#### **INTRODUCTION**

This Plan represents the work of Fishtown Kensington Area property and business owners within the proposed District; the Steering Committee of the proposed Neighborhood Improvement District Management Association (Fishtown Kensington Area Business Improvement District, Inc.); the Fishtown Co business association; and representatives of New Kensington CDC, Fishtown Neighbors Association, and East Kensington Neighbors Association, all of whom have been extensively involved in the development of this Plan, and who now request that the Fishtown Kensington Area Business Improvement District (FKABID) as proposed by this Plan, be continued by City Council.

The Fishtown Kensington Area Business Improvement District, Inc. was established as a non-profit to operate as the Neighborhood Improvement District Management Association under the Community and Economic Improvement Act of December 21, 1998, P.L. 1307, No. 174 (53 P.S. §18101 et. seq.) ("Act"), to manage the District. In accordance with the requirements of the Act, the petitioners hereby propose the Plan for the District which includes: the proposed Boundaries and Service Area of the District; a map of the District (Exhibit A-1); a list of properties to be included in the District and subject to District assessment (Exhibit A-2); the proposed improvements, projects and/or programs to be operated by the management association during the life of the District; a proposed budget for all five fiscal years of FKABID operations, expected to commence January 1, 2025 (Exhibit A-3); and a detailed description of revenue sources for financing all proposed improvements, programs and services which includes the method of assessment. In addition, attached to this Plan, but not part of the proposed ordinance are bylaws for the proposed FKABID management association (Exhibit A-4).

## **SECTION FIVE**

### **BUDGET:**

The FKABID expects a first-year budget of \$756,000 in Scheduled Expenses, as set forth in Exhibit A-3 and further explained in Notes to Budget following the budget document, with budget amounts for subsequent fiscal years set forth in that document. Due to first-year expectations of yielding a seventy-four percent (74%) collection rate, an allowance of \$231,048.92 for non-payment is reflected in the budget shown in Exhibit A-3, with this estimated non-payment amount decreasing slightly in subsequent years.

### **A. BUDGET INCREASE:**

Beginning in year two, the Budget document reflects a 3% annual increase in expense amounts to account for inflation, and corresponding increases in necessary revenues, from assessments, to cover such increased costs. The FKABID Board may choose to entertain no budget increase, or to adopt an increase of less than three percent over the adjusted total budget.

## **SECTION SIX**

The FKABID will also work to bring additional resources to the district through other fundraising opportunities, including government and private grants, special events, and other partnerships that will allow FKABID to make more positive improvements to the district.

## **SECTION SEVEN**

## SECTION TEN

### COST-SHARING FORMULA

#### A. PROPERTIES SUBJECT TO THE ASSESSMENT:

All taxable (for real estate purposes) commercial properties within the District as described in Section Two (defined as properties used for any for-profit activity involving trade or commerce in general, including vacant commercial and industrial zoned parcels and residential properties that are rented to tenants for profit) shall be subject to the FKABID assessment. Single unit owner occupied residential and other non-profit or government owned tax-exempt properties or units located within the District boundaries will not be assessed. Similarly, any multi-unit property which contains an owner-occupied unit(s) used as a residence or entity that is exempt for the purposes of property taxes will receive an adjustment to the OPA Market Value which is used to calculate that property's FKABID assessment, based on the portion of the property used as an owner-occupied residence or entity that is exempt for the purposes of property taxes. A property on the list that is exempt from assessment, in whole or part, at the time the Plan is approved, that becomes subject to assessment, in whole or part, during the life of the Plan, will be assessed.

Neither vacancy nor non-use of a property qualifies a property for exemption from paying the FKABID assessment under any circumstance. Any property currently subject to the FKABID assessment which is converted to an exempt purpose may petition the FKABID Board to be designated exempt with such exemption to commence with the next FKABID fiscal year.

#### B. METHOD OF ASSESSMENT

1. Preliminary assessments will be calculated utilizing the property value assessment of such property by multiplying that portion of the district's annual budget attributed to assessments (shown as the Billing Amount in the 5-year budget included as Exhibit A-3) by the ratio of the OPA Market Value of that property to the total OPA Market Value of all properties in the district that are subject to the FKABID assessment. In performing this calculation, the OPA Market Value of multi-unit properties which contain an owner-occupied unit(s) used as a residence or entity that is exempt for the purposes of property taxes will receive an adjustment to the OPA Market Value of their property and the amount of the adjustment also will be excluded from the OPA Market Value of all properties in the district that are subject to the FKABID assessment.

The result for each property shall be designated the "Preliminary Assessment," which shall be adjusted as provided herein.

2. If the Preliminary Assessment for any property exceeds 2.1% (two and one tenth percent) of the Total Billing Amount of the FKABID for that year, then the Final Assessment for such property shall be equal to 2.1% (two and one tenth percent) of the Billing Amount and shall be the maximum amount due with respect to such property. Such properties shall be referred to as “Capped Properties.” The total assessments due from all such properties shall be referred to as “Capped Assessments.”

