(Resolution No. 150871)

RESOLUTION

Honoring and recognizing the Green Stormwater Infrastructure (GSI) Partners for advancing the local economic potential and environmental and social benefits of *Green City, Clean Waters*.

WHEREAS, *Green City, Clean Waters* is the ambitious stormwater management plan for the City of Philadelphia. The long-term control plan, signed in 2011, sets aside \$2.4 billion over 25 years for Philadelphia to manage our urban stormwater and meet EPA Clean Water Act regulations; and

WHEREAS, The Philadelphia Water Department aims to convert one-third of the City's existing impervious cover to green stormwater infrastructure; and

WHEREAS, *Green City, Clean Waters* catalyzes public and private investments, considerable potential emerges to grow the local economy and rejuvenate communities; and

WHEREAS, GSI offers multiple benefits, including: growing local businesses, including small, women, and/or minority-owned firms; increasing the number of quality jobs in a variety of sectors, including engineering and design, landscape maintenance, and material supply; and

WHEREAS, The Sustainable Business Network of Greater Philadelphia (SBN) is a non-profit membership organization working to advance a more local and sustainable economy in the Philadelphia region; and

WHEREAS, The GSI Partners is a signature project of SBN working to advance the regional GSI industry and GSI innovation by ensuring the greenest stormwater management approaches are facilitated and incentivized, and public and private investments remain as local as possible; and
