WHEREAS, the Authority and the City have determined, in accordance with the Ordinance (hereinafter defined), that: (i) the Authority will, at the direction and with the cooperation of the City, issue its revenue bonds, notes or other evidences of indebtedness to finance the repayment of the portion of the City's minimum municipal funding obligation deferred under 53 P.S. § 895.1002 (the "Deferred Funding Obligation") and costs of issuance (together, the "Project"); and (ii) the City will pay to the Authority the Service Fee described herein; and

WHEREAS, to secure the payment of the 2012 Bonds, any Additional Obligations and any Credit Facility Payment Obligations, on such basis as is further provided in the Indenture, the Authority will assign to the Trustee all of its right, title and interest in and to this Service Agreement, as amended and supplemented from time to time (except for the Reserved Rights, as defined herein), for the equal and ratable benefit of the holders from time to time of the 2012 Bonds and any Additional Obligations and, to

the extent provided in the Indenture, any Credit Issuer [(including the Bond Insurer)], including the Authority's right to receive the payments of the Service Fee due from the City hereunder; and

Article III THE PROJECT

Section 301. Funding of the Project. Upon the issuance of the 2012 Bonds, the Authority shall cause the proceeds thereof to be deposited in the funds and accounts established under the Indenture as set forth therein. Proceeds of any Additional Obligations shall be applied as set forth in the applicable Supplemental Indenture or in an Authority Certificate approved by the Director of Finance.

Section 302. The Project.

(a) The City and the Authority hereby agree to undertake the Project. In undertaking the Project, the Authority will act at the direction of and with the cooperation of the City.

(b) Proceeds of the 2012 Bonds shall be applied to pay Costs of Issuance of the 2012 Bonds and to pay or reimburse Costs of the Project. Proceeds of the 2012 Bonds shall be applied solely for the Project in accordance with the Act and the Ordinance.

Section 303. Approval Process. Notwithstanding any other provision of this Service Agreement to the contrary, no proceeds of any Obligations of any series shall be spent except in accordance with the Ordinance.

Section 304. Additional Obligations. Upon the written request of the Director of Finance of the City, the Authority may issue Additional Obligations to refund Outstanding Obligations, including amounts necessary for Costs of Issuance of such Additional Obligations, costs of credit or liquidity enhancement, and other amounts necessary to effect any refunding. In connection therewith, the Authority and the City shall enter into an appropriate supplement to this Service Agreement, subject to the provisions of the Ordinance.

Article IV SERVICE FEE

Section 401. Service Fee. In consideration of the undertakings by the Authority under this Service Agreement with respect to the Project, the City agrees to pay as a Service Fee in each Fiscal Year directly to the Trustee, as the assignee of the Authority, the following sums:

(a) The Annual Debt Service Requirement for such Fiscal Year, payable as follows:

(i) On the thirtieth (30th) day preceding the date such amount is required to be paid to the holders of the Obligations, the amount which is equal to the principal of the Obligations becoming due on such principal maturity date, subject to credit for other available funds in the manner provided in the Indenture.

(ii) On the thirtieth (30th) day preceding the date such amount is required to be paid to the holders of the Obligations, the amount which is equal to (A) interest on the Obligations becoming due on such Interest Payment Date, and (B) any other amounts due other than those set forth in clause (a)(i) above on the due date for such amounts, subject to credit for other available funds in the manner provided in the Indenture.

(iii) On or before the dates specified in any Credit Facility, the amounts which are equal to any Credit Facility Payment Obligations becoming due on such dates, subject to credit for other available funds in the manner provided in the Indenture.

(b) Notwithstanding any other provision of this Service Agreement, an acceleration of the Authority's payment obligations with respect to the Obligations or with respect to any Credit Facility Payment Obligation shall not cause an acceleration of the payment of the Service Fee hereunder.

