LENDING RESULTS

HOME PURCHASE

- Per the 2009 Econsult Lending Study Wells Fargo received the highest home purchase lending composite score among all of the ranked depositories, exceeding the next highest ranked lender by nearly nine points, indicating significantly better performance than those lenders and lenders in the city as a whole.
- Wells Fargo was by far the largest mortgage lender in the city of Philadelphia in 2009 originating 3,665 prime loans and was responsible for 46% of all prime loans made by city depositories, 42% of prime home purchase loans and 49% of prime refinance loans. Overall, the study shows we originated were more than twice as many loans in the city as the next largest lender.
- The number of loan applications increased by 55.6% and denials decreased by 18.8% in 2009.

- From 2008-2009, Wells Fargo/Wachovia's originations rebounded significantly from lending declines experienced by Wachovia in 2008.

- Compared with 2008, Wells Fargo posted a substantial 141% gain in prime home lending in the city of Philadelphia in 2009, with growth concentrated in the home purchase segment, far outpacing lending growth at other city depositories. Wells Fargo's prime home purchase lending grew by 169% and Wells Fargo's our prime refinance units grew by 105%.
- Wells Fargo prime home lending to African American and Hispanic borrowers in the city increased, while city depositories as a group saw lending to these groups decline.

Loans LMI Tracts	1630	805	105%	2419	2950	-18%

- Wells Fargo met or exceeded City benchmark percentage of loans to Hispanics, Asian and female borrowers. In 2008, Wells Fargo/Wachovia ranked last in percentage of prime loans to female borrowers.
- While Wells Fargo did not meet or exceed City averages in percent of loans to African American, minority tract, LMI borrower and LMI tract borrowers; however, penetration rates for lending to African Americans, LMI borrowers and minority tracts increased significantly from 2008. Penetration rates were lower than other City Depositories as a whole.

Home Purchase Loans, Philadelphia	2009 Wells Fargo Penetration %	2008 Wachovia Penetration %	2009 All Depositories Penetration %	2008 All Depositories Penetration %
Loans to African Americans	21.3	9.4	24	25
Loans to Hispanics	7.5	6.8	7	7
Loans Minority Tracts	32.6	8.9	36	36
Loans LMI Borrowers	55.3	40.2	64	50
Loans LMI Tracts	54.5	52.2	59	53

- Achieving higher penetration rates is very difficult given Wells Fargo's significantly higher loan volume. Nonetheless, we continue to partner with our community-based nonprofit partners, housing counseling partners and minority realtor groups to increase fair and responsible lending opportunities for homeowners in the Philadelphia communities.
- For 2009, Wells Fargo's LMI neighborhood lending goal was 2323 units. Wells Fargo was able to reach 95% of the established target by making 2,206 home loans in those neighborhoods and more than doubled lending there despite a 14% decline in mortgage lending in Philadelphia.
- Denial disparity ratios for Wells Fargo were in-line with the other depositories and in most cases were better than the other depositories as a whole.

Denial Ratios All Prime	African American	Hispanic	Asian	Minority Tract
Wells Fargo 2009	1.52	1.45	1.31	1.45
Wachovia 2008	1.57	1.66	1.06	1.51
All Depositories 2009	1.9	2.05	1.42	1.63
All Depositories 2008	1.63	1.67	1.17	1.46

Denial Ratios Home Purchase	African American	Hispanic	Asian	Minority Tract
Wells Fargo 2009	1.61	1.57	1.81	1.54
Wachovia 2008	1.87	1.39	0.9	1.9
All Depositories 2009	1.5	1.62	1.45	1.53
All Depositories 2008	1.39	1.55	1.22	1.45

Denial Ratios Refinance	African American	Hispanic	Asian	Minority Tract
Wells Fargo 2009	1.48	1.47	1.28	1.4
Wachovia 2008	1.44	1.74	1.11	1.38
All Depositories 2009	1.92	2.23	1.59	1.51
All Depositories 2008	1.56	1.67	1.23	1.33

- Higher denial rates for minority borrowers reflect differences in credit and transaction risk.
- As authors of the Econsult report themselves points out and the Federal Reserve has repeatedly emphasized, HMDA data alone cannot be used to show racial discrimination. Certain risk factors, such as credit scores, the loan-to-value ratio and type of property are not included in the data. For Wells Fargo, these factors help explain our loan approval decisions.
- Wells Fargo’s commitment to fair and responsible lending is reflected in the report’s findings, which cite the company as “a national industry leader on anti-predatory issues.”

HOME REFINANCE

In 2009, Wells Fargo ranked 1st in the number of loans originated among all City Depositories. Wells Fargo issued 2,145 prime home refinance loans in 2009 which was more than twice the 1,045 refinance loans issued in 2008. Moreover, in 2009, Wells Fargo met or exceeded all city benchmarks for lending to African American, Hispanic and Asian borrowers.

