

# City of Philadelphia Economic Opportunity Plan

## RIVER WALK

### I. Introduction, Definitions and Goals.

The City of Philadelphia strongly encourages the use of certified Minority ("MBE"), Women ("WBE"), Disabled ("DSBE") and Disadvantaged<sup>1</sup> ("DBEs") Business Enterprises (collectively, "M/W/DSBEs") and minority and female workers in various aspects of the design and construction of the development to be known as RIVER WALK (the "Project") at **2301 John F. Kennedy Boulevard** and **60 North 23<sup>rd</sup> Street** (the "Site"). In support of this objective, the City of Philadelphia will require that **NP International** (the "Owner") of the Project commit to this Economic Opportunity Plan ("EOP" or "Plan"). This Plan contains ranges of projected M/W/DSBE utilization and goals for the employment of minority and female workers in connection with the Project at the Site. This Plan shall be a part of and incorporated into the resulting agreement(s) with the owners of the **RIVER WALK**.

The Owner hereby verifies that all information submitted to the Office of Economic Opportunity ("OEO") in response to this Plan, is true and correct and take notice that the submission of false information is subject to the penalties of 18 PA C. S. Section 4904, relating to unsworn falsification to authorities and 18 PA C. S. Section 4107.2 (a)(4), relating to fraud in connection with minority business enterprises or women's business enterprises.

For the purposes of this Plan, MBE, WBE, DBE and DSBE shall refer to certified businesses so recognized by OEO. Only the work or supply effort of firms that are certified as M/W/DSBEs by an OEO approved certifying agency<sup>2</sup> will be eligible to receive credit as a Best and Good Faith Effort. In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at [www.phila.gov/oeo/directory](http://www.phila.gov/oeo/directory).

For this Plan, the term "Best and Good Faith Efforts," the sufficiency of which shall be in the sole determination of the City, means: efforts, the scope, intensity and appropriateness of which are designed and performed to foster meaningful and representative opportunities for participation by M/W/DSBEs and an appropriately diverse workforce and to achieve

<sup>1</sup> Disadvantaged Business Enterprises ("DBEs") are those socially or economically disadvantaged minority and woman owned businesses certified under 49 C.F.R. Part 26.

<sup>2</sup> A list of "OEO approved certifying agencies" can be found at [www.phila.gov/oeo](http://www.phila.gov/oeo)

the objectives herein stated. Best and Good Faith Efforts are rebuttably presumed met when commitments are made within the M/W/DSBE participation ranges established for the improvements and a commitment is made to employ a diverse workforce as enumerated herein.

**II. Project Scope.**

The River Walk Project is a mixed use development totaling more than \$400 million in development cost with over \$375 million in hard construction costs. The project will include over 1.6 million square feet of development on two adjacent sites. The River Walk Project represents a proposed mixed use development located on the eastern bank of the Schuylkill River across from Philadelphia's 30th Street Station. The development includes a hotel, retail space, residential apartments, residential condominiums and townhomes, student housing, and parking.

**III. Goals.**

**A. M/W/DSBE Participation Ranges.**

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the Project. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g., MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The ranges are based upon an analysis of factors such as the size and scope of the improvements and the availability of MBEs, WBEs, DSBEs and DBEs to participate in the improvements:

The following contract goals have been set for the Project:

<b>Contracts</b>	<b>Minority Owned</b>	<b>Female Owned</b>	<b>Total</b>
<b>Professional Services</b>	5-10%	4-9%	9-19%
<b>Construction</b>	20-25%	5-10%	25-35%

**B. Employment Goals.**

The following Construction contract goals have been set for the Project:

	<b>Local Residents</b>	
	35%	

**NP International** agrees to exhaust Best and Good Faith Efforts to employ minority persons and females in its workforce of apprentices and journeymen at the following levels<sup>3</sup>:

- Minority Journeymen - 32% of all journey hours worked across all trades.
- Female Journeypersons – 2% of all hours worked across all trades.
- Minority Apprentices - 50% of all hours worked by all apprentices.
- Female Apprentices - 7% of all hours worked by all apprentices.

**IV. Responsiveness.**

A. The Owner and relevant participants shall identify M/W/DSBE commitments and other agreements evidencing its intent to use Best and Good Faith efforts to employ minority persons and females at the levels stated herein. The identified commitments constitute a representation that the M/W/DSBE is capable of providing commercially useful goods or services relevant to the commitments and that the Owner and participants have entered into legally binding commitments or other legally binding agreements with the listed M/W/DSBEs for the work or supply effort described and the percentage amounts set forth. In calculating the percentage of M/W/DSBE participation, the standard mathematical rules apply in rounding off numbers.

B. M/W/DSBE commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with M/W/DSBEs, including the M/W/DSBE Participation and Workforce Commitments Form, become part of and an exhibit to the Agreement.

C. OEO reserves the right to request further documentation and/or clarifying information at any time during the construction of the Project to ensure that Best and Good Faith Efforts have been made.

---

<sup>3</sup> These goals, which have been adopted by the Economic Opportunity Cabinet, are the recommendations of the Mayor's Commission on Construction Industry Diversity.

## **V. Compliance and Monitoring of Best and Good Faith Efforts.**

A. To the extent required by law, the Owner shall ensure that its on-site contractors maintain certified payrolls which include a breakout of hours worked by minority and female apprentices and journeypersons. These documents are subject to inspection by OEO.

### **B. Prompt Payment of M/W/DSBEs.**

The Owner agrees and shall cause its contractors to ensure that M/W/DSBEs participating in the Project receive prompt payment for their work or supply effort within five (5) business days after receipt of a proper invoice following satisfactory performance.

### **C. Oversight Committee.**

The Owner and the City of Philadelphia, in consultation with the appropriate agencies and entities, will establish and identify the members of a Project Oversight Committee, including representatives from the Owner, the Developer and/or the General Contractor and Construction Manager, the Office of Economic Opportunity, City Council, community organizations and the Building Trades. Participants will engage in monitoring, reporting and problem solving activities which are to include regular meetings to address all matters relevant to further development of the Plan, carrying out its implementation and the successful completion of the Project.

### **D. Reporting.**

The Owner agrees to file an annual report with the City of Philadelphia and City Council concerning the performance of the Economic Opportunity Plan through the duration of the Project. In addition, during construction, the Owner will provide "snapshot" reports containing updates for certain categories of information contained in its annual report on a monthly basis during construction. Snapshot reporting will include: (i) utilization of M/W/DSBEs and/or DBEs, and (ii) the hiring and employment of minorities and females. All reports (quarterly & annually) provided to the City under this section will also be provided to the Office of Economic Opportunity.

## **VI. Remedies and Penalties for Non-Compliance.**

A. The Owner agrees that its compliance with the requirements of this Plan is material to the Agreement. Failure to comply with the Plan may constitute a substantial breach of the Agreement and is subject to the remedies and penalties contained therein or otherwise available at law or in equity. Notwithstanding the foregoing, no privity of contract exists between the City and any M/W/DSBE identified in any contract resulting from implementation of the Plan. Neither the Owner nor the City intends to give or confer upon any such M/W/DSBE any legal rights or remedies in connection with subcontracted

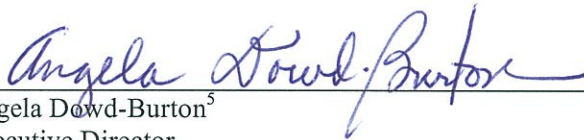

services under any law or policy or by any reason of any contract resulting from implementation of the Plan except such rights or remedies that the M/W/DSBE may seek as a private cause of action under any legally binding contract to which it may be a party.
