Amending various sections of The Philadelphia Code to address matters related to the landlord and tenant relationship during the Coronavirus of 2019 pandemic and otherwise, including providing for relief to tenants who have been illegally locked out of their residences and making certain technical changes, all under certain terms and conditions.

*THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:*

### SECTION 1.

The Council of the City of Philadelphia hereby makes the following legislative findings:

1. On March 6, 2020, in response to the 2019 novel coronavirus disease, COVID-19, the Governor of Pennsylvania issued a Proclamation of Disaster Emergency.
2. On March 11, 2020, the World Health Organization (“WHO”) declared the COVID-19 outbreak a global pandemic, defined as the worldwide spread of a new virus for which most people do not have immunity.
3. On March 19, 2020, the Governor of Pennsylvania and Pennsylvania Secretary of Health ordered all non-life-sustaining businesses in Philadelphia and the surrounding counties to close their physical locations to slow the spread of COVID-19.
4. On March 22, 2020, the Mayor and the Commissioner of Public Health jointly issued their second Emergency Order Temporarily Prohibiting Operation of Non-Essential Businesses and Congregation of Persons to Prevent the Spread COVID-19, which remains in effect.
5. On March 23, 2020, the Governor of Pennsylvania issued a Stay at Home Order that applies to Philadelphia and numerous surrounding counties.
6. The local and state orders shut down or reduced the operations of many businesses in Philadelphia. 99.7% of Greater Philadelphia’s economy consists of small businesses.
7. On March 16, 2020, the Supreme Court of Pennsylvania issued Orders to prevent the Judiciary from effectuating an eviction, ejection or other displacement from a residence. The Supreme Court extended these Orders on April 28, 2020. On May 7, 2020, Governor Wolf signed an executive order staying foreclosure and eviction notice requirements for 60 days, thereby tolling the ability to commence the timelines necessary for the initiation of foreclosure and eviction proceedings until July 10, 2020. On May 21, 2020, Governor Wolf amended the May 7, 2020 executive order to apply the revised notice provisions only to matters involving the nonpayment of monies and proceedings related to removal of any tenant solely because the tenant has held over or exceeded the term of a lease.
8. The City of Philadelphia is one of the most densely populated cities in the United States of America

with an estimated population size of 1.5 million.

9. Philadelphia is also one of the poorest cities in America, where 24.5% or 377,116 Philadelphia residents, live in poverty.
10. Philadelphia has a high population of renters. The number of renters in Philadelphia has rapidly increased in recent years, growing from 40.7% in 2000 to almost half of the population today.
11. Before the pandemic, Philadelphia had the 4th highest eviction rate among large cities, with 1 out of every 14 renters facing eviction each year.
12. More than 300,000 of Philadelphia's renters struggled to afford rent before the COVID-19 pandemic. In 2017, 53.4% of Philadelphia renters were cost-burdened, meaning they paid more than 30% of their income on rent, and 31% of Philadelphia renters were severely cost-burdened, meaning they spent more than 50% of their income on rent.
13. To address the city's affordable housing crisis, Philadelphia City Council established a Tenant Legal Defense Fund in 2017, an anti-eviction task force in 2017, and right to counsel in 2019 to address evictions.
14. The number of Philadelphians struggling to pay rent has undoubtedly increased since the onset of the COVID-19 pandemic, as at least 1.9 million Pennsylvanians and over 120,000 Philadelphians have filed for unemployment since March 2020, exacerbating already-existing financial burdens.
15. When the judicial emergency is lifted, there is an estimated backlog of 5,000 eviction cases in Philadelphia Municipal Court.
16. The average annual cost for the City of Philadelphia to provide shelter to a family of four is \$58,000.
17. According to current projections from the Mayor's Office, as a result of the COVID-19 pandemic, the estimated revenue losses, federal reimbursements, and expense increases indicate that the City's Fiscal Year 2021 budget must include \$649 million of reductions to planned spending, reduced reserves and new revenue sources compared to the original Fiscal Year 2021 budget, proposed on March 5th, 2020, to close the budget gap.
18. The Mayor's revised Fiscal Year 2021 budget, submitted to Council on May 1, 2020, included steep cuts to many affordable housing programs and initiatives that serve the City's most vulnerable populations, including reductions in funding for the preservation and construction of affordable housing units, rental assistance programs, low-income home repair programs, the Philly First Home program and the Philadelphia Eviction Prevention Project.
19. In May 2020, the City of Philadelphia used approximately \$10 million in federal funds to create PHL Rent Assist, a rental assistance program that aimed to provide rental assistance to 3,000-4,000 families. Approximately 13,000 Philadelphians--three to four times the number of families that could be funded--applied for this program.
20. The COVID-19 pandemic's negative impact on the lives and incomes of Philadelphians, and City revenues, has exacerbated the pre-existing housing crisis and created a housing emergency in the City of

Philadelphia. The measures identified below are necessary to ensure residents are able to remain in their homes, and small businesses are able to stay in business.

SECTION 2. Title 9 of The Philadelphia Code is hereby amended to read as follows:
