SECTION 2. Before exercising any rights or privileges under this Ordinance, MAUSA must first obtain, or have its contractor obtain, all required permits, licenses and approvals from all appropriate City departments, boards, agencies or commissions. No such department, board, agency or commission shall be required to issue any such permit, license or approval solely because this Ordinance has been enacted, it being the express intent of this Ordinance not to supersede any other provision of law governing the issuance of such permits, licenses or approvals. Before exercising any rights or privileges under this Ordinance, MAUSA shall enter into an agreement ("Agreement") with the appropriate City department(s), in form satisfactory to the Law Department, to provide that MAUSA shall, *inter alia*:

- (a) secure, or have its contractor secure, all necessary permits, licenses and approvals from all appropriate departments, agencies, boards or commissions of the City, or from any other governmental entity as may be required by law;
- (b) insure that all construction contractors for the streetscape improvements carry public liability and property damage insurance, naming the City of Philadelphia as an insured party in such amounts as shall be reasonably satisfactory to the Law Department; and
- (c) assume the cost of all changes and adjustments to, or relocation or abandonment of, all utilities and structures within the public right-of-way which are necessary due to the installation of the streetscape

improvements authorized in Section 1.

SECTION 3. Before exercising any rights or privileges under this Ordinance, MABID shall enter into an agreement (“Agreement”) with the appropriate City department(s), in form satisfactory to the Law Department, to provide that MABID shall, *inter alia*:

- (a) secure all necessary permits, licenses and approvals from all appropriate departments, agencies, boards or commissions of the City, or from any other governmental entity as may be required by law;
- (b) carry public liability and property damage insurance that covers the streetscape improvements authorized to be constructed within the public right-of-way in Section 1, co-naming the City of Philadelphia as an insured party, in such amounts as shall be satisfactory to the Law Department. Alternatively, if approved by the City of Philadelphia Office of Risk Management, furnish the City with documentation in a form acceptable to the Law Department acknowledging that MABID is self insured and will protect the City against liability for property damages and liability for injuries or death to persons, including injuries to employees of MABID as a result of ownership, construction, maintenance or removal of the streetscape improvements described in Section 1;
- (c) remove or relocate any or all of the encroachments described in Section 1 of this Ordinance from the public right-of-way within sixty (60) days after lawful service of notice by the City of Philadelphia;
- (d) remove any of the encroachments described in Section 1 of this Ordinance from the public right-of-way pursuant to the applicable City specifications within sixty (60) days when the encroachment is no longer used for the purpose authorized by this Ordinance;

SECTION 4. The Law Department shall include in the Agreement such other terms and provisions as shall be deemed necessary to protect the interest of the City of Philadelphia.

SECTION 5. The permission to MAUSA to install and the permission to MABID own and maintain the streetscape improvements described in Section 1 shall expire without any further action by the City of Philadelphia if MAUSA and MABID have not entered into an Agreement and satisfied all requirements of the Agreement that are listed in Sections 2 and 3 of this Ordinance within one (1) year after this Ordinance becomes law.

SECTION 6. This Ordinance shall not become effective unless the sum of two hundred dollars (\$200.00), toward the costs thereof, is paid into the City Treasury within sixty (60) days after this Ordinance becomes law.
