Ch. 56, to enter into agreements for programs, evaluations, facility alterations or upgrades designed to reduce energy, water, wastewater or other consumption or operating costs at specified City properties, all under certain terms and conditions.

WHEREAS, By Ordinance approved December 23, 1975 (1975 Ordinances, p. 1572), City Council authorized the organization of the Equipment Leasing Authority of Philadelphia pursuant to the provisions of the Act; and

WHEREAS, By Ordinance effective March 24, 1983 (1983 Ordinances, p. 513), the name of the Equipment Leasing Authority of Philadelphia was changed to "The Philadelphia Municipal Authority" ("Authority"), and the powers of the Authority were expanded to include the acquisition, holding, construction, improvement, maintenance, operation, ownership and leasing of facilities for the collection, removal or disposal of ashes, garbage, rubbish and other refuse materials by incineration, landfill or other methods, steam heating plants and distribution systems, and incinerator plants; and

WHEREAS, By Ordinance approved July 9, 1984 (1984 Ordinances, p. 768), the powers of the Authority were expanded to include the acquisition, holding, construction, improvement, maintenance, ownership and leasing of facilities and equipment for the conduct of judicial proceedings and/or facilities and equipment for the incarceration, detention, correction and rehabilitation of prisoners; and

WHEREAS, By Ordinance approved March 25, 1988 (1988 Ordinances, p. 58), and August 3, 1989 (1989 Ordinances, p. 1317), the powers of the Authority were expanded to include the acquisition, holding, construction, improvement, maintenance, operation, ownership and leasing (either as lessor or lessee) of certain buildings to be devoted wholly or partially for public uses; and

WHEREAS, By Ordinance approved August 3, 1989 (1989 Ordinances, p. 1199), the powers of the Authority were expanded to include the development and operation of buildings, facilities and equipment for cogeneration systems related to sewage treatment plants using digester gas as the primary fuel, supplemented by liquid or gaseous fossil fuels, and located at the Northeast Water Pollution Control Plant (3900 Richmond Street) and the Southwest Water Pollution Control Plant (8200 Enterprise Avenue); and

WHEREAS, By Ordinance approved July 1, 1997 (Bill No. 970352), the powers of the Authority were expanded to include acquisition, maintenance and operation, ownership or leasing (either in the capacity of lessor or lessee) of facilities and equipment for the automated collection and delivery of water usage data from water and sewer customers to the City of Philadelphia; and

WHEREAS, By Ordinance approved January 3, 2008 (Bill No. 071082) the powers of the Authority, were expanded to acquire, hold, construct, improve, maintain, operate, own and lease, either in the capacity of lessor or lessee, to the City of Philadelphia or to others, the real property, facilities, equipment and the improvements located at 91 North 48th Street, Philadelphia, Pennsylvania devoted wholly or partially to public

uses and to be known as the New Youth Center Facility;

WHEREAS, By Ordinance approved June 12, 2008 (Bill No. 080495) the powers of the Authority were expanded to include the power to design, build, finance, own, operate, maintain, and lease (either in the capacity of lessor or lessee) facilities and equipment, and provide related services, for the management of the City's wastewater treatment solids, all under certain conditions; now therefore,

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

SECTION 1. City Council hereby approves the following additional powers for the Philadelphia Municipal Authority:

The Philadelphia Municipal Authority, incorporated pursuant to the Municipality Authorities Act (the "Act"), 53 Pa. C. S. Ch. 56, and in accordance with an Ordinance of City Council, approved December 23, 1975 (1975 Ordinances, p. 1572), is hereby empowered, in addition to such other powers heretofore granted by ordinance, to evaluate and implement energy conservation and efficiency measures designed to reduce energy, water, wastewater or other consumption or operating costs, including without limitation the power to evaluate, design, install, finance, own, operate, maintain and lease (either in the capacity as lessor or lessee) related equipment, facilities, structures, fixtures, improvements, systems and technologies and provide related services, at City properties located at (1) Broad Street & Market Street, Philadelphia, Pennsylvania 19107; (2) 1301 Filbert Street, Philadelphia, Pennsylvania 19107; (3) 1401 JFK Boulevard, Philadelphia, Pennsylvania 19102; and (4) 1515 Arch Street, Philadelphia, Pennsylvania 19102 (respectively: City Hall, the Criminal Justice Center, the Municipal Services Building and One Parkway Building). The Authority is hereby empowered to exercise, with respect to such activities, all powers granted by the Municipal Authorities Act.

SECTION 2. The Authority or its representative is hereby authorized and directed to adopt and file with the Secretary of the Commonwealth of Pennsylvania such amendments to the Articles of Incorporation of the Authority as are necessary to implement the provisions of this Ordinance.

SECTION 3. This Ordinance shall take effect immediately.
