THIS DECLARATION OF RESTRICTIVE COVENANTS FOR CONSERVATION (hereinafter "Declaration") made this \_\_\_\_\_ day of \_\_\_\_\_, 2009, by **THE CITY OF PHILADELPHIA**, a City of the First Class of the Commonwealth of Pennsylvania (hereinafter "Grantor");

### WITNESSETH:

WHEREAS, Grantor is the fee simple owner of a certain tract of land located in the City and County of Philadelphia, Pennsylvania, and being a property conveyed to the Grantor by deed dated June 17, 1897 and recorded on June 18, 1897 in deed book WMG No. 192 Page 155 in the land records of Philadelphia County, Pennsylvania, and as more particularly described in Exhibit A attached hereto and incorporated by reference, hereinafter referred to as the "Property;" and

WHEREAS, the Grantor agrees to the creation of these conservation-based covenants and intends that the Conservation Area shall be preserved and maintained in a natural condition in perpetuity;

NOW, THEREFORE, in consideration of the mutually-held interests in preservation of the environment, as well as the terms, conditions, and restrictions contained herein, and pursuant to the laws of the Commonwealth of Pennsylvania, Grantor does agree to the following terms and conditions:

### 1. PURPOSE

The purpose of this Declaration of Restrictive Covenants for Conservation is:

the Conservation Area that will impair or interfere with its natural resource functions and values. Grantor intends that this Declaration will confine the use of the Conservation Area to such activities as are consistent with the purpose of this Declaration.

To accomplish the purpose of this Declaration, the following rights are created in accordance with Pennsylvania Statutes, Title 32, §§ 5051-5059:

A. To allow the Grantor, the USACE or the Pennsylvania Department of Environmental Protection (hereinafter "PADEP") the right to enter upon the Property to inspect the Conservation Area at reasonable times to monitor compliance with and otherwise enforce the terms of this Declaration; except that such entry shall be upon reasonable prior notice to Grantor;

B. To allow the Grantor, the USACE or the PADEP to enforce the terms of this Declaration by appropriate legal proceedings in accordance with Pennsylvania Statutes, Title 32, §§ 5051-5059 so as to prevent any activity on or use of the Conservation Area that is inconsistent with the purpose of this Declaration and to require the restoration of such areas or features of the Conservation Area that may be damaged by any inconsistent activity or use; and

C. To allow the Grantor, or their authorized representatives, to enter upon the Property and its Conservation Area at reasonable times, upon prior notice to the property owner; and upon prior notice and written approval by the USACE to take any appropriate environmental or conservation management measures consistent with the terms and purposes of this Declaration, including:

- 1) planting native trees, shrubs, grasses and forbs; and/or
- 2) restoring, altering or maintaining the topography, hydrology, drainage, structural integrity, bed, water quantity, water quality or other relevant feature of any stream, wetland, water body or buffer on the Conservation Area.

## 2. DURATION

This Declaration shall remain in effect in perpetuity, shall run with the land regardless of ownership or use, and is binding upon all subsequent declarants, their heirs, executors, administrators, successors, representatives, devisees, and assigns, as the case may be, as long as said party shall have any interest in any part of the Conservation Area.

This Declaration will not prevent the property owner and the property owner's personal representatives, heirs, successors, and assigns from making use of the area(s) that are not expressly prohibited herein and are not inconsistent with the purpose of this Declaration.

## 4. RESTRICTIONS

Any activity on or use of the Conservation Area by the property owner and the property owner's personal representatives, heirs, successors, and assigns, inconsistent with the purpose of the Declaration is prohibited. **I. Agricultural, Livestock & Other Activities.** Unless currently used for these purposes, conversion of, or expansion into, any portion of the Conservation Area for use for agricultural, horticultural, aquacultural, silvicultural, livestock production or grazing activities. This prohibition also includes conversion from one type of these activities to another (e.g., from agricultural to silvicultural).

**J. Other Material Impairment.** Other acts, uses or discharges which adversely affect fish or wildlife habitat or the preservation of lands, wetlands or water areas within the Conservation Area.

## 5. INSPECTION, ENFORCEMENT & ACCESS RIGHTS

The USACE, the PADEP, and its/their authorized representatives shall have the right to enter and go upon the Property, to inspect the Conservation Area and take actions necessary to verify compliance with this Declaration. Such entry shall be upon prior reasonable notice to the property owner. The Grantor grants to the USACE, the U.S. Department of Justice, and/or PADEP, a discretionary right to enforce this Declaration in a judicial action against any person(s) or other entity(ies) violating or attempting to violate these restrictive covenants; provided, however, that no violation of these restrictive covenants shall result in a forfeiture or reversion of title. In any enforcement action, an enforcing agency shall be entitled to a complete restoration for any violation,

as well as any other judicial remedy such as civil penalties. Nothing herein shall limit the right of the USACE to modify, suspend, or revoke the Permit.

The restrictions contained in this Declaration are required by the attached Department of the Army Permit. There shall be no changes or alterations to the provisions in this Declaration without prior written approval from the appropriate district commander of the USACE.

## **9. RESERVED RIGHTS**

A. The Grantor and any holders of easements or other property rights for the operation and maintenance of pre-existing or project-related structures or infrastructure such as utilities, drainage ditches, or stormwater facilities that are present on, over or under the Conservation Area reserve the right, within the terms and conditions of their permits, their agreements, and the law, to continue with such operation and maintenance. All pre-existing or approved project-related structures or infrastructure shall be shown on the accompanying plat map or approved plan and attached to this instrument.

B. If the authorized project requires any related or unanticipated utility relocation, drainage ditches, or stormwater controls within the identified Conservation Area, said activities must be applied for by the Grantor, project proponent, respective utility, or other appropriate party and may be permitted by the USACE.

## **10. SEVERABILITY**

If any portion of this Declaration, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this instrument, or application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby.
