Within this area, no floor area bonuses pursuant to § 14-702 shall be available. Notwithstanding the provisions of § 14-202(4)(a) (.9), within this area, floor area attributable to parking in above ground public and private parking garages shall not be included in the allowable gross floor area calculation of such facilities.

[(b)] (.2) The maximum height for lots zoned CMX-4 and located within the West Overlay District shall be as follows:

[(.1)] (.a) Drawing an imaginary line from the west end of Warren Street (at the proposed extension of 37th Street) along the center of the bed of the former Warren Street to 38th Street, the maximum building height to the north of that line shall be no higher than 65 feet for a distance of 10 feet from and parallel to Powelton Avenue and Lancaster Avenue and thereafter, no higher than 75 feet for the remaining portion of the area bounded by 38th Street, Powelton Avenue, Lancaster Avenue, 37th Street (and the proposed extension of 37th Street) and the bed of the former Warren Street;

*(3) Subarea B.*

*The following standards apply to Subarea B of the West Overlay District.*

*(a) Use Regulations.*

- (.1) For lots zoned CMX-5, special exception approval shall not be required for portions of a parking garage that are located above ground level.*

Kennedy Boulevard, or Market Street must be occupied by an office, retail sales, commercial services, or public, civic, and institutional use; except that regulated uses, as set forth in § 14-603(13) (Regulated Uses), shall be prohibited. This requirement applies only along these designated street frontages and does not apply to areas occupied by entrances, exits, or waiting areas.*
