

EXHIBIT A

The home repair program will seek to improve the health of City residents and preserve critical affordable housing by instituting: (A) a loan program to make loans to low-, moderate- and middle-income homeowners in the City having an annual income of not more than one hundred and twenty percent (120%) of the area median income for the Standard Metropolitan Statistical Area of Philadelphia, (the “Homeowners”) who may not qualify for a loan on the private market due to income, credit or other factors and who also may not qualify for City home repair grant programs for home repairs; and (B) a grant program for low-, moderate- and middle-income homeowners in the City having an annual income of not more than one hundred and twenty percent (120%) of the area median income for the Standard Metropolitan Statistical Area of Philadelphia, to make grants to Homeowners for home repairs.

The Authority will select certain Program Intermediaries (“PIs”) through a competitive RFP process to carry out various program delivery activities including marketing, intake, home health assessments, providing information on energy efficiency, Homeowner needs assessments, loan and grant applications, developing and managing a list of qualified contractors using best and good faith efforts to ensure diversity of listed contractors, and making referrals for contractors to Homeowners, managing inspections, providing technical assistance to Homeowners, and loan servicing and administration.

Proceeds of Obligations will be used for some or all of the following program costs (either incurred directly by the Authority or reimbursements of expenses incurred by PIs):

- Providing for guaranty payments to private lenders in the event of a default by a Homeowner on a loan made under the program through the funding of a first loss fund or providing a line or letter of credit or other appropriate security (such guaranty arrangement may allow the Authority to be subrogated to the rights of lenders upon default and amounts received in connection therewith (less costs of collection) shall be used for the various program costs set forth in this Exhibit A).
- Providing loans: to Homeowners; or to small landlords (no more than four (4) units), leasing to a tenant having an annual income of not more than eighty percent (80%) of the area median income for the Standard Metropolitan Statistical Area of Philadelphia for home repairs with or without private lenders acting as intermediaries, servicers and/or administrators (upon default, amounts received in connection therewith (less costs of collection) shall be used for the various program costs set forth in this Exhibit A).
- Providing grants to private lenders on behalf of Homeowners to reduce the interest rate on loans made under the program.
- Providing grants to private lenders on behalf of Homeowners to reduce or eliminate fees payable by such Homeowners for loans made under the program.
- Providing grants to Homeowners for home repairs.

- Paying fees (other than referral fees) and costs for program related services rendered to Homeowners participating in the program.
- Providing credit counseling to Homeowners in connection with the application process.
- Paying the cost of retaining one or more third party evaluation organizations to collect data on the program, verify outcomes, and produce reports on the impact of the program.
- Paying the cost of administration by the Authority of the program, including staff time and internal resources expended managing the program, processing invoices, providing accounting services, overseeing contracts, and carrying out an annual audit.
- In the event of unspent proceeds, paying similar costs of comparable housing repair programs operated by the Authority or the City, as allowed by the Act and the Redevelopment Cooperation Law (both as defined in the Service Agreement), subject to such other requirements as set forth in the trust indenture for the Obligations.

The Authority hereby accepts the foregoing appointment and designation and, in consideration of the Service Fee, agrees to administer the Program and implement such elements thereof as the City shall from time to time direct.

In connection with the issuance of Additional Obligations and any incurrence of Related Obligations or Credit Facility Payment Obligations, the Authority and the City shall enter into an appropriate supplement to this Service Agreement, subject to the provisions of the Ordinance.

Article IV
SERVICE FEE

Section 401. Service Fee. In consideration of the undertakings by the Authority under this Service Agreement with respect to the Program, the City agrees to pay as a Service Fee in each Fiscal Year directly to the Trustee, as the assignee of the Authority, the following sums:

(a) The Annual Debt Service Requirement for such Fiscal Year, payable as follows:

(i) On the business day immediately preceding the date such amount is required to be paid to the Holders of the Obligations, the amount which is equal to the principal or redemption price of the Obligations becoming due on such principal maturity date or mandatory sinking fund redemption date, subject to credit for other available funds in the manner provided in the Indenture.

