* * *

(6) The Vacant Property Review Committee shall, in cooperation with the City Planning Commission, determine the conditions of title to be incorporated into the deed for each property to be disposed of pursuant to the provisions of this Chapter. Such conditions shall include, but not necessarily be limited to, the following:

(a) The property shall be developed and used in accordance with the Comprehensive Land Use Plan of the City of Philadelphia.

(b) The property shall be rehabilitated and/or improved and said rehabilitation and/or improvement is to be completed within one year of acquisition of title, unless practical cause is shown why the time for completion should be extended, provided that no extension of time shall be for more than six (6) months, except with further approval of the Vacant Property Review Committee.
