### PROJECT DESCRIPTIONS

#### **Children's Hospital of Philadelphia:**

The Children's Hospital of Philadelphia will be renovating 150,000 square feet and constructing 300,000 square feet for the West Infill Building project, which will provide state-of-the-art digital operating rooms and a pediatric imaging center. The total project cost is approximately \$300 million.

**RACP Grant      \$10,000,000**

#### **University of Pennsylvania Cancer Care Facility - Riverview Project:**

The University of Pennsylvania Riverview Project will construct a new 300,000 square foot ambulatory care and cancer care facility at the corner of Civic Center Boulevard and Convention Avenue. The Center for Advanced Medicine of the University of Pennsylvania Health System includes a multi-disciplinary ambulatory care center with a focus on cancer and cardiology care. The ability to provide well-coordinated care in an attractive and convenient setting will help Penn Medicine attract patients regionally and nationally. It will also be the first phase in developing the eastern edge of the University of Pennsylvania campus. The total project cost is approximately \$182 million.

**RACP Grant      \$ 10,000,000**

#### **Fox Chase Cancer Center:**

Fox Chase Cancer Center at 333 Cottman Avenue is expanding and modernizing the Diagnostic Radiology Department and related outpatient space as part of a 20-year, \$1 billion expansion plan that calls for the building of a new hospital, a new outpatient treatment center and critically needed new research facilities. The total project cost is approximately \$65 million.

**RACP Grant  
\$10,000,000**
