Amending Section 17-109 of The Philadelphia Code, entitled "Local Bidding Preferences," by providing for a local bidding preference for contracts funded by certain federal stimulus moneys, under certain terms and conditions.

**Whereas,** The City of Philadelphia is in the process of completing applications to draw down federal stimulus funds and putting out RFPs for various projects pursuant to the American Recovery and Reinvestment Act (ARRA); and

**Whereas,** Under the ARRA states receive targeted allocations of federal funds to promote the goals of the act and stimulate economic conditions within that state; and

**Whereas,** Each state receiving federal recovery funds in turn apportions a certain amount to each municipality

and county within the state that is solely dedicated to stimulating those particular local economies; and

**Whereas**, In total, Philadelphia is due to receive a little over \$1 billion in federal stimulus funds. Excluding funds going to SEPTA, the School District, PHA, and PennDot for Girard Street Bridge, the City will be receiving nearly \$500 million from the federal stimulus; and

**Whereas**, Local business entities are an integral component of Philadelphia’s economic fabric, contributing considerably to the City’s economic growth and prosperity; and

**Whereas**, Recognizing this, the City of Philadelphia currently has a 5% local bidding preference for procurement contracts, affording local companies an increased opportunity to participate economically in City contracting; and

**Whereas**, Given their intended purpose, federal stimulus funds targeted for the City should go toward directly benefitting Philadelphia based businesses and workers; and

**Whereas**, It would be in the best interest of the City of Philadelphia that companies and workers located in the City have the greatest opportunity to benefit from federal funds allocated for Philadelphia; now, therefore

*THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:*

SECTION 1. Section 17-109 of The Philadelphia Code is amended to read as follows:

\* \* \*

***(d) The amount of the bid preference shall be as follows:***

***(.1) For contracts certified by the Director of Finance or his designee as funded in whole in part with moneys received pursuant to the American Recovery and Reinvestment Act, Pub. L. 111-5 (Feb. 17, 2009): ten percent (10%).***
