<b>Title:</b>	Calling upon the Philadelphia School District to make Howard Zinn's best-selling book "A People's History of the United States" a required part of the high school U.S. history curriculum as Philadelphia City Council recognizes the need to expose students to a more accurate, complex, and engaging understanding of United States history than is typically found in traditional textbooks that often ignore the influence that people of color, women, and the working-class had in shaping our nation's history.
