A. Description of Urban Renewal Area

The Legal Boundary of the Cecil B. Moore Avenue Urban Renewal Area is defined in narrative form as "Exhibit A" to the Plan including a description of those deleted areas which cause an irregular boundary. Further, a Boundary Map is attached which clearly marks the Urban Renewal Area's perimeter and the excluded areas.

B. Statement of Development Objectives

Beyond the customary goals of urban renewal, such as strengthening the area's social and economic stability through the control of land use and development density and the addition of capital improvements, this plan focuses on specific goals which are and will be subject to review and change throughout the planning process:

1. Housing

This category has priority over all others due to the City's and community's desperate need for low and moderate-income housing. Emphasis over time will decrease in proportion to the creation of new units of standard housing. Initially, however, the purpose behind the acquisition and packaging of land or structures for disposition is a substantial increase in the supply of low-moderate income housing. In order to preserve the overwhelmingly residential character of this North Philadelphia neighborhood, the rehabilitation of existing housing as well as new residential construction will be used to achieve maximum effectiveness.

2. Service and Employment

To provide needed commercial goods and services and to create additional employment within the immediate project area, commercial facilities need to be revitalized. Continuing development will be structured through an ordered pattern of location, intensity and functional inter-relationships, enforced by the implementation of specific controls.

3. Transportation

An increased and balanced system of streets and mass transit facilities related both to the development of internal and adjacent land uses, and to the regional transportation network is necessarily planned.

4. Public Facilities

It is the goal of coordinated inter-governmental, especially local, agencies to develop a total physical environment which responds to the social needs of its residents both in function and in scale.

C. General Land Use Plan

1. A proposed Land Use Map has been included to illustrate the proposed arrangement and distribution of three (3) categories: Residential, Commercial, Institutional and respectively related uses described below.

2. Predominant Land Use Categories

Within the following four categories, a mix of compatible and supporting land uses are permitted. The objective of this plan is to establish a generalized framework within which detailed land use and development plans will evolve.

a. Residential and Related

Overall residential densities in the North Philadelphia area will range between 20 and 59 dwelling units per acre, according to the Comprehensive Plan. In predominately residential areas, other land uses are permitted on the basis of their compatibility with and service to surrounding residential uses, such as micro housing, convenience shopping, residential parking, neighborhood schools and service centers, parks, and playgrounds.

b. Commercial and Related

In predominantly commercial land use areas, supporting and compatible uses such as retail, institutional community facilities, parking, housing facilities and public open space are also permitted. The intensity of land use will be controlled by zoning ordinances in compliance with the Proposed Land Use Map.

c. Institutional and Related

Within predominantly institutional land use areas such as hospitals, colleges, public and private high schools, and government centers, other supporting and compatible land uses are permitted such as special housing facilities, convenience shopping, parking, and open space.

d. Industrial and Related

In areas predominantly in industrial use, other supporting and compatible land uses are permitted such as special housing types, convenience shopping, parking and loading, and special service facilities.

D. Urban Renewal Techniques to be used to Achieve Plan Objectives

The determining criteria in the North Philadelphia area will initially be negative, i.e., removal of blight. Variables such as minimal relocation will always be a consideration, as

will the incidence of vacant and vandalized structures. This latter factor, as well as a large quantity of vacant lots is responsible for the high acquisition rate in this area.

The North Broad Street Mansion District is on the National Register of Historic Places and is partially incorporated in the Cecil B. Moore Avenue Urban Renewal Area. The 1500 Block of N. Gratz Street and the 1700 Block of N. 16th Street appear eligible for-the National Register of Historic Places.

Historical and architectural preservation will be respected as a necessary rehabilitation technique in these areas and throughout the rest of the Urban Renewal Area, if required in isolated situations.

Lastly, housing rehabilitation and bond programs will be made operant in residential areas meeting the qualifications imposed on such programs. The areas chosen possibly will expand over time as new areas are selected and approved.

1. Rehabilitation

a. Properties to be acquired may be designated for rehabilitation by the Redevelopment Authority subject to cost and feasibility of treatment. Property to be rehabilitated will often be acquired by the Redevelopment Authority and resold to a public or quasi-public agency for treatment.

b. Properties to be acquired may be exempted if the Redevelopment Authority determines that these properties can reasonably be rehabilitated in accordance with the provisions of the Property Rehabilitation Standards (PRS) set forth as Exhibit "B" to this Plan and the Codes and ordinances of the City of Philadelphia; provided that this will not conflict with the intent and purposes of such Plans, Codes and ordinances.

In addition, properties to be acquired may be exempted if such properties will be acquired for public purposes by another public body or if the Redevelopment Authority should be so designate as a result of changes to the Plan.

E. Land Disposition Supplement

These supplementary documents, although component parts of the Urban Renewal Plan, will be submitted individually as disposition parcels are readied for sale of lease.

F. Redeveloper's Obligations

Redevelopers shall begin and complete the development of the land for uses required in the Urban Renewal Plan within a reasonable period of time as determined in the contract between the Redevelopment Authority and the redeveloper in conformity with the Urban Renewal Plan

G. Statement of Duration of Provisions

The provisions and requirements of this Plan affecting land to be acquired and disposed shall remain in effect for a period of thirty (30) years following approval of the Urban Renewal Plan by the Council of the City of Philadelphia.

H. Provisions of Applicable State and Local Law

The Philadelphia City Planning Commission, in compliance with the Applicable provisions of State Law, has prepared a Redevelopment Area plan for the North Philadelphia Redevelopment Area, certified November 26, 1968 and revised June, 1970 and October, 2014.

The approval of the City Planning Commission of an Urban Renewal Plan, prepared by the Redevelopment Authority, allows the aforesaid Plan to act as an amendment to the Redevelopment Area Plan in a case where the two plans are not in agreement. Proposed development is in accordance with the requirements of any Urban Renewal Plans operable within the certified Redevelopment Area, and is in compliance with the provisions of the Code of General ordinances of the City of Philadelphia and will continue to be so.

I. Provisions for Amending the Plan

Should changes be required in the course of executing the Urban Renewal Plan, the Redevelopment Authority, after consulting with the community and the Philadelphia City Planning Commission, shall revise by amendment or modification, as the nature of the change dictates, the Urban Renewal Plan in accordance with current HUD regulation, the most recent Comprehensive Plan approved by the Philadelphia City Planning Commission and respecting and in compliance with the zoning code controls and all other the requirements of State and Local Law.

PROPERTY REHABILITATION STANDARDS

March, 2018

All properties shall comply with the standards set forth in all applicable statutes, codes, and ordinances, as amended from time to time, relating to the use, maintenance, facilities, and occupancy of property, including but not limited to, the Building, Plumbing, Electrical and Housing Codes. These code standards are hereby incorporated by reference and made a part of these Property Rehabilitation Standards.

In addition to compliance with local statutes, codes, and ordinances, all properties devoted in whole or in part to residential uses shall conform to the following standards:

REPAIRS AND REPLACEMENTS

Requirements for repairing or replacing existing work means that item is to be replaced in equal to new condition, but shall not necessarily be limited to replacement with identical materials. Prime consideration in replacement should be durability, lasting qualities and minimal maintenance. The finished work should match adjacent work in design, color, material and dimension wherever possible.

A. CITY AND OTHER REGULATIONS

1. City Ordinances

All properties shall comply with the standards set forth in all applicable statutes, codes, and ordinances, as amended from time to time, relating to the use, maintenance, facilities, and occupancy of property, including but not limited to, the Building, Plumbing, Electrical and Housing Codes. These code standards are hereby incorporated by reference and made a part of these Property Rehabilitation Standards.

2. State Regulations

All not-to-be-acquired properties and all work under this program shall be subject to the approval of the appropriate Departments of the Commonwealth of Pennsylvania such as:

- a. Building Division of Labor and Industry

b. Department of Health

c. Any other appropriate agency

3. Public Utilities

All regulations of public utility companies which are applicable to work done under this program shall be complied with.

4. Other Authorities such as N.B.F.U.

5. Where more than one set of restrictions or controls apply to a single property, the more restrictive control will apply.

B. MATERIALS AND WORKMANSHIP

1. All materials and workmanship employed in rehabilitation under this program shall provide lasting quality by the adoption of workmanlike methods and the use of durable materials, and shall meet the requirements of the regulations referred to under "City and other Regulations" in this section

2. All alterations to and repair of old work shall be done with matching materials and methods, and/or finished in such a way that the alterations and repairs are not apparent. Where matching or "same as original" materials are referred to in these Standards, this shall not prevent the use of substitute materials generic with, and having the same appearance as the original material (provided that such substitutes are specifically approved by the Redevelopment Authority).

a. Existing windows may not be blocked up without the approval of the Redevelopment Authority.

RELOCATION STATEMENT AND PLAN

The Redevelopment Authority's Relocation Program outlines the housing resources available to relocatees and the services and payments that would be offered to them. The Redevelopment Authority, with the full cooperation of all concerned public and private agencies, gives assurance that State and Federal Relocation requirements will be met. No families or individuals will be relocated until adequate resources are brought to bear on each situation and rehousing can be accomplished according to Federal specifications and the Redevelopment Authority's Policies and Procedures.

The proposed Amendment will not involve relocation activities.

A. Residential Relocation

There are no residential properties that will require relocation in this amendment.

B. Commercial Relocation

There are no commercial properties that will require relocation in this amendment.

C. Institutional Relocation

There are no institutional properties that will require relocation in this amendment.

**RELOCATION STATEMENT FOR CECIL B. MOORE AVENUE
REDEVELOPMENT PROPOSAL URBAN RENEWAL PLAN**

The Redevelopment Authority's Relocation Program outlines the housing resources available to relocatees and the services and payments that would be offered to them. The Redevelopment Authority, with the full cooperation of all concerned public and private agencies, gives assurance that State and Federal Relocation requirements will be met. No families or individuals will be relocated until adequate resources are brought to bear on each situation and rehousing can be accomplished according to Federal specifications and the Redevelopment Authority's Policies and Procedures.

RELOCATION PLAN

The Relocation Plan will be administered by the Redevelopment Authority's Relocation and Property Management Department (Relocation Department).

The objectives of this Relocation Plan are to assure that displaced families and individuals shall have the full opportunity to move into decent, safe and sanitary housing, that their displacement and the displacement of any business concerns shall be carried out with a minimum of hardship, and that they receive the full range of payments and benefits provided by law.

I. RESIDENTIAL

A. DETERMINATION OF RELOCATION NEEDS

A survey of each family and individual whose living accommodation is to be acquired will be conducted prior to actual relocation to determine relocation needs. As soon as possible after approval of the appropriate funding contract, the relocation staff will conduct a 100 percent survey of site occupants for the purpose of obtaining information on family composition, housing needs and income, and to determine eligibility for low and moderate income housing. The total number of families and individuals to be displaced, their social and economic characteristics, and special problems are determined by these surveys.

Relocation staff will also determine relocation requirements of the site occupants, determining the relocation assistance which site occupants require, and deliver to the site occupants informational material which explains the relocation service which will be available.

B. RELOCATION STANDARDS (PHYSICAL, OCCUPANCY, AND ABILITY-TO-PAY)

1. Physical Standards

a. In certifying that rehousing accommodations are decent, safe and sanitary, the Relocation Department uses the standards provided by the Housing Code of the City of Philadelphia. The standards and related regulations provided by the Code establish minimum standards for basic equipment and facilities; for light, ventilation and heating; for space, use, and location; for safe and sanitary maintenance; and for cooking equipment.

The same standards apply to non-housekeeping units which may be occupied by individuals.

b. The Housing Code provides that the structural conditions of a dwelling or dwelling unit shall be in sound condition including foundation, exterior walls and roof, interior walls and ceilings, floors, windows, doors, and stairs, and that they shall be substantially weather tight, watertight and rodent proof.

2. Occupancy Standards

The number of rooms to be occupied by families of various sizes for sleeping purposes shall be determined by the floor area requirements of the Housing Code and by age and sex of persons in a family. The same standards will apply to both single-family dwellings and apartments. Generally the bedroom requirements are estimated as follows:

No. of Persons in Family	Bedrooms Required
1-2	1
3-4	2
5-6	3
7-8	4
9 or more	5 or more

3. Standards of Displacees' Ability-to-Pay for Housing

The Relocation Department makes determination with respect to ability-to-pay for housing based primarily on family income. Units must be available at a rent or price within the financial means of the families and individuals. Amounts of rent which families and individuals can pay are estimated using family size and total income as guides. Gross rent-income ratios of 25 to 30 percent are used for families and individuals as standards for determining gross rent-paying ability. These ratios vary according to family size and composition and family income.

For determinations relating to ability-to-purchase housing, income, assets and debts are evaluated in relations to monthly carrying costs (amortization, interest, taxes, insurance, utilities, fuel, and reserves for repairs, maintenance, and replacement), and the ability of the family to secure mortgage financing. As a general guide, the ratio between annual income and purchase price is about 2 1/4 times annual income.

The information booklet distributed to all site occupants specifically states that relocation housing must be within the occupant's ability to pay.

4. Location Standards

All housing to which displacees are referred will be reasonably accessible to places of employment and in areas generally not less desirable in regard to public utilities and public and commercial facilities.