The Service Fee shall be payable only out of the current revenues of the City, and the City agrees to provide for the payment of the Service Fee and include the same in its annual operating budget for each Fiscal Year. If the current revenues are insufficient to pay the total Service Fee in any Fiscal Year as the same becomes due and payable, the City covenants to include amounts not so paid in its operating budget for the ensuing Fiscal Year in order to provide sufficient current revenues to pay in each ensuing year such balance due in addition to the amount of Service Fee due for such ensuing year.

The City covenants to make appropriations in each of its Fiscal Years in such amounts as shall be required in order to make all Service Fee payments due and payable hereunder in each of the City's Fiscal Years.

Section 402. No Set-Off. The obligation of the City to make the payments required under this Service Agreement shall be absolute and unconditional. The City will pay without suspension, abatement, reduction, abrogation, waiver or diminution all payments required hereunder regardless of any cause or circumstance whatsoever, which may now exist or may hereafter arise, including, without limitation, any defense, set-off, recoupment or counterclaim which the City may have or assert against the Authority, the Trustee, any Holder of the Obligations or any other person.

Section 403. Prepayment. The City shall be permitted, at any time and from time to time, to prepay all or any part of the amounts payable under Section 401 hereof together with such other amounts as shall be sufficient to pay all or a portion of the Obligations of any series in accordance with the provisions of the Indenture.

Section 404. Other Payments by City. The City shall make the following payments:

(a) contemporaneously with the execution and delivery hereof, the Authority's closing fee with respect to the 2012 Bonds of \$_____;

(b) the Authority's other Administrative Expenses incurred from time to time; and

(c) directly to the Trustee, on behalf of the Authority, upon invoice therefor, the Administrative Expenses of the Trustee as provided in Section 10.04 of the Indenture.

The Administrative Expenses shall be payable only out of the proceeds of the Obligations or the current revenues of the City, and the City agrees to provide for the payment of the Administrative Expenses and include the same in its annual operating budget for each year to the extent not otherwise provided for. If the current revenues are insufficient to pay the total Administrative Expenses in any

Fiscal Year as the same become due and payable, the City covenants to include amounts not so paid in its operating budget for the ensuing Fiscal Year in order to provide sufficient current revenues to pay in each ensuing year such balance due in addition to the amount of Administrative Expenses due for such ensuing year.

The City covenants to make appropriations in each of its Fiscal Years in such amounts as shall be required in order to make all Administrative Expense payments due and payable hereunder in each of the City's Fiscal Years.

Section 405. Assignment of Service Agreement. The Authority hereby notifies the City that all the Authority's right, title and interest in and to this Service Agreement, including its rights to receive the above payments (except for the Reserved Rights), shall be irrevocably assigned by the Authority to the Trustee as security for the Obligations and Credit Facility Payment Obligations, as provided in the Indenture, and in furtherance of said assignment the Authority hereby irrevocably assigns all payments by the City hereunder (except for the Reserved Rights) to the Trustee for deposit or application in accordance with this Service Agreement and the Indenture. The City hereby consents to such assignment. The Authority consents to the payment by the City of, and directs the City to pay, all such assigned amounts directly to the Trustee.

Section 406. Excess Funds. After all of the Obligations have been paid or payment thereof has been provided for and all interest and applicable premium, if any, due thereon and all other amounts required to be paid under the Indenture have been paid or provision for such retirement and payment has been made in accordance with the Indenture, excess moneys in the funds and accounts established under the Indenture from whatever source derived will be paid to the City. This paragraph shall survive the termination of this Service Agreement.

Article V FURTHER AGREEMENTS

Section 501. Compliance With Laws. The City covenants that all actions heretofore and hereafter taken by the City or by the Authority upon the request of any officer of the City in connection with the Project, including the making of contracts, have been and will be in full compliance with all pertinent laws, ordinances, rules, regulations and orders applicable to the City. The City acknowledges that any review by the Authority's staff or counsel of any action heretofore or hereafter taken by the City has been or will be solely for the protection of the Authority. Such reviews shall not prevent the Authority from enforcing any of the covenants made by the City.

