I. Introduction and Definitions

The City of Philadelphia strongly encourages the use of certified Minority ("MBE"), Women ("WBE"), Disabled ("DSBE") and Disadvantaged ("DBEs") Business Enterprises (collectively, "M/W/DSBEs") and minority and female workers in all aspects of Schuylkill Yards (the "Project") located in the area bounded by 30th Street, Chestnut Street, 31st Street, Market Street and 32nd Street to Arch Street ("the Site") which may include financial investment, design, construction, and operations.¹ In support of this objective, the City of Philadelphia will require that Brandywine Realty Trust (the "Owner") commit to this Economic Opportunity Plan ("EOP" or "Plan"). This Plan contains ranges of projected M/W/DSBE utilization and goals for the employment of minority and female workers in connection with the Project at the Site. This Plan shall be a part of and incorporated into the resulting agreement(s) with the owners of Schuylkill Yards.

The Owner hereby verifies that all information submitted to the Office of Economic Opportunity ("OEO") in response to this Plan is true and correct and takes notice that the submission of false information is subject to the penalties of 18 PA C. S. Section 4904, relating to unsworn falsification to authorities and 18 PA C. S. Section 4107.2 (a)(4), relating to fraud in connection with minority business enterprises or women's business enterprises.

For the purposes of this Plan, MBE, WBE, DBE and DSBE shall refer to certified businesses so recognized by OEO. Only the work or supply efforts of firms that are certified as M/W/DSBEs by an OEO-approved certifying agency will be eligible to receive credit as a Best and Good Faith Effort.² In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at www.phila.gov/oeo/directory.

For this Plan, the term "Best and Good Faith Efforts," the sufficiency of which shall be in the sole determination of the City, means: efforts, the scope, intensity and appropriateness of which are designed and performed to foster meaningful and representative opportunities for participation by M/W/DSBEs and an appropriately diverse workforce and to achieve the objectives herein stated. Best and Good Faith Efforts are rebuttably presumed met when commitments are made within the M/W/DSBE participation ranges established for the Project and a commitment is made to employ a diverse workforce as enumerated herein.

II. Project Scope

This Economic Opportunity Plan is being provided in connection with the development of Schuylkill Yards, a multi-year development encompassing 14 acres of underutilized land that is bounded by 30th Street, Chestnut Street, 31st Street (extended), Market Street, and 32nd Street to Arch Street (extended), excluding all portions of the rail yard.

Schuylkill Yards is intended to create a new dynamic mixed use center for Philadelphia's innovation economy providing office, residential and retail space, as well as classroom and laboratory space, and create a unique urban gateway to West Philadelphia that will be diverse, open and inviting to everyone.

III. Goals

A. M/W/DSBE Participation Ranges

¹ Disadvantaged Business Enterprises ("DBEs") are those socially or economically disadvantaged minority and woman owned businesses certified under 49 C.F.R. Part 26.

² A list of "OEO approved certifying agencies" can be found at www.phila.gov/oeo

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the entire Project. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g., MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The ranges are based upon an analysis of factors such as the size and scope of the Project and the availability of MBEs, WBEs, and DSBEs to participate in this development.

The following contract goals have been set for the Project:

Contracts	Minority Owned	Female Owned	DSBE	Total
Construction	25-30%	10-15%	BGFE	35-45%
Professional services	15-20%	5-15%	BGFE	20-35%

B. Employment Goals

The Owner agrees to exhaust its Best and Good Faith Efforts to employ minority persons, by race and ethnicity, and females in its workforce of apprentices and journeypersons at the following levels:

Race/Ethnicity	Laborer hours	Skilled hours	All hours
African American	30%	18%	22%
Hispanic	27%	10%	15%
Asian	3%	2%	4%
Total hours by sub-category	60%	30%	
Total hours			41%

Women		
Laborer hours	Skilled Hours	Total hours
5%	25-30%	10-15%

Apprentices	
Minority	50%
Female	7%

Local Residents
50%

The Owner will be required to submit to the City, no later than seven (7) days before the starting date of work on any such contract, a Workforce Diversity Goal Plan which shall include specific availability and utilization strategies for meeting the Workforce Diversity goals. The City's Labor Standards Unit shall have the responsibility of administering oversight of these Workforce Diversity Goals including evaluating the sufficiency of the Workforce Diversity Goal Plan, and monitoring the successful Bidder's Best and Good Faith Efforts towards realization of the goals throughout the duration of the contract.