C. TEMPORARY RELOCATION

The Redevelopment Authority does not anticipate the need for temporary relocation; however, site occupants will be temporarily relocated whenever it is necessary to alleviate hardship for the site occupant and/or to effect monetary savings in project costs. However, no site occupant will be temporarily relocated into a facility which is less desirable in character than the housing unit vacated, and the temporary facility will be safe and habitable.

The duration and extent of all temporary housing will be kept at a minimum. The temporary relocation will in no way diminish the responsibility of the Relocation Department in obtaining permanent housing for the site occupants.

D. RELOCATION ASSISTANCE FOR FAMILIES AND INDIVIDUALS

1. The Redevelopment Authority's Relocation Department will develop an informational program to advise site occupants of available relocation assistance and all pertinent information pertaining to the redevelopment of the site.

Informational Statements will be distributed to all site occupants setting forth:

- a. The purpose of the Relocation Program and the assistance available through the Relocation Department.
- b. The assurance that site occupants will not be required to move except on a temporary basis or for eviction reasons, before they have been given an opportunity to obtain decent, safe, and sanitary housing within their financial means.
- c. The fact that Federal Housing Administration acquired properties are a relocation resource, a listing of these properties with size and price will be available for examination to assist interested site occupants in contacting agents.
- d. That site occupants should apply for public housing, if eligible, and cooperate with the Relocation Department in seeking their own standard, private rehousing accommodations when possible and notifying the office prior to moving.
- e. The standards for decent, safe, and sanitary housing.
- f. Eviction policy.
- g. Availability of Relocation Payments and that details are obtainable at the relocation office.
- h. Address and hours of the relocation office.

2. Site occupants will be encouraged to make use of the relocation office for referrals to real estate firms for private-rental units and to the Philadelphia Housing Authority for public housing. Individuals and families who are apparently eligible for public housing will be informed of their priority as relocatees and will be assisted in making application for public housing and any other low and moderate income housing assistance available. The Philadelphia Housing Authority informs the Relocation Department of the disposition of each referral, and those rejected for public housing and other low and moderate housing assistance are then offered referral assistance in obtaining private-rental housing.

Site occupants unable to obtain public housing or other low and moderate income housing assistance, or expressing a preference for relocation to private-rental housing, will be referred to vacancy listings maintained by the Relocation Department. Arrangements will be made for the inspection of the vacancy by the family or individual. If necessary, transportation will be provided for the inspection; and a member of the relocation staff will accompany the family or individual during the inspection. For those families and individuals interested in purchasing housing, information will be made available on builders or new housing under FHA-insured housing programs.

3. All housing to which displacees are referred, other than public housing and housing approved for FHA or VA mortgage insurance, will be inspected prior to referral to secure pertinent data on size and rent of the housing unit, and to insure that the housing unit is decent, safe, and sanitary.

All dwellings of self-relocated site occupants will be inspected if possible prior to the move. If the dwelling is found to be unsatisfactory, the Relocation Department will offer the relocatee referrals to standard housing. If the relocatee moves to a substandard unit and declines the offer of a standard unit, the matter will be reported to the Department of Licenses and Inspections with the objective of bringing the unit into conformity with local codes.

4. The Relocation Department will attempt to trace site occupants who have disappeared from the project area by using available sources for locating them such as employers, school registrations, social agencies, utility records, and forwarding addresses left with the post office. When such site occupants are located, the above procedure will apply.

5. The provisions for low and moderate income housing assistance available through Federal programs will be explained to families and individuals interested.

II. NON-RESIDENTIAL

A. DETERMINATION OF RELOCATION NEEDS

A relocation worker will contact each commercial and industrial business concern and non-profit organization to determine relocation needs and to explain benefits available to assist their move.

Space needs and locational preference of business firms will be secured and efforts made to discover and prevent any special problems which could hinder the orderly relocation of business establishments from the project area.

B. RELOCATION ASSISTANCE FOR BUSINESS CONCERNS AND NON-PROFIT ORGANIZATIONS

1. The Relocation Department will distribute a business relocation pamphlet describing the redevelopment process and the manner in which it affects businesses to all concerned businessmen in the project area. The Relocation Department will arrange meetings with business owners in the area to explain the program, answer questions, and in general to guide business firms in moving to a new location under the most advantageous conditions.
2. A relocation worker will personally call on the principal of all business concerns affected by the area program. This person will be the liaison between business firms and other sections and divisions of the Redevelopment Authority.
3. The Relocation Department maintains close contacts with real estate agents. Agents send in listings of commercial and industrial buildings available for rent or sale. Arrangements shall include provisions for listings which include the names and addresses of real estate agencies, brokers, and boards in or near the project area, to which business concerns may be referred for assistance in obtaining commercial space. These lists will be made available to business firms which must relocate.
4. Relocation payments will be made to eligible business concerns to cover moving expenses, any actual direct loss of property, and other benefits as set forth in Regulations governing relocation payments.

