## I. Introduction and Definitions

The City of Philadelphia strongly encourages the use of certified Minority ("MBE"), Women ("WBE"), Disabled ("DSBE") and Disadvantaged ("DBEs") Business Enterprises (collectively, "M/W/DSBEs") and minority and female workers in all aspects of 9<sup>th</sup> & Washington (the "Project") located at 1101-07 S. 9<sup>th</sup> Street & 1109-1133 S. 9<sup>th</sup> Street ("the Site") which may include financial investment, design, construction, and operations.<sup>1</sup> In support of this objective, the City of Philadelphia will require that John Usdan & an Entity to be formed by Midwood Investment & Development (the "Owner") commit to this Economic Opportunity Plan ("EOP" or "Plan"). This Plan contains ranges of projected M/W/DSBE utilization and goals for the employment of minority and female workers in connection with the Project at the Site. This Plan shall be a part of and incorporated into the resulting agreement(s) with the owners of the 9<sup>th</sup> & Washington.

The Owner hereby verifies that all information submitted to the Office of Economic Opportunity ("OEO") in response to this Plan is true and correct and takes notice that the submission of false information is subject to the penalties of 18 PA C. S. Section 4904, relating to unsworn falsification to authorities and 18 PA C. S. Section 4107.2 (a)(4), relating to fraud in connection with minority business enterprises or women's business enterprises.

For the purposes of this Plan, MBE, WBE, DBE and DSBE shall refer to certified businesses so recognized by OEO. Only the work or supply efforts of firms that are certified as M/W/DSBEs by an OEO-approved certifying agency will be eligible to receive credit as a Best and Good Faith Effort.<sup>2</sup> In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at [www.phila.gov/oEO/directory](http://www.phila.gov/oEO/directory).

For this Plan, the term "Best and Good Faith Efforts," the sufficiency of which shall be in the sole determination of the City, means: efforts, the scope, intensity and appropriateness of which are designed and performed to foster meaningful and representative opportunities for participation by M/W/DSBEs and an appropriately diverse workforce and to achieve the objectives herein stated. Best and Good Faith Efforts are rebuttably presumed met when commitments are made within the M/W/DSBE participation ranges established for the Project and a commitment is made to employ a diverse workforce as enumerated herein.

## II. Project Scope

New construction, mixed-use project with below grade parking, ground floor retail, rental apartments and for sale trinity homes.

## III. Goals

### A. M/W/DSBE Participation Ranges

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably

<sup>1</sup> Disadvantaged Business Enterprises ("DBEs") are those socially or economically disadvantaged minority and woman owned businesses certified under 49 C.F.R. Part 26.

<sup>2</sup> A list of "OEO approved certifying agencies" can be found at [www.phila.gov/oEO](http://www.phila.gov/oEO)

attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the entire Project. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g., MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The ranges are based upon an analysis of factors such as the size and scope of the Project and the availability of MBEs, WBEs, DSBEs and DBEs to participate in this development.

The following contract goals have been set for the Project:

Contracts	Minority Owned	Female Owned	DSBE	Total
Construction	20-25%	10-15%	BCBE	30-40%

**B. Employment Goals**

The owner agrees to exhaust Best and Good Faith Efforts to employ minority persons and females in its workforce of apprentices and journeymen at the following levels:<sup>3</sup>

- Minority Apprentices - 50% of all hours worked by all apprentices
- Minority Journeymen - 32% of all journey hours worked across all trades
- Female Apprentices - 7% of all hours worked by all apprentices
- Female Journeypersons - 2% of all hours worked across all trades

<b>Local Residents</b>
32%

**IV. Equity Ownership**

The Philadelphia Code 17-1603 requires that each Economic Opportunity Plan include information concerning the Equity Ownership (as defined) of (1) the contractor, developer and/or recipient of financial assistance required to submit the Plan; (2) participants (as defined) engaged by the contractor, developer and/or recipient of financial assistance; and (3) the eventual owner or owners of the project or contract to which the Plan relates; and requiring periodic reports for the purpose of updating Equity Ownership information; all under certain terms and conditions.

Identify the current equity owners of the project.

*Equity ownership for this project has yet to be finalized since there are two properties (each with various equity owners) that will need to be combined to effectuate the Project. Based on the current ownership of the two parcels, a significant percentage of the Project will likely be women-owned.*

<sup>3</sup> These goals are based upon the recommendations of the Mayor’s Advisory Committee on Construction Industry Diversity (MACCID), published in the 2009 MACCID Report; they have been augmented by OEO over time based upon labor market data.

**VI. Responsiveness**

A. The owner shall identify M/W/DSBE commitments and other agreements evidencing their intent to use Best and Good Faith efforts to employ minority persons and females at the levels stated herein. The identified commitments constitute a representation that the M/W/DSBE is capable of providing commercially useful goods or services relevant to the commitments and that the Owner has entered into legally binding commitments or other legally binding agreements with the listed M/W/DSBEs for the work or supply effort described and the dollar/percentage amounts set forth. In calculating the percentage of M/W/DSBE participation, the standard mathematical rules apply in rounding off numbers. In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

B. M/W/DSBE commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with M/W/DSBEs become part of and an exhibit to the Agreement resulting from the RFP.

C. OEO will review the owner's commitments for the purpose of determining whether Best and Good Faith Efforts have been made. OEO reserves the right to request further documentation and/or clarifying information at any time during the construction and development of the Project.

**VII. Compliance and Monitoring of Best and Good Faith Efforts**

A. The owner agrees to cooperate with OEO in its compliance monitoring efforts, and to submit, upon the request of OEO, documentation relative to its implementation of the Plan, including the items described below:

- Copies of signed contracts and purchase orders with M/W/DSBE subcontractors
- Evidence of payments (cancelled checks, invoices, etc.) to subcontractors and suppliers to verify participation; and
- Telephone logs and correspondence relating to M/W/DSBE commitments.
- To the extent required by law, the Owner shall ensure that its on-site contractors maintain certified payrolls which include a breakout of hours worked by minority and female apprentices and journeypersons. These documents are subject to inspection by OEO.

**B. Prompt Payment of M/W/DSBEs**

The owner agrees and shall cause its contractors to ensure that M/W/DSBEs participating on the Project receive prompt payment for their work or supply effort within five (5) days after receipt of payment from the project owner.

**C. Oversight Committee**

For this Project, in the sole discretion of the City, an oversight committee may be established consisting of representatives from the Owner, representatives of the building trades, the construction manager, and the City which may include the Project site's district councilperson, OEO, and appropriate community organizations ("Committee"). The Committee will meet regularly to provide advice for the purpose of facilitating compliance with the Plan.
