SECTION 2. Before exercising any rights or privileges under this Ordinance, the United States of America, acting through the Department of Justice, Federal Bureau of Prisons must first obtain all required permits, licenses and approvals from all appropriate departments, boards, agencies or commissions. No such department, board, agency or commission shall be required to issue any such permit, license or approval solely because this Ordinance has been enacted, it being the express intent of this Ordinance not to supersede any other provision of law governing the issuance of such permits, licenses or approvals. In addition, before exercising any rights or privileges under this Ordinance, the United States of America, Department of Justice, Federal Bureau of Prisons shall enter into an agreement ("Agreement") with the appropriate City department (s), in form satisfactory to the City Solicitor, to provide that the United States of America, Department of Justice, Federal Bureau of Prisons shall, *inter alia*:

(1) furnish the City with documentation in a form acceptable to the City Solicitor acknowledging that the United States of America is self bonding to insure the compliance with all terms and conditions of this Ordinance and the Agreement and to protect and to indemnify the City from and against all damages or claims for damages which may arise directly as a result of the ownership, construction, maintenance, and removal of the precast concrete planters authorized in Section 1;

(2) comply with the provisions of The Philadelphia Code, thereby securing all required permits, licenses and approvals from all appropriate departments, boards, agencies or commissions as may be required;

(3) insure that none of the precast concrete planters authorized by Section 1 exceed the dimensions set forth in Section 1;

(4) furnish the City with documentation acknowledging that the United States of America is self insured and will protect the City against liability for property damage and liability for injury or death to persons, including injuries to employees of the United States of America, as a result of the activity described in Section 1 of this Ordinance in a form that is reasonably satisfactory to the City Solicitor;

(5) remove each of the precast concrete planters authorized by Section 1 from the public rights-of-way within sixty (60) days at no cost or expense to the City upon lawful service of notice from the City of Philadelphia; and

(6) remove each of the precast concrete planters authorized by Section 1 from the public rights-of-way at no cost and expense to the City when the precast concrete planters are no longer being used for the purpose originally intended by the United States of America, Department of Justice, Bureau of Federal Prisons.

SECTION 3. The City Solicitor may include in the Agreement such other terms and conditions as the Solicitor deems necessary to protect the interests of the City.

SECTION 4. The permission granted to United States of America, Department of Justice, Federal Bureau of Prisons to construct and maintain the precast concrete planters on the south footway of Arch street and the West footway of Seventh street adjacent to the property 700 Arch street shall expire without any further action by the City of Philadelphia if the United States of America, Department of Justice, Federal Bureau of Prisons has not entered into the Agreement and satisfied all requirements of the Agreement that are listed in Section 2 within one (1) year after this Ordinance becomes law.

SECTION 5. This Ordinance shall not become effective unless the sum of two hundred dollars (\$200.00), toward the costs thereof, is paid into the City Treasury with sixty (60) days after this Ordinance becomes law.