C. RELOCATION RESOURCES

The primary resources available to displaced "persons" are the relocation benefits and services mandated by the Eminent Domain Code of the Commonwealth of Pennsylvania, as amended. The Redevelopment Authority, relying upon years of experience in administering an effective relocation program, will deliver to all displacees the relocation benefits and assistance provided under the law.

The Relocation Department will obtain the assistance of professional industrial and commercial realtors in the relocation process. Public, quasi-public and private organizations and agencies dedicated to helping businesses will be sought for their professional expertise not only to identify suitable relocation sites, but also to provide management and financial assistance and advice, as needed.

The following agencies may be involved in providing relocation sites and financial assistance:

Philadelphia Industrial Development Corporation (P.I.D.C.), Council for Labor and Industry (C.L.I.), Small Business Administration City of Philadelphia, Department of Commerce

RELOCATION BENEFITS AND SERVICES

A. GENERAL

Authority for, and the implementation of, the Relocation Assistance Program are contained in the Eminent Domain Code, as amended and its Rules and Regulations as promulgated by the Attorney General of Pennsylvania.

The Relocation Assistance Program is available to all qualified persons, families, businesses, and nonprofit organizations which are wholly or partially displaced.

All terms in the following sections are defined in the Pennsylvania Eminent Domain Code, as amended and its Rules and Regulations as promulgated by the Attorney General of Pennsylvania.

1. Filing Claims

a. In order to obtain relocation benefits, an individual, family or business concern will be required to submit a written claim on forms provided by the Relocation Department.

b. Special conditions for business concerns:

(1) Business concerns will be required to give to the Redevelopment Authority a "letter of intent to move" at least 30 days prior to the estimated moving date. This letter of intent should include the new location, the estimated date of move, and an itemized list of articles to be moved at the Redevelopment Authority's expense. After receipt of such notification, a Redevelopment Authority representative will visit the premises from which the move is to be made in order to inspect the premises and offer assistance to the occupant.

(2) Business concerns with moving expenses estimated in excess of \$500.00, will be required to submit to the Redevelopment Authority, at least 15 days prior to the actual move, estimates of moving costs from at least 3 commercial movers, certified by the Public Utility Commission under a sealed bid procedure supervised by the Redevelopment Authority. The move will be

awarded on the basis of the lowest estimate. If a business concern estimates that its moving expenses will be \$500.00 or less, bids will not be required.

(3) A relocation payment for moving expenses to a business concern that moves beyond 50 miles from

The City boundary will not be in excess of the reasonable and necessary expenses for moving a distance of 50 miles.

2. Time Limit for Submission of Claim

All claims for relocation payments (other than a Claim for a Replacement Housing Payment for Homeowners) shall be submitted to the Redevelopment Authority within a period of eighteen (18) months after relocation of claimant. A claim for a Replacement Housing Payment for Homeowners shall be submitted within eighteen (18) months following purchase and occupancy of a standard replacement home or, one year from the final payment for the acquired dwelling, whichever is later.

3. Documentation in Support of Claim

A claim must be supported by the following:

- a. If for moving expenses, except in the case of a fixed schedule residential move, a receipted bill or other evidence of such expense.
- b. If for actual direct loss of property, written evidence thereof, which may include appraisals, certified prices, copies of bills of sale, cancelled checks, copies of advertisements, offers to sell, auction records, and such other records as may be appropriate to support the claim.

4. Grievance Procedures

- a. The Executive Director of the Redevelopment Authority or his designees shall hear the grievances of displaced persons regarding the Relocation Department's determination of their eligibility for or the amount of any item of special damages for displacement.
- b. Delegation of authority to hear appeals shall be in writing and shall be available for examination by the appellant. Such authority shall not be delegated below the level of the supervisor of the employee who made the initial determination.
- c. An aggrieved displaced person shall have the opportunity for a prompt hearing at a reasonably convenient time and place, or may appeal in writing, at his option.
- d. An aggrieved displaced person shall have the right to be represented by counsel and to present evidence, including evidence of comparable replacement dwellings,

Moving expenses, and other matters bearing on special damage for displacement.

e. The appeal shall be disposed of promptly, and the results conveyed to the appellant in writing.