(ii) On the business day immediately preceding each Interest Payment Date, the amount which is equal to interest on the Obligations becoming due on such Interest Payment Date, subject to credit for other available funds in the manner provided in the Indenture.

(iii) On the business day immediately preceding the date such amount is required to be paid to the Holders of the Obligations, any other payment due to the Holders of the Obligations becoming due on such date, subject to credit for other available funds in the manner provided in the Indenture.

(iv) On the dates specified in any Related Obligations, any other amounts due to the person entitled thereto (to the extent not duplicative of those set forth in clauses (a)(i), (ii) and (iii) above) on the due date for such amounts.

(v) On or before the dates specified in any Credit Facility, the amounts which are equal to any Credit Facility Payment Obligations becoming due on such dates, subject to credit for other available funds in the manner provided in the Indenture.

(b) Notwithstanding any other provision of this Service Agreement, an acceleration of the Authority's payment obligations with respect to the Obligations, any Related Obligation or any Credit Facility Payment Obligation shall not cause an acceleration of the payment of the Service Fee hereunder.

(c) In lieu of the portion of the payments due under subsection (a)(i) above, the City, or at its written direction, the Trustee, may purchase for cancellation Obligations of the series and maturity next becoming due at maturity or upon mandatory sinking fund redemption, subject to the applicable requirements set forth in the Indenture.

The Service Fee shall be payable only out of the current revenues of the City, and the City agrees to provide for the payment of the Service Fee and include the same in its annual operating budget for each Fiscal Year. If the current revenues are insufficient to pay the total Service Fee in any Fiscal Year as the same becomes due and payable, the City covenants to include amounts not so paid in its operating budget for the ensuing Fiscal Year in order to provide sufficient current revenues to pay in each ensuing year such balance due in addition to the amount of Service Fee due for such ensuing year.

The City covenants to make appropriations in each of its Fiscal Years in such amounts as shall be required in order to make all Service Fee payments due and payable hereunder in each of the City's Fiscal Years.

[The Authority agrees to give the notice required under Section 2.07(d) of the Indenture of payments due with respect to any Related Obligation.]

Section 402. No Set-Off. The obligation of the City to make the payments required under this Service Agreement shall be absolute and unconditional. The City will pay without suspension, abatement, reduction, abrogation, waiver or diminution all payments required hereunder regardless of any cause or circumstance whatsoever, which may now exist or may hereafter arise, including, without limitation, any defense, set-off, recoupment or counterclaim which the City may have or assert against the Authority, the Trustee, any Holder of the Obligations, any person entitled to payments under Related Obligations, any Credit Issuer or any other person.

Section 403. Prepayment. The City shall be permitted, at any time and from time to time, to prepay all or any part of the amounts payable under Section 401 hereof together with such other amounts as shall be sufficient to redeem or otherwise pay all or a portion of the Obligations of any series in accordance with the provisions of the Indenture.

Section 404. Other Payments by City. The City shall make the following payments:

(a) contemporaneously with the execution and delivery hereof, the Authority's closing fee with respect to the 20__ Obligations;

(b) the Authority's Administrative Expenses incurred from time to time with respect to any Obligations; and

(c) directly to the Trustee, on behalf of the Authority, upon invoice therefor, the Administrative Expenses of the Trustee as provided in Section 10.04 of the Indenture.

The Administrative Expenses shall be payable only out of the proceeds of the Obligations or the current revenues of the City, and the City agrees to provide for the payment of the Administrative Expenses and include the same in its annual operating budget for each year to the extent not otherwise provided for. If the current revenues are insufficient to pay the total Administrative Expenses in any Fiscal Year as the same become due and payable, the City covenants to include amounts not so paid in its operating budget for the ensuing Fiscal Year in order to provide sufficient current revenues to pay in each ensuing year such balance due in addition to the amount of Administrative Expenses due for such ensuing year.

The City covenants to make appropriations in each of its Fiscal Years in such amounts as shall be required in order to make all Administrative Expense payments due and payable hereunder in each of the City's Fiscal Years.