3. If the Preliminary Assessment for any property is less than three-hundred-and-sixty-five dollars (\$365), then the Final Assessment for such property shall be three-hundred-and-sixty-five dollars (\$365). This methodology recognizes that the services offered by the FKABID to all such property owners in this category can be reasonably valued at a daily rate of at least one dollar per day. Such properties shall be referred to as “One Dollar Per Day Properties.” The total assessments due from all such properties shall be referred to as “One Dollar Per Day Assessments.”

4. For any property not covered under paragraphs B.2 through B.3 [properties that are not Capped Properties or One Dollar Per Day Properties], the Final Assessment for such property shall be computed as follows:

- a. Subtract the OPA Market Values of all properties covered under paragraphs B.2 through B.3 from the OPA Market Value of all properties within the district that are subject to the FKABID assessment.
- b. Divide the OPA Market Value of the property by the result from (a).
- c. Calculate the annual Total Billing Amount for the FKABID less the total of all assessments for properties covered under paragraphs B.2 through B.3 [Capped Assessments or One Dollar Per Day Assessments]
- d. Multiply the result from (b) by the result from (c); and
- e. The result from (d) is the property’s annual assessment.

For determining the property value assessment of each property and the total value of all properties subject to assessment based on the assessed value of the property, the most recent certified values available from the City’s OPA as of April 1 prior to the commencement of the fiscal year for billing beginning on January 1st will be used. All assessments on FKABID affected real properties will be based on assessed value without regard to any tax abatements that may be associated with a particular property.

5. In any given year, property owners have the right and ability to appeal the OPA assessment to OPA or the Board of Revision of Taxes (BRT), and to reduce their City real estate assessment. The FKABID’s policy will be to re-calculate the annual charge and allow an adjustment to the current year charge, or if the charge has already been paid, to allow a credit against the property's

next annual FKABID charge, if the certified assessed value of the property is reduced on appeal to OPA or the BRT. In order to be eligible for the reduction or credit, the FKABID must receive written notification of an appeal from the property owner in the year in which the appeal is filed, in addition to a copy of the initial application and final decision of OPA or the BRT for a reduction of the property value for which the assessed charges apply.

### C. COLLECTIONS AND PROPERTY LIENS

Each assessment authorized pursuant to this ordinance is collectable. On the first of each month, beginning with April 1 of the year in which the assessment is due and continuing thereafter until the assessment is paid, the FKABID has the authority to charge 1.5% per month on any unpaid assessment or unpaid portion of an assessment.

In addition to the assessment and any interest penalties, any fees for actual costs associated with filing the lien shall be added to principal and interest to cover costs associated with the filing of the lien.

## SECTION ELEVEN

The specific duties and responsibilities of the City of Philadelphia and FKABID with respect to the District are as follows:

1. The City will be responsible for maintaining the same level of municipal programs and services within the District after its designation as a neighborhood improvement district as before such designation. The City will also be responsible for applying liens on properties for non-payment of property assessment fees as set forth in the Act at 53 P.S. § 18107(a)(10).

2. The FKABID shall fulfill all duties and responsibilities of a Neighborhood Improvement District Management Association (NIDMA) as set forth in the Act (53 P.S. § 18101 et. seq.). In its capacity as the NIDMA, the FKABID shall submit an annual audit of all income and expenditures to the Department of Community and Economic Development and to City Council within 120 days after the end of each fiscal year, and submit a report, including financial and programmatic information and a summary of audit findings, to City Council and to all assessed property owners located in the District, as required by the Act at 53 P.S. § 18109. In addition, the FKABID shall be responsible for collecting all assessment fees levied within the District.

## SECTION TWELVE

A written agreement will be signed by the City and the FKABID containing the following provisions:

1. The respective duties of the City and the FKABID with respect to the District as set forth in paragraph eleven (11) above;
2. The City's agreement to maintain within the District the same level of municipal programs and services that were provided within the District before its establishment;
3. A "sunset provision" under which the agreement will expire on December 31, 2029, and not be renewed unless the District is continued beyond that date pursuant to reenactment of the ordinance establishing the District; and
4. The FKABID's agreement to be responsible for the collection of all property assessment fees levied within the District and the City's agreement to file any necessary liens for nonpayment of property assessment fees as set forth in the Act at 53 P.S. § 18107(a)(10)

### **SECTION THIRTEEN**

The Fishtown Kensington Area Business Improvement District, Inc., will allow for and encourage tax-exempt property owners to provide in-kind or financial contributions to the District if not assessed, in lieu of a property assessment fee.

### **SECTION FOURTEEN**

The negative vote of at least one-third (1/3) of the affected property owners within the District, or the negative vote of affected property owners within the District whose property valuation, as assessed for taxable purposes, amounts to at least one-third (1/3) of the total property valuation of property owned by affected property owners located within the District proposed in the final plan, shall be required to defeat the continuation of the proposed District by filing objections to the clerk for the governing body of the municipality within forty-five (45) days of presentation of the final plan.