Section 502. Investments. The City and the Authority agree that all moneys in any fund or account established by the Indenture may be invested in such Investment Securities as the City may direct in writing, as provided in the Indenture.

Section 503. City to Perform Certain Covenants Under Indenture. The City acknowledges that it has received an executed copy of the Indenture, and that it is familiar with its provisions, and agrees to be bound to the fullest extent permitted by law to all provisions thereof directly or indirectly relating to it, and that, in consideration of the service of the Authority rendered to the City under this Service Agreement, it will take all such actions as are required of it under the Indenture to preserve and protect the rights of the Trustee, the Holders of the Obligations and Credit Issuers thereunder and that it will not take or effect any action which would cause a default thereunder or impair such rights. The City hereby assumes and agrees to perform all of the covenants and other obligations of the Authority

under the Indenture, excepting only any approvals or consents required to be given by the Authority thereunder, and those covenants contained in the Indenture which are not within the control of the City.

Section 504. Reserved.

Section 505. No Personal Recourse Against Authority; Assumption of Financial Responsibility.

(a) In the exercise of the power of the Authority and its members, officers, employees and agents under this Service Agreement or the Indenture including (without limiting the foregoing) the application of moneys and the investment of funds, neither the Authority nor its members, officers, employees or agents shall be accountable to the City for any action taken or omitted by it or them except actions constituting bad faith, willful misconduct, gross negligence, fraud or deceit of the Authority or of any member, officer, employee or agent. The Authority and such other persons shall be protected in its or their acting upon any paper or document believed by it or them to be genuine, and it or they may conclusively rely upon the advice of counsel and may (but need not) require further evidence of any fact or matter before taking any action. No recourse shall be had by the City for any claims against any member, officer, employee or agent of the Authority alleging personal liability on the part of such person based on this Service Agreement or on the Indenture or based on the Authority's participation in the Project.

(b) To the extent authorized by applicable law, and in consideration of the service being rendered by the Authority to the City pursuant to the Act, the City agrees to indemnify, defend and hold harmless the Authority and each of its directors, officers, employees, agents and representatives (each an "Indemnified Party" and collectively, the "Indemnified Parties"), against any and all suits, claims or causes of action (collectively, "Claims"), and all liabilities, losses, costs, expenses, judgments and amounts paid in settlement (including without limitation, reasonable attorneys' fees) of every kind (collectively, "Losses"), relating to or arising in connection with the Authority's entering into this Service Agreement, the Indenture or any other documents executed by the Authority in connection with the transactions contemplated in connection with the Project, the performance of any of the Authority's obligations hereunder or thereunder, any acts or omissions with respect to the Authority's interest under this Service Agreement, the Indenture or any other documents executed by the Authority in connection with the transactions contemplated thereby, or any other acts or omissions relating to the Authority's involvement in the Project; except in each case to the extent that the Claims and Losses are attributable to the willful misconduct, gross negligence, bad faith, fraud or deceit of any such Indemnified Party.

(c) In the event any such Claim is made or action brought against any Indemnified Party, the City shall assume the defense of the Claim and any action brought thereon and the City shall pay all expenses incurred therein; or the Authority, with the consent of the City Solicitor, may assume the defense of any such Claim or action, the reasonable costs of which shall be paid by the City; provided, however, that Counsel selected by the Authority to conduct such defense shall be approved by the City and further provided that the City may engage its own Counsel to participate in the defense of any such action.