B. RELOCATION BENEFITS FOR RESIDENTIAL OWNER AND TENANT OCCUPANTS

1. General

The following outlines the payments and benefits of the Redevelopment Authority's Relocation Assistance Program. The occupancy status (owner or tenant) and length of occupancy determines the type of benefit to which a displaced person will be entitled.

2. Eligibility Requirements

a. displaced person must have owned (or rented) and occupied the acquired dwelling for the appropriate number of consecutive days, 180 or 90, immediately prior to:

(i) The receipt of a written Intent to Acquire Letter; or

(ii) The date of the Fair Market value offer (Initiation of Negotiations).

b. The dwelling must be acquired by the Redevelopment Authority.

c. The displaced person must purchase or rent and occupy a decent, safe and sanitary replacement dwelling within one year after the date he moves from the acquired dwelling, or if an owner, one year from the date he receives final payment of the full acquisition cost of the acquired dwelling, whichever date is later.

3. Replacement Housing Payments for Homeowners

a. Definition: This replacement housing payment applies to displaced persons who have owned and occupied their dwellings, 180 days prior to the Initiation of Negotiations.

It is the amount, if any, which when added to the acquisition cost of the acquired dwelling, equals the reasonable cost of a comparable replacement dwelling. The reasonable cost of a comparable replacement dwelling is the actual cost paid by a displaced person for a decent, safe and sanitary dwelling or the amount determined by the Redevelopment Authority to be necessary for the purchase of a comparable replacement dwelling whichever is less.

b. \$15, 000.00 Limit

Under no circumstances may this payment exceed \$15,000.00.

4. Replacement Housing Payments for Tenants and Others

a. Definition: This Replacement Housing Payment applies to displaced persons who have owned or rented acquired dwellings at least 90 days prior to the Initiation of Negotiations. The payment can be made in one of the following two forms:

(i) For renters of replacement housing, this payment, is the amount, if any, times 46 which when added to the actual or economic rental of the acquired dwelling, equals the amount determined by the Redevelopment Authority as necessary to rent a comparable dwelling, or the amount actually paid by the relocatee to rent a decent safe and sanitary dwelling for four years (48 months), whichever is the lesser.

(ii) For purchasers of replacement housing, this payment is the amount necessary to enable the eligible displaced person to make a down payment plus closing costs on the purchase of a decent, safe and sanitary comparable replacement dwelling, not to exceed \$4,000.00. Except that, if such amount exceeds \$2,000.00, the displaced person shall match such amount in excess of \$2,000.00 in making the down payment.

5. Residential Moving Benefits

a. Eligibility

Any displaced person shall be reimbursed for reasonable expenses incurred in moving himself and his family and for the removal, transportation, and reinstallation, of personal property.

A relocatee is eligible for reimbursement of moving costs by either a fixed schedule or by actual cost payments. The relocatee may choose this method for reimbursement at the time he files his claim.

Normally, the moving expense payment is made only after the move has been accomplished, however, in hardship cases the payment may be processed in advance.

b. Fixed Schedule Payment Plus Dislocation Allowance

(1) A relocatee who chooses to be paid on a fixed schedule basis may employ a mover or perform the move himself. The amount to which he will be entitled to is based upon a schedule supplied by the Department of Transportation of the Commonwealth of Pennsylvania.

(2) In no event may the total of any fixed payment exceed \$300.00.

(3) A \$200.00 dislocation allowance to compensate for miscellaneous expenses incidental to move is provided over and above the schedule amount.

(4) Determination of Room Count

No firm rule can be established as to what constitutes a room however, as a guide to establish the room count for moving cost purposes, it should be an area adequately furnished for a specific living purpose. Bathrooms, for purposes of this payment, shall not be counted as rooms.

c. Actual Cost Move - by Commercial Mover

(1) Reimbursable Costs of an Actual Cost Move

(a) The cost of packing, transportation and unpacking the relocatee's personal property.

(b) Moving Insurance

(c) Removal and Reinstallation Expenses

(d) Any other benefits which may be eligible under the Eminent Domain Code as amended.

(2) Moving Cost Estimates

(a) The relocatee must secure at least two estimates from reputable, local movers regularly engaged in residential moving. These estimates shall be submitted to the Authority for review and approval prior to the move.

C. BUSINESSES AND NON-PROFIT ORGANIZATIONS

1. Eligibility Requirements

Generally, any business or non-profit organization is eligible for Relocation Payments when:

a. It is legally in occupancy at the time it is given a written Notice of Intent to Acquire; or

b. It is legally in occupancy at the initiation of negotiations for the acquisition of the property; or

- c. It is legally in occupancy on the date the Redevelopment Authority acquires the property; or
- d. It moves from the real property, or moves its personal property from the real property subsequent to the earliest date established in a, b, c; and
- e. The real property is subsequently acquired by the Redevelopment Authority.

