelphia. During PHiL District years two through five, the PHiL District will continue to fund new and multi-year incentives to attract events which are designed to increase room night stays at assessed hotel properties.

The PHiL Fund will be used to:

1. Pursue city-wide conventions and events, marquee events and conferences, and sporting and cultural events.
2. Pursue such events that create a large demand for hotel room nights and thus bring a significant economic impact to the City of Philadelphia.
3. Compensate pursued events for expenses they would incur if the event were held in Philadelphia. Authorized expenses for pursued events include, but are not limited to, costs for facility rental, transportation, and event services.

4. Remaining revenues may be used for marketing and sales programs designed to increase overnight visitation and room night sales at assessed hotel properties.

B. Personnel and Administration

PHiL DC personnel will:

1. Communicate with PHiL District stakeholders and facilitate communication among stakeholders and the board.
2. Operate the PHiL District and PHiL DC in a transparent manner.
3. Create opportunities for stakeholders to participate in the governance and operations of the PHiL DC.
4. Implement the enabling ordinance and exercise the powers granted the PHiL District and PHiL DC under state statute, including the making and collection of the assessment.
5. Advocate and coordinate actions with public agencies and elected officials.
6. Implement or facilitate the implementation of Programs and Services portion of this Plan.
7. Represent, coordinate and advocate for the PHiL District with public, private and nonprofit sectors whose actions impact the economic well-being of PHiL District hotel property owners and hotel businesses.

Specific funding and scoring guidelines will be adopted by the PHiL DC board within three months of adoption of the authorizing ordinance. Prior to allocating funding, the PHiL DC board shall be required to calculate the estimated measureable return on investment (ROI) for all non-administrative expenditures of assessment funds. ROI shall be based on estimated room night sales for programming or event expenditures. Actual ROI results shall be calculated following the conclusion of the program or event to confirm initial estimates for record-keeping. For multi-year programs, actual ROI will be calculated annually.

5. SOURCE OF FUNDS

It is anticipated that all of the activities identified in this Plan will be paid for via the assessment placed on eligible hotel properties within the PHiL District, as set by the PHiL DC. The initial annual assessment rate shall be up to three-quarters of one percent (0.75%) of gross short-term guest sleeping room rental revenue, as detailed in part 8 below, but in no event shall it exceed an amount in a fiscal year that produces more than the budgeted amount for such fiscal year.

6. BUDGET

The PHiL District is expected to have a first year budget of approximately \$5,800,000, based on the cost of programs detailed in Section 4 and the assessment rate presented below. The cost of programs and services is the amount needed to make Philadelphia competitive with other cities by enticing meetings, conventions, sporting events and marquee events to Philadelphia and marketing such events. The estimated budget for 2018 was calculated using hotel property performance data from STR, a source for premium global data benchmarking, analytics and marketplace insights.

To estimate the total revenue a 0.75% assessment would generate, the following calculations and assumptions were made:

Expected Revenue Generated from PHiL District Assessment	
	2018
Philadelphia Hotels	\$851,237,674

Less Properties with less than 50 rooms ¹	\$17,510,225
Total Projected Hotel Revenue	\$833,727,449
Less Exemptions (7%) ²	\$58,360,921
Total Net Revenue	\$775,366,527
Revenue From Assessment (0.75%)	\$5,815,249

Revenues are to be divided among the two core budget categories identified in state law with Programs and Services receiving 90% of the budget (\$5,220,000) and Personnel and Administration receiving 10% of the budget (\$580,000). The PHIL DC Board shall have the authority to adjust budget allocations between the categories by no more than five percent (5%) of the total budget per year. The table below sets forth the estimated budget for each year of the PHIL District’s first five (5) years. A five percent (5%) annual increase in the total budget is shown below, to account for annual increases in the costs of programs and services.

Because PHIL DC is a new organization, it is understood that there will be additional first year administrative costs associated with acquiring equipment, furniture, computer software and other materials related to the launch of the organization. It is anticipated that these costs will be reduced in years two through five.

Year	Programs & Services	Personnel & Administration	TOTAL
2018	\$4,942,962	\$872,287	\$5,815,249
2019	\$5,495,410	\$610,601	\$6,106,011
2020	\$5,770,181	\$641,131	\$6,411,312
2021	\$6,058,690	\$673,188	\$6,731,878
2022	\$6,361,624	\$706,847	\$7,068,472
TOTAL	\$28,919,629	\$3,213,292	\$32,132,922

7. FISCAL YEAR

As required by state law, each fiscal year for the PHIL District will begin on January 1, starting with January 1, 2018. Notwithstanding this, the PHIL DC board shall be authorized to incur those expenses during the prior fiscal year associated with incorporation of the PHIL DC, organizing the annual meeting to hold elections for board membership as delineated in the bylaws, paying staff and related office costs, including the purchase of equipment and renting of office space and other tasks associated with the establishing of organizational capacity. With the exception of costs associated with incorporation or related legal expenses, none of the above costs shall be incurred by the PHIL DC prior to final approval of the ordinance authorizing the PHIL District. If loans are used to cover costs incurred during the prior fiscal year, this money shall be repaid in its entirety during calendar year 2018.

8. COST-SHARING FORMULA

A. PROPERTIES SUBJECT TO THE ASSESSMENT

All taxable hotels, with fifty (50) or more rooms, within the PHIL District, as described in Section 2, shall be subject to the PHIL District assessment. No property that does not meet this criteria shall be assessed. To be assessed, each individual parcel must contain a hotel facility with fifty (50) or more rooms.

¹ 9 hotel properties in Philadelphia have less than 50 rooms. The estimated revenue generated by these hotel properties has been calculated using 2016 averages for Center City Philadelphia.

² Based on historical collections of the hotel tax, it is projected that 7% of hotel property revenue will not be assessed due to various exemptions that apply to the assessment as detailed in Section 8(B).

Properties not assessed are not eligible for membership in the PHiL DC, except as indicated in the PHiL DC bylaws.

The PHiL DC shall amend this plan to include any property within the PHiL District boundary that is not subject to the assessment, but which at a subsequent date converts to a usage that is subject to the assessment. Conversely, any property currently subject to the PHiL which is converted to an exempt purpose may petition the PHiL DC board to be designated exempt with such exemption to commence with the next PHiL District fiscal year.

The assessment is levied upon and is a direct obligation of the assessed hotel. However, the assessed hotel may, at its discretion, pass the assessment on to guests. The amount of the assessment, if passed on to each guest, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each guest shall receive a receipt for payment from the taxable hotel. The assessment shall be disclosed as the "Philadelphia Hospitality Improvement Levy (PHiL)."

B. METHOD OF ASSESSMENT

The initial annual assessment rate, as set by the PHiL DC, shall be three-quarters of one percent (0.75%) of gross short-term guest sleeping room rental revenue. The assessment shall not be collected on: stays of more than thirty (30) consecutive days; complimentary rooms provided by the hotel business owner at no cost to the guest; or stays pursuant to contracts executed prior to July 1, 2017, including contracted stays for airline crews.

C. ROLLOVER FUNDS

Any and all unused assessment funds collected during a year may be rolled over to the subsequent year to be used for programs detailed in Section 4. All funds not expended for programs during the PHiL District's first five (5) years of operation shall be refunded to the owners of assessed hotel properties on a pro rata basis based on assessments paid, unless additional budget years for the PHiL District are approved, in which case any remaining funds from the PHiL District shall remain available for use for the PHiL District.

D. COLLECTIONS/PROPERTY LIENS

Each assessment authorized pursuant to this ordinance is collectable. The PHiL DC will be responsible for making and collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each hotel property located in the boundaries of the PHiL District.

The assessment shall be due on the 15th day of the month following the close of each month. Assessed hotel properties shall include a copy of their remittance form for the Philadelphia Hotel Room Rental Tax to verify the amount of assessed room rental revenue for the reporting period. On the 16th day of the month following the close of each month for which the assessment has been calculated and continuing thereafter until the assessment is paid, the PHiL DC has the authority to charge one and one-half percent (1.5%) interest per month on any unpaid assessment or unpaid portion of an assessment.

In addition to the assessment and any interest penalties, a penalty of \$100 per lien shall be added to principal and interest to cover costs associated with the filing of the lien. All lien satisfactions must be paid in cash or with certified funds.

