(Bill No. 140095)

AN ORDINANCE

Amending Chapter 10-600 of The Philadelphia Code, entitled “Public Places—Prohibited Conduct,” by adding a new Section to prohibit the use of Electronic Smoking Devices in public places and in the workplace, under certain terms and conditions.

WHEREAS, An e-cigarette is an electronic smoking device that simulates tobacco smoking; generally consists of a cartridge containing nicotine, a vaporizer or atomizer, a battery, and an indicator light; and may resemble a cigarette, cigar, pipe, pen or USB memory stick; and

WHEREAS, E-cigarettes can contain carcinogenic compounds, and their vapor can contain nicotine, heavy metals, and silicates; and

WHEREAS, E-cigarettes are not regulated by the Food and Drug Administration, and therefore the levels of their ingredients, including nicotine, are not readily known; and

WHEREAS, E-cigarette use has recently doubled among youth and adults in the United States; and

WHEREAS, E-cigarettes mimic the burning end of a conventional cigarette when being used and can cause confusion and difficulty in the enforcement of existing laws prohibiting smoking in indoor spaces; and

WHEREAS, The Clean Indoor Air Worker Protection Law has contributed to a 15% drop in smoking among adults and a 10% drop among youth in Philadelphia; and

WHEREAS, E-cigarettes are being marketed through mass media, social media, and celebrity endorsements and may re-normalize and glamorize smoking behaviors; and

WHEREAS, E-cigarettes are not a proven or approved treatment to help people quit smoking; now, therefore

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:
