COMMUNITY INVOLVEMENT AND INVESTMENT

Citizens Bank's strong commitment to servicing the critical needs of the neighborhoods where the Bank conducts business is reflected in its community development investments and charitable contributions. Citizens Helping Citizens is the bank's comprehensive community engagement effort that leverages the strengths of the company and the skills of its colleagues to enhance the communities where it does business.

In 2018, Citizens Bank contributed \$14 million to support community activities and events across its footprint. Citizens Bank colleagues contributed more than 133,000 volunteer hours and executives provided leadership by serving on community boards and championing efforts to raise awareness and funds for key causes.

Funding priorities for 2018 consist of program support in four specific areas that fortify the economic vitality of our neighborhoods: fighting hunger; teaching money management, strengthening communities and workforce development. Signature initiatives include:

- **Champions in Action** – Since 2004, Citizens has awarded over \$1.3 million to 47 organizations in the Greater Philadelphia area through Champions in Action, a unique initiative designed to provide financial, volunteer, and promotional support for nonprofit organizations that are addressing the needs and social challenges of our diverse neighborhoods. In Philadelphia, we've partnered with NBC10/Telemundo62 and Philadelphia Media Network on the program. In 2019, the first award was made to Philadelphia Outward Bound School in the category of Youth Leadership and the second award will be announced in July in the category of Veterans programming.
- **Citizens Helping Citizens Manage Money** – In 2019, Citizens Bank awarded \$220,000 to 12 nonprofits in Pennsylvania, New Jersey and Delaware as part of the Citizens Helping Citizens Manage Money initiative. Citizens' multi-faceted financial education program leverages the financial planning expertise of its bankers and its partnerships with local nonprofits focused on financial education. These organizations received a contribution in recognition of and to further support their commitments to teaching youth and adults about financial literacy and the importance of managing money effectively. (Note: The payment of these grants was in 2Q2019 and will be recorded in the chart in the second quarter update.)
- **Phans Feeding Families** – Citizens Bank has partnered with The Philadelphia Phillies in the Phans Feeding Families program since 2010. This initiative raises money and collects food to feed the nearly one million people in the Delaware Valley that are at risk of hunger. In 2018, Citizens Bank donated \$40,000 to the cause, with proceeds benefiting Philabundance, the region's largest hunger relief organization.
- In December 2018, Citizens Bank announced a \$100,000 contribution to strengthen job training and development for the Philadelphia maritime industry. The **Citizens Bank Maritime Training Center** is a collaboration with Citizens Bank, the Collegiate Consortium of Workforce Development, Philadelphia Works and PhilaPort. The center is a first-of-its-kind workforce development initiative that will provide formal, enhanced training opportunities such as forklift certification and recertification, yard jockey training and OSHA safety training. Classes will begin in summer 2019.

Other contributions were made to Children's Hospital of Pennsylvania for the South Philadelphia Community Center, Free Library of Philadelphia Job Fairs, LISC, Philadelphia Youth Network Work Ready Program, University City District's West Philadelphia Skills Initiative, the Project Home Adult Learning and Workforce Development,

Philadelphia OIC's Bankworks program, the Welcoming Center for New Pennsylvanians, Klein Life JCC's Senior Meals Program, the Food Trust, Greater Philadelphia Coalition Against Hunger, Wistar, Mural Arts and the National Constitution Center. Citizens Bank also provides funding to The African American Museum in Philadelphia to support subsidized admission throughout the Martin Luther King, Jr. Day weekend and is a member of the Chamber of Commerce of Greater Philadelphia and the Philadelphia Conventions and Visitors Bureau.

In June 2003, Citizens Bank and the Phillies announced a 25-year partnership that included naming rights to the team's new, world-class ballpark and a broad-based, innovative media package. Since Citizens Bank Park opened in 2004, Citizens Bank has worked with the Phillies to expand and enhance community outreach, including:

- Citizens Bank developed the Helping Hand Glove donation program for children who play in the Phillies Jr. RBI League. Each year more than 6,000 inner city children under the age of 12 participate in a program that teaches them about baseball, sportsmanship and teamwork. Since developing the program, Citizens Bank has purchased, collected and donated more than 10,000 baseball gloves to children who play in the Phillies Jr. RBI League.
- Since 2004, Citizens Bank has donated 1,500 game tickets each year to community groups throughout Greater Philadelphia.

COMMUNITY DEVELOPMENT

COMMUNITY DEVELOPMENT ACTIVITIES IN PHILADELPHIA

Citizens Bank understands that a good bank is at the heart of a community, and that investing in our communities enriches us all. That's why we partner with local non-profit organizations to build vital connections to help communities prosper. Organizations that we work with participate in a variety of community building activities including: helping individuals find affordable housing, workforce development, financial education, neighborhood revitalization and small business technical assistance.

One of the ways in which we implement our Community Development initiatives is through strong ongoing relationships with Community Partners.
