Neither the failure of the Corporation (including its Board of Directors or its independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of or the advancement or reimbursement of expenses to the claimant is proper in the circumstances, nor an actual determination by the Corporation (including its Board of Directors or its independent legal counsel) that the claimant is not entitled to indemnification or to the reimbursement or advancement of expenses, shall be a defense to the action or create a presumption that the claimant is not so entitled.

4. The indemnification and advancement or reimbursement of expenses provided by, or granted pursuant to, this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement or reimbursement of expenses

City of Philadelphia

RESOLUTION NO. 110689-A, as amended continued

6. The provisions of this Article VIII may, at any time (and whether before or after there is any basis for a claim for indemnification or for the advancement of reimbursement of expenses pursuant hereto), be amended, supplemented, waived, or terminated, in whole or in part, with respect to any Covered Person by a written agreement signed by the Corporation and such person.

7. The Corporation shall have the right to appoint the attorney for a Covered Person, provided such appointment is not unreasonable under the circumstances.