9. TIME FOR COMPLETION OF ALL PROPOSED PROGRAMS AND SERVICES

All programs and services identified in the Plan will commence during the first year of PHiL District activity and continue on an ongoing basis throughout the life of the approved Plan, until December 31, 2022. Per the PHiL DC bylaws, the Board shall prepare and present for member comment an annual activity plan at the Annual Meeting beginning in year two.

10. TERMINATION OF THE PHiL DISTRICT

Assessed hotel property owners intend to submit a request for termination of the PHiL District to the City Council of Philadelphia should any of the following events occur:

- City Council levies new taxes, fees, assessments, or charges on hotels in excess of the current charges;
- Hotel members of the PHiL DC vote to approve termination of the PHiL District;
- Existing hotel tax revenue allocations are diverted away from the hospitality industry.

11. OFFICES OF PHiL DC

The offices of PHiL DC are located at 1617 John F. Kennedy Boulevard, Suite 810, Philadelphia, PA 19103. The offices may be relocated at the pleasure of the organization's Board of Directors in accordance with the organization's bylaws and upon notification of the Clerk of the City of Philadelphia.

12. SPECIFIC DUTIES AND RESPONSIBILITIES OF THE CITY OF PHILADELPHIA AND PHiL DC WITH RESPECT TO THE DISTRICT

- A.** The City will be responsible for maintaining the same level of municipal programs and services within the PHiL District during its duration as a neighborhood improvement district as before its establishment as a neighborhood improvement district.
- B.** The PHiL DC will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each hotel property located in the boundaries of the PHiL District. 13. AGREEMENT WITH THE CITY OF PHILADELPHIA

A written agreement will be signed by the City and PHiL DC containing the following provisions:

- A.** The respective duties of the City and PHiL DC with respect to the District as set forth in part 12 above;
- B.** The City's agreement to maintain within the PHiL District the same level of municipal programs and services that were provided within the PHiL District before its establishment;
- C.** A "sunset provision" under which the agreement will expire in approximately five years on December 31, 2022, and not be renewed unless the PHiL District is continued beyond that date pursuant to reenactment of the ordinance establishing the PHiL District; and
- D.** The City's agreement to file any necessary liens for nonpayment of property assessments as set forth in the Act at 53 P.S. §18107 (a)(10).

14. PROCEDURE FOR DEFEAT OF PHiL DISTRICT ESTABLISHMENT

Affected property owners representing ownership of at least one-third of the affected properties within the PHiL District or affected property owners within the PHiL District whose property valuation, as assessed for taxable

purposes, amounts to one-third of the total property valuation of affected property owners, shall be required to defeat the establishment of the proposed PHiL District by filing objections with the Clerk of City Council within forty-five (45) days of presentation of the final plan.

15. BY-LAWS OF PHiL DC

ARTICLE IX

DIRECTORS' RESPONSIBILITIES & CONFLICT OF INTEREST POLICY

Section 9.1

Directors' Responsibilities

A member of the Corporation shall stand in a fiduciary relation to the Corporation and shall perform his/her duties as a Director or Officer, including his/her duties as a member of any committee of the Board upon which he/she may serve, in good faith, in a manner he/she reasonably believes to be in the best interests of the Corporation, and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances. In performing his/her duties, a Director or Officer shall be entitled to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared by any of the following:

(1) One or more officers or employees of the Corporation whom the Director reasonably believes to be reliable and competent in the matters presented.

(2) Legal Counsel, public accountants or other persons as to matters which the Director reasonably believes to be within the professional or expert competence of such person.

(3) A committee of the Board upon which he/she does not serve, duly designated in accordance with law, as to matters within its designated authority, which the Director reasonably believes to merit confidence.

A Director shall not be considered to be acting in good faith if he has knowledge concerning the matter in question that would cause his/her reliance to be unwarranted.

In discharging the duties of their respective positions, the Board of Directors, Officers, committees of the Board and individual Directors may, in considering the best interests of the Corporation, consider the effects of any action upon employees, upon the Philadelphia hospitality community, and all other pertinent factors. The consideration of those factors shall not constitute a violation of this section.

