Type: Resolution **Status:** ADOPTED

File created: 3/8/2007 **In control:** Committee on Transportation and Public Utilities

On agenda: **Final action:**

Title: Authorizing City Council's Committee on Transportation and Public Utilities to hold public hearings to investigate and determine the progress of the Market Elevated Reconstruction Project and to further investigate and determine whether SEPTA cannot do more to alleviate the displacement and financial desolation suffered by many of the small business owners and residents who are directly impacted by this project and the Philadelphia Community at large; and to investigate and determine what SEPTA has done, as a neighbor for the neighborhoods adjacent to this project and to determine why SEPTA cannot be more responsive to the complaints of this Community and the larger Philadelphia Community during the course of this reconstruction project.
