(b) protect, indemnify and save harmless the City from all suits or claims for damages which may arise directly or indirectly as a result of the erection and maintenance of the fence listed in Section 1 of this Ordinance;

(c) comply with the provisions of The Philadelphia Code, thereby securing all required permits, licenses and approvals from all appropriate departments, boards, agencies or commissions as may be required;

(d) insure that the fence authorized by Section 1 does not exceed the dimensions set forth in Section 1;

(e) carry public liability and property damage insurance co-naming the City of Philadelphia as an insured party in such amounts as shall be satisfactory to the City Solicitor;

(f) remove the fence authorized by Section 1 from the public rights-of-way within sixty (60) days upon lawful service of notice from the City of Philadelphia; and

(g) remove the fence authorized by Section 1 from the public right-of-way within thirty (30) days after the fence is no longer used for the purpose authorized by the ordinance or existing law.

SECTION 3. The City Solicitor may include in the Agreement such other terms and conditions as the Solicitor deems necessary to protect the interests of the City.

SECTION 4. The permission granted to Irvin Bruskin to construct and maintain a fence for a dumpster enclosure on the east footway of South Fifth street, adjacent to the property 2451 South Fifth street shall expire without any further action by the City of Philadelphia if Irvin Bruskin has not entered into the Agreement and satisfied all requirements of the Agreement that are listed in Section 2 within one (1) year after this Ordinance becomes law.