Absent breach of fiduciary duty, lack of good faith or self-dealing, actions taken as a Director or Officer or any failure to take any action shall be presumed to be in the best interests of the Corporation.

Section 9.2

Conflict of Interest Policy

(a) Purpose. The purpose of the conflict of interest policy is to protect the Corporation's interests when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Corporation or might result in a possible excess benefit transaction ("excess benefit transaction" is defined as a transaction in which an economic benefit is provided by an applicable tax-exempt organization, directly or indirectly, to or for the use of a disqualified person, and the value of the economic benefit provided by the organization exceeds the value of the consideration received by the organization). This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit organizations.

(b) Definitions.

(i) Interested Person. Any director, principal officer, or member of a committee with Board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

(ii) Financial Interest. A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

(A) An ownership or investment interest in any entity with which the Corporation has a transaction or arrangement,

(B) A compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement,

(C) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual

with which the Corporation is negotiating a transaction or arrangement.

(D) A real or potential interest (financial or otherwise), or the appearance thereof, in a matter that is subject to a discussion or action by the Board of Directors or any committee thereof, which interest is greater than the interest of a member of the Board generally.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the Board of Directors or appropriate committee decides that a conflict of interest exists.

(c) Procedures.

(i) Duty to Disclose. In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with Board delegated powers considering the proposed transaction or arrangement.

(ii) Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board members shall decide if a conflict of interest exists.

(iii) Procedures for Addressing the Conflict of Interest.

(A) An interested person may make a presentation at the Board of Directors or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

(B) The chairperson of the Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

(C) After exercising due diligence, the Board or committee shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

(D) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Corporation's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

(iv) Violations of the Conflicts of Interest Policy.

(A) If the Board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

(B) If, after hearing the member's response and after making further investigation as warranted by the circumstances, the Board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

(d) Records of Proceedings.

The minutes of the Board and all committees with Board delegated powers shall contain:

(i) The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was

present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.

(ii) The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

(e) Compensation.

(i) A voting member of the Board who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.

(ii) A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation for services is precluded from voting on matters pertaining to that member's compensation.

(iii) No voting member of the Board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

ARTICLE X PERSONAL LIABILITY AND INDEMNIFICATION

Section 10.1

Personal Liability of Directors

A Director of this Corporation shall not be personally liable for monetary damages as such for any action taken or any failure to take any action unless (a) the Director has breached or failed to perform the duties of his or her office under subchapter B of the Pennsylvania Non-profit Corporation Law of the Pennsylvania Directors' Liability Act (which, as amended from time to time, is hereafter called the "Non-profit Corporation Law") and (b) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. This section shall not, except as otherwise provided in Section 8332.2 of Title 42 of the Pennsylvania Consolidated Statutes, limit a Director's liability for monetary damages to the extent prohibited by Section of the Non-profit Corporation Law.

Section 10.2

Mandatory Indemnification

The Corporation shall, to the fullest extent permitted by applicable law, indemnify its members, directors and officers who were or are a party or are threatened to be made a party to whether civil, criminal, administrative or investigative (whether or not such action, suit or proceeding arises or arose by or in the right member, director or officer is or was a member, director or officer the Corporation or other entity) by reason of the fact that such member, director or officer is or was a member, director or officer of the Corporation or is or was serving at the request of

the Corporation of another corporation, partnership, joint venture, trust or other enterprise (including service with respect to employee benefit plans), against expenses (including but not limited to attorneys' fees and costs), judgments, fines (including excise taxes assessed on a person with respect to any employee benefit plan) and amounts paid in settlement actually and reasonable incurred by such director or officer in connection with such action, suit or proceeding except as otherwise provided in Section 4 of this Article. Persons who were members, directors or officers of the Corporation prior to the date this Article XI is approved by members of the Corporation, but who do not hold such office on or after such date, shall not be covered by this Article XI. A director or officer of the Corporation entitled to indemnification under this section is hereafter called a "person covered by Section 10.2".

Section 10.3

Expenses

Expenses incurred by a person in defending a threatened, pending or completed civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt by the Corporation of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation, except otherwise provided in section 4 of Article XI.

Section 10.4

Exceptions