Section 405. Assignment of Service Agreement. The Authority hereby notifies the City that all the Authority's right, title and interest in and to this Service Agreement, including its rights to receive the above payments (except for the Reserved Rights), shall be irrevocably assigned by the Authority to the Trustee as security for the Obligations, Related Obligations and Credit Facility Payment Obligations, as provided in the Indenture, and in furtherance of said assignment the Authority hereby irrevocably assigns all payments by the City hereunder (except for the Reserved Rights) to the Trustee for deposit or application in accordance with this Service Agreement and the Indenture. The City hereby consents to such assignment. The Authority consents to the payment by the City of, and directs the City to pay, all such assigned amounts directly to the Trustee.

Section 406. Excess Funds. After all of the Obligations, Related Obligations and Credit Facility Payment Obligations have been paid or payment thereof has been provided for and all interest and applicable premium, if any, due thereon and all other amounts required to be paid under the Indenture have been paid or provision for such retirement and payment has been made in accordance with the Indenture, excess moneys in the funds and accounts established under the Indenture from whatever source derived will be paid to the City. This paragraph shall survive the termination of this Service Agreement.

Article V FURTHER AGREEMENTS

Section 501. Compliance With Laws. The City covenants that all actions heretofore and hereafter taken by the City or by the Authority upon the request of any officer of the City in connection with the Program, including the making of contracts, have been and will be in full compliance with all pertinent laws, ordinances, rules, regulations and orders applicable to the City. The City acknowledges that any review by the Authority's staff or counsel of any action heretofore or hereafter taken by the City has been or will be solely for the protection of the Authority. Such reviews shall not prevent the Authority from enforcing any of the covenants made by the City.

Section 502. Investments. The City and the Authority agree that all moneys in any fund or account established by the Indenture may be invested in such Investment Securities as the City may direct in writing, as provided in the Indenture.

Section 503. City to Perform Certain Covenants Under Indenture. The City acknowledges that it has received an executed copy of the Indenture, and that it is familiar with its provisions, and agrees to be bound to the fullest extent permitted by law to all provisions thereof directly or indirectly relating to it, and that, in consideration of the service of the Authority rendered to the City under this Service Agreement, it will take all such actions as are required of it under the Indenture to preserve and protect the rights of the Trustee, the Holders of the Obligations, persons entitled to payments under Related Obligations and Credit Issuers thereunder and that it will not take or effect any action which would cause a default thereunder or impair such rights. The City hereby assumes and agrees to perform all of the covenants and other obligations of the Authority under the Indenture, excepting only any approvals or consents required to be given by the Authority thereunder, and those covenants contained in the Indenture which are not within the control of the City.

Section 504. Provisions Related to Tax-Exemption. Each of the City and the Authority covenants that it, with respect to any Obligations which are initially issued with the expectation that the interest thereon will be federally tax-exempt: (i) will neither make nor instruct the Trustee to make any investment or other use of the proceeds of the Obligations, the interest on which is intended to be excludable from gross income of the Holders thereof, which would cause such Obligations to be "arbitrage bonds" (as defined in Section 148(a) of the Code); (ii) will comply with the requirements of the Code throughout the term of such Obligations so that the interest on such Obligations shall be excludable from gross income for federal income tax purposes; and (iii) will not apply the proceeds of such Obligations in such a manner as would result in the loss of the exclusion of interest on such Obligations from gross income of the Holders for federal income tax purposes. The City further covenants that it will calculate and pay directly to the United States the amount of arbitrage rebate with respect to any such Obligation payable to the United States Treasury under the Code. The Authority agrees to cooperate with the City's undertaking to comply with the arbitrage rebate rules.

Section 505. No Personal Recourse Against Authority; Assumption of Financial Responsibility.

