Amending Chapter 10-600 of The Philadelphia Code, entitled “Public Places - Prohibited Conduct,” by prohibiting the use of electronic-cigarettes in public places and in the workplace, and providing for penalties, all under certain terms and conditions.

Whereas, Electronic cigarettes and electronic cigars (“e-cigarettes” and “e-cigars”) are electronic nicotine delivery systems that resemble cigarettes and cigars; and

Whereas, The marketing, availability and use of electronic cigarettes and cigars is growing, due in large part to the lack of regulation around their sale and consumption; and

Whereas, All major national tobacco companies currently produce e-cigarettes; and

Whereas, E-cigarettes and e-cigars are not regulated by the Food and Drug Administration (FDA), and therefore the level of nicotine in the cartridge is highly variable; and

Whereas, The sale of e-cigarettes and e-cigars to minors is not restricted, and e-cigarettes are produced in flavors (or “e-juices”) such as vanilla, candy corn, and bubble gum; and

Whereas, The use of e-cigarettes and e-cigars (or “vaping”) in regulated indoor spaces can lead to confusion

about "The Clean Indoor Air Worker Protection Law;" now, therefore

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:
