(4) For purposes of this subsection, “EOP Ordinance” means an ordinance that requires certain or all City contracts and awards of financial assistance to include provisions requiring a contractor or recipient of City financial assistance to submit an economic opportunity plan that addresses the participation of disadvantaged business enterprises and workforce diversity, and to demonstrate best and good faith efforts to comply with such plan. Council’s power to enact EOP Ordinances is hereby confirmed, as is Council’s power to ordain that a contractor or recipient of City financial assistance may, after notice and hearing, be debarred from doing business with the City or receiving City financial assistance for a specified period of time for failure to exercise best and good faith efforts to comply with an economic opportunity plan. An ordinance providing for such debarment may specify procedures for such debarments by conferring powers and duties on existing City agencies, including Council, or by creating new agencies for such purposes.