(a) In the exercise of the power of the Authority and its members, officers, employees and agents under this Service Agreement or the Indenture including (without limiting the foregoing) the application of moneys and the investment of funds, neither the Authority nor its members, officers, employees or agents shall be accountable to the City for any action taken or omitted by it or them with respect to the issuance of Obligations except actions constituting bad faith, willful misconduct, gross negligence, fraud or deceit of the Authority or of any member, officer, employee or agent. The Authority and such other persons shall be protected in its or their acting upon any paper or document believed by it or them to be genuine, and it or they may conclusively rely upon the advice of counsel and may (but need not) require further evidence of any fact or matter before taking any action. No recourse shall be had by the City for any claims against any member, officer, employee or agent of the Authority alleging personal liability on the part of such person based on this Service Agreement or on the Indenture or based on the Authority's issuance of Obligations.

(b) To the extent authorized by applicable law, and in consideration of the service being rendered by the Authority to the City pursuant to the Act and the Redevelopment Cooperation Law, the City agrees to indemnify, defend and hold harmless the Authority and each of its directors, officers, employees, agents and representatives (each an "Indemnified Party" and collectively, the "Indemnified Parties"), against any and all suits, claims or causes of action (collectively, "Claims"), and all liabilities,

losses, costs, expenses, judgments and amounts paid in settlement (including without limitation, reasonable attorneys' fees) of every kind (collectively, "Losses"), relating to or arising in connection with the Authority's entering into this Service Agreement, the Indenture or any other documents executed by the Authority in connection with the transactions contemplated in connection with the issuance of Obligations, the performance of any of the Authority's obligations hereunder or thereunder, any acts or omissions with respect to the Authority's interest under this Service Agreement, the Indenture or any other documents executed by the Authority in connection with the transactions contemplated thereby; except in each case to the extent that the Claims and Losses are attributable to the willful misconduct, gross negligence, bad faith, fraud or deceit of any such Indemnified Party; provided, however, that the City's liability hereunder shall not extent to any Claims and Losses attributable to the Authority's ongoing administration of the Program.

(c) In the event any such Claim is made or action brought against any Indemnified Party, the City shall assume the defense of the Claim and any action brought thereon and the City shall pay all expenses incurred therein; or the Authority, with the consent of the City Solicitor, may assume the defense of any such Claim or action, the reasonable costs of which shall be paid by the City; provided, however, that Counsel selected by the Authority to conduct such defense shall be approved by the City and further provided that the City may engage its own Counsel to participate in the defense of any such action.

(d) The City shall have the right to control the defense of any legal proceedings involving any Claims (other than Claims relating to the inherent powers of the Authority), but shall keep the Authority advised as to all material developments in such proceedings. Notwithstanding anything herein to the contrary, the City shall not be required to indemnify or defend any Indemnified Party against any Claims or Losses to the extent such Claim or Loss is the result of the willful misconduct, bad faith, gross negligence, fraud or deceit of the Authority or such Indemnified Party; provided, however, the Authority's taking of any action, or the failure to take any action, which it is permitted to take under the terms of this Service Agreement, the Indenture or any of the documents involved in the issuance of the Obligations, shall under no circumstances be deemed to constitute willful misconduct, bad faith, gross negligence, fraud or deceit; and furthermore, the taking of any action by the Authority at the written direction of the City or the Trustee shall not under any circumstances be deemed to constitute willful misconduct, bad faith, gross negligence, fraud, or deceit.

(e) The City shall not be obligated under paragraphs (b), (c) or (d) above unless the Indemnified Party has given the City prompt and timely notice of matters contemplated by paragraphs (b), (c) or (d) above; provided however, the failure to so notify the City will not relieve the City from any obligation under paragraphs (b), (c), or (d) above except to the extent such failure has materially injured the ability of the City to defend such matter successfully or to minimize the economic exposure resulting therefrom. Nothing in this Section shall be deemed to preclude the City from asserting any claim against an Indemnified Party for expenses arising from such Indemnified Party's willful misconduct, bad faith, gross negligence, fraud or deceit.

Section 506. Liabilities of the Trustee. To the extent authorized by applicable law, the City shall at all times assume complete financial responsibility for all liabilities, losses, claims, causes of action and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses, including the actual and reasonable allocated costs and expenses of in-house counsel) incurred by, imposed upon or asserted against the Trustee, including its officers, directors, employees and agents, or any of them, for following any instruction or direction upon which the Trustee is authorized to rely pursuant to the terms of this Service Agreement, the Indenture, the Obligations, any Related Obligations or any Credit Facility Payment Obligations, or which arise on account of or result from any actions taken or omitted to be taken by the Trustee, except as a result of its or their gross negligence or willful

misconduct, relating to or arising out of this Service Agreement, the Indenture, the Obligations, any Related Obligations or any Credit Facility Payment Obligations.

