**NORTHWOOD CIVIC ASSOCIATION and
NORTHWOOD CONCERNED CITIZENS**

Dated: , 2009

COMMUNITY BENEFITS AGREEMENT

THIS COMMUNITY BENEFITS AGREEMENT (this “Agreement”), is dated as of _____ 2009, between PHILADELPHIA HEALTHCARE PROPERTIES, LLC, a Pennsylvania limited liability company (“PHP”), for itself and on behalf of its affiliates, Eastern Regional Medical Center, Inc., a Pennsylvania corporation (“ERMC”) and Greenwood Holdings, LLC, a Pennsylvania limited liability company (“GH” and together with PHP and ERMC, the “PHP Parties”), and NORTHWOOD CIVIC ASSOCIATION, a Pennsylvania non-profit corporation (the “NCA”) and NORTHWOOD CONCERNED CITIZENS, an unincorporated association (“NCC” and together with NCA, the “Civic Associations”).

BACKGROUND

A. Civic Associations are local civic associations whose membership consists of the residents and property owners located within the geographical area and community known as the Northwood section of the City of Philadelphia (the “Community”).

B. PHP is the owner of the premises known as “Cancer Treatment Centers of America at Eastern Regional Medical Center,” having an address of 1331 East Wyoming Avenue, and comprising approximately 6.6 acres of land, together with the buildings and improvements thereon, located within the Community at and near the intersection of Wyoming Avenue and Castor Avenue, in the City of Philadelphia (the “Hospital Property”).

C. The Hospital Property is contiguous to certain premises known as “The Knights of Pythias Greenwood Cemetery,” comprising approximately 45.8 acres of land (the “Cemetery Property”), and is bounded on three sides by the Cemetery Property. The Cemetery Property is owned and operated by The Knights of Pythias Greenwood Cemetery Company of Philadelphia, a Pennsylvania non-profit corporation (the “Cemetery Company”).

D. PHP desires to expand certain of the buildings and improvements on the Hospital Property, and desires to purchase and acquire a portion of the Cemetery Property, consisting of approximately 8.87 acres of land (the “Expansion Area”), to accommodate such expansion. PHP further desires to seek all necessary state and local governmental permits, licenses, approvals and certificates (collectively, the “Approvals”) that PHP deems necessary or desirable in order to permit development of the Hospital Property and Expansion Area in accordance with the plan attached hereto as Exhibit A (the “Development Plan”), including, without limitation, (i) the adoption of an ordinance by the City of Philadelphia (the “City”) to change the zoning classifications of the Hospital Property and Expansion Area to an Institutional Development District under the City of Philadelphia Zoning Ordinance, (ii) the issuance of a building permit or permits and certificate or certificates of occupancy by the City Department of Licenses and Inspections, and (iii) any necessary approvals by the City Planning Commission and City Historic Commission.

E. Civic Associations and PHP have reached an agreement, as more particularly set forth below, to develop and implement programs and undertakings intended to foster a productive working relationship between PHP and Civic Associations in order to fulfill the goals of all parties hereto.

NOW THEREFORE, in consideration of the premises and the mutual promises herein contained, and intending to be legally bound hereby, Civic Associations and PHP, hereby agree as follows:

1. Employment Opportunities. PHP shall use reasonable efforts to recruit and hire residents of the Community for employment at the Hospital Property. 2. Home Buy Now Program. PHP shall promote and encourage the employees of the PHP Parties to purchase homes and reside in the Community. PHP shall participate in the "Philadelphia Home Buy Now" mortgage program, and will match any grant provided by the City of Philadelphia under such program to any employee of any PHP Parties (up to a maximum match of \$2,000, for a total incentive to the employee of \$4,000) that purchases a home in the Community for use as their principal residence.

PHP estimates that the burial relocation costs will be in excess of \$3,000,000, and agrees to be solely responsible for the payment of such costs. PHP shall ensure that all of the sale proceeds are used and applied by the Cemetery Company toward the cost of stabilizing the interior and exterior of the historic Rush House located on the Cemetery Property, as well as to restore the entrance gate and receiving vault, and to being the restoration and beautification of the Cemetery Property.

(b) PHP shall provide administrative personnel support to the Cemetery Company and assist the Cemetery Company with the operation of the Cemetery Property, until such time as PHP reasonably determines that the Cemetery Company can manage itself or that further assistance would not be worthwhile.

8. Support by Civic Associations. Upon request by PHP, Civic Associations agree to provide a letter of support on behalf of the Civic Associations for the Approvals
