I. Introduction and Definitions

The City of Philadelphia strongly encourages the use of certified Minority ("MBE"), Women ("WBE"), Disabled ("DSBE") and Disadvantaged ("DBEs") Business Enterprises (collectively, "M/W/DSBEs") and minority and female workers in all aspects of **South Quarter Crossing** (the "Project") located at 2301 Oregon Avenue ("the Site") which may include financial investment, design, construction, and operations.

¹ In support of this objective, the City of Philadelphia will require that "**Cedar South Philadelphia**" (comprising Cedar-South Philadelphia I, LLC and Cedar-South Philadelphia II, LLC) (collectively, the "Owner") commit to this Economic Opportunity Plan ("EOP" or "Plan"). This Plan contains ranges of projected M/W/DSBE utilization and goals for the employment of minority and female workers in connection with the Project at the Site. This Plan shall be a part of and incorporated into the resulting agreement(s) with the Owner of the Project.

The Owner hereby verifies that all information submitted to the Office of Economic Opportunity ("OEO") in response to this Plan is true and correct and takes notice that the submission of false information is subject to the penalties of 18 PA C. S. Section 4904, relating to unsworn falsification to authorities and 18 PA C. S. Section 4107.2 (a)(4), relating to fraud in connection with minority business enterprises or women's business enterprises.

For the purposes of this Plan, MBE, WBE, DBE and DSBE shall refer to certified businesses so recognized by OEO. Only the work or supply efforts of firms that are certified as M/W/DSBEs by an OEO-approved certifying agency will be eligible to receive credit as a Best and Good Faith Effort.² In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at <https://phila.mwdsbe.com/>.

For this Plan, the term "Best and Good Faith Efforts," the sufficiency of which shall be in the sole determination of the City, means: efforts, the scope, intensity and appropriateness of which are designed and performed to foster meaningful and representative opportunities for participation by M/W/DSBEs and an appropriately diverse workforce and to achieve the objectives herein stated. Best and Good Faith Efforts are rebuttably presumed met when commitments are made within the M/W/DSBE participation ranges established for the Project and a commitment is made to employ a diverse workforce as enumerated herein.

II. Project Scope

The property is a 17.26+ acre shopping center, consists of 8 structures, 31 tenant spaces, and 910 accessory, on-site parking spaces, The proposed project involves demolition of all or almost all of the existing structures, and the construction of a collection of new, modern buildings and related existing tenants, the placement of new tenants, and the creation of an on-site, multi-family residential rental component, creating a true mix use commercial, retail, and residential uses.

III. Goals

A. M/W/DSBE Participation Ranges

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and

¹ Disadvantaged Business Enterprises ("DBEs") are those socially or economically disadvantaged minority and woman owned businesses certified under 49 C.F.R. Part 26.

selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the entire Project. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g., MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The ranges are based upon an analysis of factors such as the size and scope of the Project and the availability of MBEs, WBEs, and DSBEs to participate in this development.

The following contract goals have been set for the Project:

Contracts	Minority Owned	Female Owned	DSBE	Total
Construction	20-25%	15-20%	BGFE	35-45%
Professional Services	15-20%	10-15%	BGFE	25-35%

B. Employment Goals

The Owner agrees to exhaust its Best and Good Faith Efforts to employ minority persons, by race and ethnicity, and females in its workforce of apprentices and journeypersons at the following levels:

- African American journeypersons: 22% of all journey hours worked across all trades
- Asian journeypersons: 3% of all journey hours worked across all trades
- Hispanic journeypersons: 15% of all journey hours worked across all trades
- Female journeypersons: 5% of all journey hours worked across all trades

- Minority apprentices: 50% of all hours worked by all apprentices
- Female apprentices: 5% of all hours worked by all apprentices

Local Residents

The Owner will be required to submit to the City, no later than seven (7) days before the starting date of work on any such contract, a Workforce Diversity Goal Plan which shall include specific availability and utilization strategies for meeting the Workforce Diversity goals. The City's Labor Standards Unit shall have the responsibility of administering oversight of these Workforce Diversity Goals including evaluating the sufficiency of the Workforce Diversity Goal Plan, and monitoring the successful Bidder's Best and Good Faith Efforts towards realization of the goals throughout the duration of the contract.

In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

B. M/W/DSBE commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with M/W/DSBEs become part of and an exhibit to the Agreement resulting from the RFP.

B. Prompt Payment of M/W/DSBEs

The owner agrees and shall cause its contractors to ensure that M/W/DSBEs participating on the Project receive prompt payment for their work or supply effort within five (5) days after receipt of payment from the project owner.

C. Oversight Committee

For this Project, an Oversight Committee ("Committee") must be established if the project budget exceeds five million dollars. With the sole discretion of the City, an oversight committee may consist of representatives from the Owner, representatives of the building trades, the construction manager, and the City which may include the Project site's district councilperson, OEO, and appropriate community organizations. The Committee will meet regularly to provide advice for the purpose of facilitating compliance with the Plan.