(d) The City shall have the right to control the defense of any legal proceedings involving any Claims (other than Claims relating to the inherent powers of the Authority), but shall keep the Authority advised as to all material developments in such proceedings. Notwithstanding anything herein to the contrary, the City shall not be required to indemnify or defend any Indemnified Party against any Claims or Losses to the extent such Claim or Loss is the result of the willful misconduct, bad faith, gross negligence, fraud or deceit of the Authority or such Indemnified Party; provided, however, the Authority's taking of any action, or the failure to take any action, which it is permitted to take under the

terms of this Service Agreement, the Indenture or any of the documents involved in the Project, shall under no circumstances be deemed to constitute willful misconduct, bad faith, gross negligence, fraud or deceit; and furthermore, the taking of any action by the Authority at the written direction of the City or the Trustee shall not under any circumstances be deemed to constitute willful misconduct, bad faith, gross negligence, fraud, or deceit.

(e) The City shall not be obligated under Section 505(b), (c) or (d) of this Service Agreement unless the Indemnified Party has given the City prompt and timely notice of matters contemplated by Section 505 (b), (c) or (d); provided however, the failure to so notify the City will not relieve the City from any obligation under Section 505(b), (c), or (d) except to the extent such failure has materially injured the ability of the City to defend such matter successfully or to minimize the economic exposure resulting therefrom. Nothing in this Section 505 shall be deemed to preclude the City from asserting any claim against an Indemnified Party for expenses arising from such Indemnified Party's willful misconduct, bad faith, gross negligence, fraud or deceit.

Section 506. Liabilities of the Trustee. The City shall at all times assume complete financial responsibility for all liabilities, losses, claims, causes of action and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses, including the actual and reasonable allocated costs and expenses of in-house counsel) incurred by, imposed upon or asserted against the Trustee, including its officers, directors, employees and agents, or any of them, for following any instruction or direction upon which the Trustee is authorized to rely pursuant to the terms of this Service Agreement, the Indenture or the Obligations or which arise on account of or result from any actions taken or omitted to be taken by the Trustee, except as a result of its or their negligence or willful misconduct, relating to or arising out of this Service Agreement, the Indenture or the Obligations.

Section 507. No Waiver of Immunity. Nothing herein shall waive or amend any defense or immunity which the City or the Authority, their officers, employees or agents may have under the Pennsylvania Political Subdivision Tort Claims Act, 42 Pa. C.S.A. §8541 et seq. or the Commonwealth Agency Law, 42 Pa. C.S.A. §8521 et seq.

Section 508. Reserved.

Section 509. Nondiscrimination/Sexual Harassment Clause. During the term of this Service Agreement, the City agrees as follows:

(a) In the hiring of any employee(s) for the performance of work, or any other activity required under this Service Agreement or any contract for the construction or acquisition of the Project, the City, its contractors, or any person acting on behalf of the City or its contractors shall not, by reason of gender, race, creed, or color, discriminate against any citizen of the Commonwealth who is qualified and available to perform the work to which the employment relates.

(b) Neither the City nor any of its contractors for the Project nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the performance of work or any other activity required under this Service Agreement on account of gender, race, creed, or color.

(c) The City and its contractors for the Project shall establish and maintain a written sexual harassment policy and shall inform their employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

(d) The City shall not discriminate by reason of gender, race, creed, or color against any subcontractor or supplier who is qualified to perform the work relating to the property to which the contracts relates.

(e) The City and each of its contractors for the Project shall furnish upon request all necessary employment documents and records to and permit access to their books, records, and accounts by the Pennsylvania Department of Community and Economic Development, for purposes of investigation, to ascertain compliance with provisions of this Nondiscrimination/Sexual Harassment Clause. If the City or its contractors for the Project do not possess documents or records reflecting the necessary information requested, the City or its contractors for the Project shall furnish such information on reporting forms supplied by the Pennsylvania Department of Community and Economic Development.

(f) The City shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every contract for the Project so that such provisions will be binding upon each contractor for the Project.

(g) In the event of a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause, the Pennsylvania Department of Community and Economic Development may proceed with debarment or suspension and may place the City in the Contractor Responsibility File.

