

EXHIBIT "B"

MODIFICATIONS TO REPORT ISSUED BY THE JOINT COMMITTEES ON
TRANSPORTATION AND PUBLIC UTILITIES AND THE ENVIRONMENT

Note:

~~Strikethrough~~ indicates matter deleted.

Bold indicates matter added.

1. Paragraph 8 on page 31 of the Report is adopted with the following modifications:
 8. The Philadelphia Gas Works should continue its practice of not **directly** purchasing Marcellus Shale gas **so long as it is responsible and is consistent with the least cost fuel procurement requirement of state law.**
2. Paragraph 9 on page 31 of the Report is adopted with the following modifications:
 9. The Philadelphia Gas Commission should ~~adopt~~ **develop** policies ~~that allow~~ **whereby** the Philadelphia Gas Works **could, once the EPA study and cumulative impact studies are complete, discuss with the Pennsylvania Public Utility Commission incorporating** ~~to calculate the~~ environmental costs/**impacts** of Marcellus Shale gas and other gas supplies in accordance ~~within their~~ **the least cost fuel procurement calculation requirement in a responsible manner.**