2. Moving Payments

Each business concern or non-profit organization shall choose one of two moving options. These options are either:

- (i) a commercial move, or
- (ii) a commercial self-move

a. Eligible Moving Costs

The following items are eligible for reimbursement as moving costs if legitimately incurred during the moving process:

- (1) Expenses for moving personal property to replacement property (either actual reasonable moving costs or a self-move);
- (2) Costs incurred in obtaining moving estimates;
- (3) Packing and unpacking;
- (4) Removal and reinstallation;
- (5) Storage;
- (6) Insurance;
- (7) Any other eligible moving costs permitted under the Eminent Domain Code, as amended, and the Rules and Regulations promulgated thereunder.

b. Ineligible Moving Costs

The following items are not eligible for reimbursement as "moving costs":

- (1) Increased operating expenses at the replacement site;
- (2) Cost of moving structures, improvements, or other items of realty retained by the owner;

(3) Improvements to the replacement site or modification of personal property to adapt it to the replacement site, when such improvements or modifications are not required by law;

(4) Interest on loans to cover moving expenses;

(5) Loss of goodwill;

(6) Loss of trained and/or skilled employees;

(7) Loss of business and/or profit;

(8) Personal injury;

(9) Cost of preparing the application for moving expenses;

c. Commercial Moves

For all moves of businesses and non-profit organizations using a commercial mover, the Redevelopment Authority shall:

(1) Personally inspect all items to be removed, and, if possible, in the company of the owner.

(2) Assist the business to prepare a complete inventory and general description of the equipment and/or stock to be moved.

(3) Correlate the items scheduled to be moved (personal property) with those items shown in the Property Management inventory (real estate) and machinery and equipment appraisals, if applicable, to assure that items classified as real estate will not be included for moving cost reimbursement.

(4) Secure moving cost estimates from three local, reputable movers regularly engaged in this type of move. In making arrangements for the estimates, the Redevelopment Authority shall make personal on-site contact with a representative of each of the selected movers and review specifications. Any questionable items must be resolved at this time.

(5) Review the moving cost estimates and mover's inventory for correctness and reasonableness.

When the estimates are acceptable, the low estimate shall be approved.

(6) Monitor the move in process. This action will not be required in every instance. The decision to monitor the move will be made by the Redevelopment Authority after consideration of the amount and complexity of the move.

(7) Review the final moving charges for correctness and reasonableness. The owner, in his claim for payment must present receipted bills and certified post-move inventory of the items actually moved.

(8) Perform a post-move inspection.

d. Commercial Self-Move

The business has the option of performing a self-move, if it so desires. Three moving cost estimates shall be obtained from reputable local movers and after review and acceptance of the estimates, the Redevelopment Authority shall contact the business and negotiate an amount for a business self-move not to exceed the amount of the lower estimate.

When agreement is reached between the Redevelopment Authority and the business, the business will furnish the Redevelopment Authority with a letter in which they agree to move their business for the negotiated amount.

The Redevelopment Authority shall monitor business self-moves, based on the cost and complexity of the move.

After completion of the move, the business must submit a claim form to the Redevelopment Authority, along with a certified post-move inventory of all items moved.

3. Searching Costs

a. Amount of Payment

A displaced business or non-profit organization is entitled to the actual, reasonable expenses incurred in searching for a replacement site, not to exceed \$500.00 in cost.

b. Eligible Expenses

Eligible expenses include transportation expenses (20 cents per mile), meals, lodging away from home and the reasonable value of time actually spent in search, including the fees of real estate agents or real estate brokers.

c. Searching Costs for Non-profit Organizations

For Non-profit Organizations, searching costs for time spent in search may be paid only when the person performing the search is a paid employee of the organization.

Transportation expenses, meals and lodging away from home may be paid to a non-profit organization for expenses actually incurred by either paid employee or non-paid members.

d. Documentation and Claim for Payment

All expenses claimed, except the value of time actually spent in search, must be supported by receipted bills. Payment for time actually spent in search may not exceed \$10.00 per hour.

