- (e) insure that the conduits in, under and across the southeast corner of Eleventh Street and Market Street for the purpose of supplying electrical service and telephone service to the newsstand are constructed according to plans approved by the Streets Department;
- (f) insure that all construction contractors for the encroachments described in Section 1 carry public liability and property damage insurance, naming the City of Philadelphia as an insured party in such amounts as shall be reasonably satisfactory to the City Solicitor;
- (g) carry public liability and property damage insurance, co-naming the City of Philadelphia as an insured party in such amounts as shall be satisfactory to the Law Department; and
- (h) remove the conduits in, under and across the southeast corner of Eleventh Street and Market Street for the purpose of supplying electrical service and telephone service to the newsstand within one hundred and eighty (180) days upon service of lawful written notice from the Streets Department.