From 2008 to 2009, home refinance loan applications (among peer City depositories) increased by 8.9% and loan originations increased by 51%. Wells Fargo’s applications increased 11% and loan originations in this category were more than double those in 2008. Our loan decisions are based on risk, including credit, loan-to-value and debt-to-income. To the extent there are differences among various groups, they are due to differences in credit risk.

- Met or exceeded City benchmarks for percentage of loans to African American, Hispanic and Asian borrowers.
- Ranked 8th in percent of loans to LMI borrowers in 2009.
- Ranked 1st in denial ratio of Hispanic to white borrowers and met or exceeded City benchmarks for the other three denial categories.

The Wachovia Regional Foundation has also provided an additional \$3.1 Million in LMI communities. Contributions through 2011 are anticipated to be \$24 million assuming continuation of the economic recovery.

FORECLOSURE PREVENTION

- Wells Fargo is implementing a strategy to minimize foreclosures and partner with the City of Philadelphia and local nonprofit organizations to implement their \$16.8 million NSPI and \$43.9 million NSPII grants increasing the efforts to get vacant properties occupied again and strengthen neighborhoods in the City of Philadelphia, which is an important community for Wells Fargo, its customers, and team members.
- Wells Fargo currently participates in the Philadelphia "FIRST LOOK" program and will work with the City Attorney, designated City officials (City of Philadelphia Redevelopment Authority, Office of Housing & Community Development), and non profit housing officials to identify properties Wells Fargo owns or services for another owner in the City of Philadelphia

that may be available for sale, donation, or discount in neighborhoods identified as a local priority.

- In markets hit hard by foreclosures, we have accelerated our modification efforts by hosting large-scale Home Preservation Events. For Wells Fargo Home Mortgage customers who attend, many receive modifications on the spot or within a short period after the event. A Home Preservation Event took place on September 11 & 12, 2010 at the Pennsylvania Convention Center:
 - More than 14,000 Wells Fargo & Wachovia customers in the Philadelphia area were invited
 - We had a total of 542 appointments during the two day event.
 - Workout results for loans reviewed at the event as of 05/20/2011
 - 100% have received a final decision
 - 70% have been approved for some kind of a workout option – 90% of those were modifications
 - 30% were denied or cancelled by the borrower

A second Home Preservation event is tentatively scheduled to be held at the Philadelphia Convention Center October 5 & 6, 2011; Wells Fargo is committed to work with the City of Philadelphia to reach as many of its customers as we can to provide guidance for staying in their homes

- We have instituted a 1:1 customer ownership model where our borrowers are assigned a direct contact (agent), who will work with them on identifying what options are available to stay in their home. It is a national model/best practice and is now being implemented throughout the industry.
- We continue to work with trusted 3rd parties in the community to work with our customers in mortgage distress. This includes non-profit housing counselors, faith-based leaders including the NAACP, the Philadelphia Black Clergy and the Hispanic Clergy of Philadelphia, officials from the city's mediation & diversion program, and elected officials.
- Wells Fargo works with the Urban Affairs Coalition (UAC) through the Foreclosure Prevention Task Force to create the Foreclosure Prevention Resource Guide – a how to guide for housing professionals, homeowners and others who are faced with potential foreclosure issues. The guide is free and it is available online at www.gpuac.org/foreclosurehelp.htm or to receive a free hard copy, e-mail foreclosureguide@gpuac.org
- Wells Fargo has also worked with the National Urban League to co-sponsor a new edition of The Foreclosure Workbook: The Complete Guide to Understanding Foreclosure and Saving Your Home by author Carla Douglin. The book is available free-of-charge to homeowners across the nation who are experiencing challenges making their mortgage payments and who may face potential foreclosure.

HOME IMPROVEMENT LOANS

In 2009, Wells Fargo ranked 1st in the number of loans originated among all City Depositories. The Bank met or exceeded City averages for loans to Hispanic, Asian minority tract and LMI tract borrowers and was 1st in percentage of loans to Hispanic borrowers for the second year in a row.

From 2008 to 2009, home improvement loan applications (among peer City depositories) decreased by 36% and loan originations decreased 38%. Wells Fargo issued 101 Home Improvement Loans in 2009, more than two times the number of loans issued in 2008. While Wells Fargo did not meet or exceed the City averages for any of the denial ratio categories, our loan decisions are always based on risk, including credit, loan-to-value and debt-to-income. To the extent there are differences among various groups, they are due to differences in credit risk.

Strategy: To recover, rebuild and sustain homeownership, including offering assistance and guidance to communities to plan their use of available Housing Economic Recovery Act dollars.

- Through the *Renew, Restore, Rebuild* Program, Wells Fargo provides education, guidance and government-backed renovation loan products to include: Financing options for purchase and renovation of residential properties using government-backed FHA renovation financing, FHA 203k Streamline renovation loan and Standard FHA 203k renovation loan.

Our plan for 2011 and beyond is to continue to lend responsibly to all consumer groups, partner with non-profits and City Government to support city-wide lending initiatives and identify products that meet community needs.
