Exhibit A

PRELIMINARY PLAN FOR THE ROXBOROUGH NEIGHBORHOOD IMPROVEMENT DISTRICT ("DISTRICT") AND REPORT OF THE CITY OF PHILADELPHIA CONCERNING THE DISTRICT

1. The name of the neighborhood improvement district is the Roxborough District ("District"). A map of the District is attached as Exhibit A-1, and an enlarged copy of the map shall be kept on file with the Chief Clerk to be made available for inspection by the public during regular office hours.
2. The service area of the District includes all taxable (for real estate purposes) commercial properties (defined as properties used for any for-profit activity involving trade or commerce in general, including residential units that are rented to tenants for profit) on both sides of Ridge Avenue from Main Street to 7220 Ridge Avenue, plus those commercial properties on certain blocks of streets that intersect that portion of Ridge Avenue, all of which are listed in Exhibit A-2 attached. This area is referred to as the "Whole District." While the service area does contain single family owner-occupied residential properties, these properties will not be assessed. Tax exempt properties will not be assessed.

All taxable commercial properties, referenced in the above paragraph, shall be subject to the assessment of the Roxborough Development Corporation (RDC), the administrative body which will govern and administer the District. Single family owner-occupied residential properties, including single family owner occupied residential condominiums, shall be the only classes of taxable property exempt from the RDC assessment. Furthermore, tax-exempt properties located within the District will be encouraged to contribute cash or in-kind services. Neither vacancy nor non-use of a property qualifies it for an exemption under any circumstance.

As of July 1, 2012, there are about 280 properties in the Whole District.

The Whole District includes a sub-area called the "Central District" consisting of commercial properties on both sides of Ridge Avenue beginning at 5735 Ridge Avenue and extending through to 6247 Ridge Avenue. As of July 1, 2012, there are about 120 properties in the Central District. The second sub-area is called "Upper Ridge" and "Lower Ridge" that includes all taxable (for real estate purposes) commercial properties (as defined in paragraph 2) in the rest of the district. As of July 1, 2012, there are about 160 properties in the Upper and Lower Ridge.

A map of the District is attached hereto as Exhibit A-1.

3. A list of all properties to be assessed is attached as Exhibit A-2.
4. A list of proposed improvements and services within the District and their estimated cost for the first year of operation are as follows:
 - a. Marketing: Marketing services may include, but are not limited to: (i) *business promotion*

strategies, such as the development and distribution of promotional materials (e.g., a District map, direct mail and coupon books), creating a District slogan and printing and selling T-shirts, and placing advertisements for the District in the neighborhood resource guide, phone directories, on bus shelters, at public parking lots and similar locations; (ii) *business attraction strategies*, such as marketing available vacant space, e-business promotion through a web site, social media, a "weed and seed" program and creating financial incentives; and (iii) *business retention strategies*, such as a collaborative print media marketing business promotion strategy, organizing special events designed to attract customers, marketing campaigns targeted at major employers along and near the District designed to attract their employees as customers for businesses within the District. (Budget allocation for Year 1: \$58,000)

b. Appearance: Appearance services will include the development of a professional streetscape plan that will detail pedestrian lighting, pedestrian crosswalks, benches, trash receptacles, bike racks, street trees, banners, directional and information signage, as well as, storefront facade design criteria, business lighting examples, sample window displays and signage criteria. The District budget allocation will support the design and development of a streetscape plan. The District will pursue other available funding sources for the implementation of the streetscape plan. Appearance services may also include, but are not limited to: cleaning "hot spots;" weed control; organizing adopt-a-block programs and community clean-ups; purchase and maintenance of streetscape furniture and street banners; maintaining planters, landscaping, promoting uniform lighting treatments and providing professional design services for facade improvements and window displays; designing holiday lighting and decorations; sponsoring design contests for Ridge Avenue "gateways;" and, designing information kiosks for use along Ridge Avenue. (Budget allocation for Year 1: \$44,000)

c. Parking & Public Safety: *Parking services* may include, but are not limited to: reviewing and evaluating public parking options, parking meters, parking validation programs and parking tokens. *Public safety services* may include, but are not limited to: repainting pedestrian crosswalks; sponsoring police bicycle patrols; working with the Police District Advisory Committee (PDAC); and, promoting the use of the City's Security Rebate Program by District businesses. (Budget allocation for Year 1: \$30,000)

d. Sidewalk Cleaning: Routine sidewalk cleaning will be performed only within the Central District as described above in paragraph 2. The commercial properties within the Central District will be assessed an additional fee for this added service as set forth in paragraph 10. (Budget allocation for Year 1: \$61,000).

e. Personnel and Administration: Personnel and administration may include, but are not limited to, various operating expenses such as: accounting, yearly audit, legal, telephone, supplies, postage, equipment lease, paper supplies, insurance utilities, rent, salaries and benefits." (Budget allocation for Year 1: \$92,844).

5. The proposed budget for fiscal year 2013-2014 was unanimously approved by the Business Improvement District (BID) Steering Committee in the amount of \$277,844 + other income. The proposed budget for the life of the District including, but not limited to, personnel and administration, programs and services, maintenance and operation, is attached as Exhibit A-3. To account for inflation, the budget may increase by up to 3% annually beginning on 7/1/2014.

6. The proposed revenue source for financing all proposed improvements, programs and services is set forth in Exhibit A-3.
7. The estimated time for implementation and completion of all proposed improvements, programs and services is ten years, to June 30, 2023, which corresponds to the term of the District.
8. The administrative body which will govern and administer the District is the Roxborough Development Corporation (RDC).
9. The by-laws of the RDC are attached as Exhibit A-4.
10. The cost of the services for the District will be equitably apportioned among all commercial properties within the two District service areas. The Central District assessment fee may be proportionally higher based on the additional services (such as more frequent street cleaning, planter maintenance) provided in that service area.

The budget for each of the 10 years of the plan shall be based upon the 2013-2014 budget set forth herein at Exhibit A-3, with such adjustments as authorized below.

The total 2013-2014 budget is \$277,844.45, representing a Central District service area amount of \$172,219.80 and a Lower/Upper Ridge service area amount of \$105,624.65.

The assessment for each property shall be calculated as follows:

- (1) Divide the total assessed value of the property for that tax year by the total assessed value for all commercial properties in the service area in which the property is located;
- (2) Multiply the result from (1) by the annual budget amount for the service area in which the property is located;
- (3) The result from (2) is the property's annual assessment.

The property values certified by the Office of Property Assessment for the tax year for which the assessment is imposed, without reference to any tax abatement, shall be used in calculating each assessment.

The Board may only adjust the budget as follows:

- (1) Following the first year of this plan, the budget shall increase by 3% annually in order to account for inflation, provided that the board may reduce or eliminate such increase for any year.
- (2) At any time during the term of this plan, the board may adjust the budget to account for the increased or decreased cost of providing services where any improvement, development, or change in use materially alters the cost of providing those services provided for under

paragraph 4 of this plan within the Whole District or within either service area. The Board shall have no authority to adjust the budget under this subparagraph (2) except in accordance with a written recommendation adopted and submitted to the whole Board by a majority of those Board members who either own or operate a business in the district or own a commercial property in the district.

The following shall apply to conversions between commercial and non-commercial use:

- (1) Any non-commercial property that converts to a commercial use during the term of this plan shall be subject to assessment as provided herein in the year following the conversion.
- (2) Any commercial property that converts to a non-commercial use during the term of this plan shall be exempt from further assessment for as long as its use remains non-commercial. Such exemption shall commence with the year immediately following the year of conversion to non-commercial use.

11. The specific duties and responsibilities of the City of Philadelphia and the RDC with respect to the District are as follows:

a. The City will be responsible for maintaining the same level of municipal programs and services within the District during its continuation as a neighborhood improvement district as before its establishment as a neighborhood improvement district. The City will also be responsible for filing any necessary liens on properties for the nonpayment of property assessment fees as set forth in the Act at 53 P.S. §18107(a)(10).

b. The RDC shall fulfill all the duties and responsibilities of a Neighborhood Improvement District Management Association (NIDMA) as set forth in the Community and Economic Improvement Act (53 P.S. §18101 *et. seq.*). In its capacity as the NIDMA, the RDC shall annually submit an audit of all income and expenditures to the Department of Community and Economic Development, City Council and the City Commerce Department within 120 days after the end of each fiscal year; and submit a report, including financial and programmatic information and a summary of audit findings, to City Council, the City Commerce Department and all assessed property owners located in the District. In addition, the RDC will be responsible for the collection of all property assessment fees levied within the District.

12. A written agreement shall be signed by the City and RDC containing the following provisions:

a. The respective duties of the City and the RDC with respect to the District as set forth in paragraph 11 above;

b. The City's agreement to maintain within the District the same level of municipal programs and services that were provided within the District before its establishment;

c. A "sunset provision" under which the agreement will terminate on June 30, 2023 and may not be renewed unless the District is continued beyond that date pursuant to a reenactment of the ordinance establishing the District; and

d. The RDC's agreement to be responsible for the collection of all property assessment fees levied within the District and the City's agreement to file any necessary liens for nonpayment of property assessment fees as set forth in the Act at 53 P.S. §18107(a)(10).

13. The District shall allow for and encourage tax-exempt property owners, located within the district, to provide in-kind services or a financial contribution to the RDC, if not assessed, in lieu of a property assessment fee.

14. The negative vote of at least fifty-one percent (51%) of the property owners within the District or property owners within the District whose property valuation as assessed for taxable purposes amounts to fifty-one percent (51%) of the total property valuation located within the District proposed in the final plan, shall be required to defeat the establishment of the District by filing objections with the Clerk of Council within forty-five (45) days of presentation of the final plan.

The officers, directors and committee members shall therefore take reasonable actions to avoid entering into contracts, transactions or other arrangements where officers, directors, committee members and members of their immediate families are the recipients of any payments from the Corporation other than reimbursements for expenditures that have been duly approved by the Corporation. Such reasonable actions shall include, but not be limited to, identifying providers of goods and services without such conflicts of interest that can be readily available for the provision of such goods and services to the Corporation at competitive prices, and adhering to the Corporation's policies for competitive procurement of goods and services.

It is the policy of the Corporation and of its Board of Directors that:

1) Any material facts as to such financial interest shall be disclosed by such committee member, director or officer to the Board or committee entitled to vote on such contract, transaction or arrangement.

6) The Board or a Committee approving such contract, transaction or arrangement will make sure that the interested party gets no preferential treatment.