4. Business Dislocation Damages

a. Business Dislocation Damages is a payment which may be made to an eligible business or non-profit organization wherein both the operation and the relocatee occupies the property to be acquired. The payment consists of damages of not more than \$10,000 nor less than \$2,560, in an amount equal to either 40 times the actual monthly rental, in the case of a tenant, or 40 times the fair monthly rental value, in the case of owner-occupancy; or the average annual net earnings, whichever is greater.

b. Eligibility Requirements

(1) Businesses

For the owner of a business to be entitled to this payment, the Redevelopment Authority must determine that:

(a) The business cannot be relocated without a substantial loss of existing patronage.

A loss of existing patronage could occur when a business relocates and his average net earnings at the new location during a period of at least six months is less than his average net earnings at the old location during the two years prior to relocation.

(b) The business is not a part of a commercial enterprise having at least one other establishment not being acquired by the Redevelopment Authority which is engaged in the same or similar business.

(c) The business contributes materially to the income of the displaced owner.

(2) Non-Profit Organization

For a non-profit organization to be entitled to this payment, it must be determined that;

(a) The non-profit organization cannot be relocated without a substantial loss of its existing patronage.

(b) The non-profit organization is not part of a commercial enterprise having at least one other establishment not being acquired which is engaged in the same or similar activity.

(3) Other Eligibility Requirements

(a) Owner must provide information

To be eligible for the payment, a displaced business shall make available to the Redevelopment Authority, if requested, copies of applicable Federal State and local tax returns and shall allow the Redevelopment Authority to examine all applicable books and records.

(b) Separate Legal Entities

Separate legal entities will not each be entitled to a payment under this subsection, if they actually constitute only one business. In determining whether two or more legal entities constitute a business, the following factors, among others, shall be taken into consideration:

The extent of which the same premises and equipment are shared.

The extent to which substantially identical or intimately interrelated business functions are pursued and business and financial affairs are commingled.

The extent to which the entities are held out to the public and to those customarily dealing with such entities, as one business.

The extent to which the same person or closely related persons own, control, or manage the affairs of the entities.

5. Payments for Loss of Tangible Personal Property

Damages payable as personal property losses are attributable to personal property which a displaced person does not move from a business which is acquired or dislocated.

The Redevelopment Authority will assist the business to prepare an inventory and general description of items which will not be moved.

(a) Actual Direct Losses

(1) The Redevelopment Authority will have all items of personal property appraised. The following values will be determined; value in place, replacement cost, and the moving costs.

(2) Actual direct losses with reference to personal property, shall not exceed the greater of (i) the reasonable expenses which would have been required to relocate such personal property, or (ii) the value in place of such personal property as cannot be moved without substantially destroying or diminishing its value, whether because of the unavailability of a comparable site for relocation or otherwise or without substantially destroying or diminishing its utility in the relocated business.

(b) Optional Payment in Lieu of Actual Direct Loss

(1) In lieu of the damages provided for "a", at his option, the business may select to claim damages as follows:

(a) The business may sell the personal property at a "commercially reasonable" public or private sale.

(b) The total damages payable under this option may not exceed \$10,000.00.

(2) The business shall give the Redevelopment Authority not less than 60 days' notice, in writing, of their intention to seek damages under this option.

(3) The business shall not, directly or indirectly purchase any of the personal property at sale.

(4) Inventory shall be paid for under this option only if the business is not relocated.

6. Appraisal, Engineering and Attorney Fees

a. Eligibility

The owner of any right, title or interest in real property acquired or injured by the Redevelopment Authority, who is not otherwise eligible for reimbursement of such fees under Section 406(e), 408 or 609 of the Eminent Domain Code shall be reimbursed in an amount not to exceed \$500.00 as a payment toward reasonable expenses actually incurred for appraisal, attorney and engineering fees.

b. Limitation

(1) The combined total of the appraisal, engineering and attorney fees cannot exceed \$500.00.

(2) This payment is reimbursement for actual expenses incurred by the claimant with regard to the acquired property only.

7. Increased Interest Costs

a. Whenever the acquisition of a property results in the termination of an installment purchase contract, mortgage or other evidence of debt on the acquired property, thereby requiring the legal or equitable owner to enter into another installment purchase contract, mortgage or other evidence of debt on the property purchased for the same use as the acquired property, the owner shall be compensated for any increased interest and other debt service costs which he is required to pay in financing the acquisition of the replacement property.

b. Eligibility Requirements

(1) The acquired property must have been subject to an installment purchase contract or encumbered by a bona fide mortgage or other evidence of debt secured by the property which was a valid lien on the property for not less than 180 days prior to the initiation of negotiations for the acquisition of such property.

The date of the Notice of Intent to Acquire or Order to Vacate does not apply to this payment.

(2) The new obligation must bear a higher rate of interest than the old obligation.