Article VI EVENTS OF DEFAULT AND REMEDIES

Section 601. Events of Default. Each of the following shall constitute an Event of Default hereunder:

(a) The failure of the City to make any payment to the Trustee of the Service Fee due pursuant to Section 401 (a) of this Service Agreement;

(b) The failure of the City to make any other payment or to perform any other covenant, condition or agreement herein on its part to be performed; and

(c) If the City proposes or makes an assignment for the benefit of creditors or a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the City or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, state or federal, by or against the City and if such is not vacated, dismissed or stayed on appeal within sixty (60) days (provided that any such assignment, agreement, appointment or proceeding commenced under the First Class City Revenue Bond Act or the Municipal Utility Inventory and Receivables Financing Act, and/or any acceleration of the payment obligations in respect of any bonds, notes or other evidence of indebtedness issued under either aforementioned Act, shall not be an Event of Default hereunder).

Section 602. Notice of Defaults; Opportunity to Cure Such Defaults. No default under Section 601(b) hereof shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to the City by the Authority or the Trustee and the City shall have had 30 days after receipt of such notice to correct the default and shall not have corrected it; provided, however, if the default cannot be corrected within such 30-day period, it shall not constitute an Event of Default if corrective action is instituted by the City within the period and diligently pursued until the default is corrected.

Section 603. Remedies. If any Event of Default shall occur and be continuing, the Authority (or the Trustee as assignee of the Authority) may at its option exercise any one or more of the following remedies: (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Authority, and require the City to perform its duties and obligations under this Service Agreement; (b) by action or suit in equity require the City to account as if it were the trustee of an express trust for the Authority; or (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Authority.

In no event (including an acceleration of the Authority's payment obligations under the Obligations or with respect to any Credit Facility Payment Obligation) shall the due dates for payments of the Service Fee hereunder be accelerated.

Section 604. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Authority is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Service Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 605. No Additional Waiver Implied by One Waiver. In the event the breach of any agreement contained in this Service Agreement should be waived by either party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 708. Entire Agreement. This Service Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the Authority and the City with respect to the subject matter hereof.

Section 709. Amendments and Supplements.

(a) The parties hereto from time to time may enter into any written amendments or supplements hereto (which thereafter shall form a part hereof) as shall not adversely affect the rights of or the security of the Holders of the Obligations, only for the following purposes: (i) to cure any ambiguity, defect, or inconsistency or omission herein or in any amendment hereto; (ii) to grant to or confer upon the Authority or the Trustee any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon the Authority or the Trustee; (iii) to reflect a change in applicable law; (iv) as appropriate in connection with the issuance of Additional Obligations; or (v) to provide terms not inconsistent with the Indenture or this Service Agreement; provided, however, that this Service Agreement as so amended or supplemented shall provide at least the same security for Holders of the Obligations issued under the Indenture as the Service Agreement in this form.

(b) All other amendments must be approved by the Trustee and, to the extent required by the Indenture, by the Holders of the Obligations [and the Bond Insurer], in the manner as is set forth in Section 11.05 of the Indenture.

(c) Any amendment or supplement to this Service Agreement (other than an amendment or supplement pursuant to Section 709(a)(i) through (v) hereof) shall be approved by ordinance of the City Council and a copy of any such amendment or supplement, together with a copy of such ordinance, certified by the Clerk of the City Council, shall be filed with the Trustee.

Section 710. Limitation on Liability of the Authority. No provision of this Service Agreement shall be construed so as to give rise to a liability of the Authority or any of its members, officers or employees, or to give rise to a charge upon the general credit of the Authority or such members, officers or employees, including without limitation in respect of general liability for repayment of the Obligations; any liability hereunder of the Authority shall be limited exclusively to its interest in this Service Agreement and the lien of any judgment shall be restricted thereto.

Section 711. Construction; Conflict with Ordinance. If any provision of this Service Agreement conflicts with the provisions of the Ordinance, the Ordinance shall control.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Service Agreement, all as of the day and year first above mentioned.