Section 507. No Waiver of Immunity. Nothing herein shall waive or amend any defense or immunity which the City or the Authority, their officers, employees or agents may have under the Pennsylvania Political Subdivision Tort Claims Act, 42 Pa. C.S.A. §8541 et seq. or the Commonwealth Agency Law, 42 Pa. C.S.A. §8521 et seq.

Section 508. Non-Competitively Bid Contract Bidding Requirements. Pursuant to Section 17-1408 of the Philadelphia Code, the Authority shall abide by the provisions of Philadelphia Code Chapter 17-1400 in awarding any contract(s) pursuant to this Service Agreement as though such contracts were directly subject to the provisions of Chapter 17-1400, except that the exception set forth at Subsection 17-1406(8) shall apply to the Authority as if the Authority were listed in that subsection.

Unless approved by the City to the contrary, any approvals required by the Philadelphia Code Chapter 17-1400 to be performed by the City Solicitor shall be performed by the Authority by its General Counsel; any approvals required to be performed by the Director of Finance shall be performed by the Authority by its Director of Finance; and any approvals required to be performed by the Mayor shall be performed by the Authority by its Executive Director.

Section 509. Authority Audits. The Authority shall furnish to the City, upon request, a copy of its annual audited financial statements, and, if requested, shall permit any duly authorized representative of the City to make reasonable examinations of its accounts and records relating to the Program, this Service Agreement and the Indenture.

Section 510. Additional Information. The City agrees, whenever reasonably requested by the Authority, to provide and certify or cause to be provided and certified such information concerning the Program and the City as the Authority reasonably considers necessary to enable it to make any reports or supply any information required under the provisions of the Indenture, applicable law or governmental regulation, or otherwise.

Article VI EVENTS OF DEFAULT AND REMEDIES

Section 601. Events of Default. Each of the following shall constitute an Event of Default hereunder:

(a) The failure of the City to make any payment to the Trustee of the Service Fee due pursuant to Section 401(a) of this Service Agreement;

(b) The failure of the City to make any other payment or to perform any other covenant, condition or agreement herein on its part to be performed; and

(c) If the City proposes or makes an assignment for the benefit of creditors or a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the City or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, state or federal, by or against the City and if such is not vacated, dismissed or stayed on appeal within sixty (60) days (provided that any such assignment, agreement, appointment or proceeding commenced under the First Class City Revenue Bond Act or the Municipal Utility Inventory and Receivables Financing Act,

and/or any acceleration of the payment obligations in respect of any bonds, notes or other evidence of indebtedness issued under either aforementioned act, shall not be an Event of Default hereunder).

Section 602. Notice of Defaults; Opportunity to Cure Such Defaults. No default under Section 601(b) hereof shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to the City by the Authority or the Trustee and the City shall have had 30 days after receipt of such notice to correct the default and shall not have corrected it; provided, however, if the default cannot be corrected within such 30-day period, it shall not constitute an Event of Default if corrective action is instituted by the City within the period and diligently pursued until the default is corrected.

Section 603. Remedies. If any Event of Default shall occur and be continuing, the Authority (or the Trustee as assignee of the Authority) may at its option exercise any one or more of the following remedies: (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Authority, and require the City to perform its duties and obligations under this Service Agreement; (b) by action or suit in equity require the City to account as if it were the trustee of an express trust for the Authority; or (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Authority.

In no event (including an acceleration of the Authority's payment obligations under the Obligations or with respect to any Related Obligations or Credit Facility Payment Obligation) shall the due dates for payments of the Service Fee hereunder be accelerated.

Section 604. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Authority is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Service Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 605. No Additional Waiver Implied by One Waiver. In the event the breach of any agreement contained in this Service Agreement should be waived by either party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
