THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

SECTION 1. Pursuant to Sections 11-402, 11-403, and 11-404 of The Philadelphia Code, the Board of Surveyors of the Department of Streets is hereby authorized to revise the lines and grades on a portion of City Plan No. 269 by:

- a) Relocating portions of the houselines and curblines of Convention Avenue, from Thirty-Fourth Street to Health Sciences Drive, including the striking of certain portions of said Convention Avenue from the City Plan and the placing of certain other areas on the City Plan as portions of said Convention Avenue.
- b) Placing on the City Plan two certain rights-of-way for drainage purposes in the vicinity of the intersection of Convention Avenue and Health Sciences Drive and adjacent to the houselines thereof.

SECTION 2. This authorization is conditional upon compliance with the following requirements within two (2) years from the date this Ordinance becomes law:

- a) The filing of an agreement, satisfactory to the City Solicitor, by the owner(s) of property affected thereby, to release the City from all damages or claims for damages which may arise by reason of the City Plan changes authorized herein; in lieu thereof, only after the party in interest has demonstrated best efforts to locate any owner or owners of property affected and has been unable to do so, the party in interest shall file an agreement and a bond, with corporate surety, satisfactory to the City Solicitor or an irrevocable letter of credit satisfactory to the City Solicitor, to release the City as aforesaid.
- b) The filing of an agreement, satisfactory to the City Solicitor, by the party in interest, to release, indemnify, and defend the City from all damages or claims for damages that may arise by reason of the City Plan changes authorized herein.
- c) The filing of an agreement, satisfactory to the City Solicitor, by the party in interest, to make any and all changes and adjustments to curbing, sidewalk paving, cartway paving, water pipe, fire hydrants, sewers, inlets and manholes, street light poles and equipment, and to other City structures either overhead, underground, or upon the surface, including the relocation, abandonment, repairing, reconstruction, cutting, and sealing of such structures and facilities which may be necessary in the judgment of the Department of Streets and the Water Department by reason of the City Plan changes authorized herein. The agreement shall provide for the removal of all existing City-owned street lighting poles and equipment and for their delivery to the storage yard of the Street Lighting Division at 701 Ramona Avenue at no cost to the City. The agreement shall provide for the removal of salvageable hydrants, valves, manhole covers, frames, and connections, as determined by the Water Department, and for their delivery to the storage yard of the Water Department located at Twenty-Ninth Street and Cambria Street at no cost to the City. The agreement shall also provide for the removal of salvageable cast iron manholes and covers, street inlet grates, frames and hoods, and inlet castings, as determined by the Water Department, and for their delivery to the storage yard of the Water Department located at 3201 Fox Street at no cost to the City. The agreement shall provide that this work be completed within one year from the date of confirmation by the Board of Surveyors of the City Plan changes authorized by this Ordinance.
- d) The filing of an agreement, satisfactory to the City Solicitor, by the party in interest, to make any and all changes and adjustments to any public utility facilities which may be necessary in the judgment of PGW, PECO, Verizon, or any other public utility which maintains facilities within the affected area. The agreement shall provide that this work be completed within one year from the date of confirmation by the Board of Surveyors of the City Plan changes authorized by this Ordinance.
- e) The party in interest shall file a bond, with corporate surety, satisfactory to the City Solicitor or an irrevocable letter of credit satisfactory to the City Solicitor, in an amount satisfactory to the Department of Streets and the Water Department, to cover the cost of the work required under Section 2(c) herein.
- f) The filing of an agreement, satisfactory to the City Solicitor, by the owner(s) of property affected thereby, granting to the City the aforesaid rights-of-way for drainage purposes authorized in Section 1(b) of this

Ordinance. The agreement shall provide that no changes in grades shall be made and that no fences, buildings, or other structures, either overhead, underground, or upon the surface, shall be constructed within the lines of the rights-of-way or abutting thereon, unless the plans for such structures shall first be submitted to and approved by the Water Department. The agreement shall also grant the right-of-access and occupation at any and all times to the officers, agents, employees, and contractors of the City for the purpose of construction, reconstruction, maintenance, alterations, repairs, and inspection of present and future facilities and structures.

g) The dedication to the City by the owner or owners of property affected thereby, without cost and free and clear of all encumbrances, of the beds of the areas proposed to be placed on the City Plan as portions of Convention Avenue by authority of this Ordinance.

h) The payment by the party in interest of the cost of advertising the public hearing by the Board of Surveyors on the City Plan changes authorized by this Ordinance.

SECTION 3. The Streets Commissioner, on behalf of the City of Philadelphia, is hereby authorized to accept the grant to the City of the aforesaid rights-of-way for drainage purposes authorized in Section 1(b) herein.
