File #:	170252	Version:	0	Name:	
Type:	Resolution	Status:	LAPSED		
File created:	3/9/2017	In control:	Committee on Housing, Neighborhood Development and The Homeless		
On agenda:	Final action:				
Title:	Calling for a hearing on Philadelphia's "middle neighborhoods," which are neighborhoods where housing is typically affordable and where quality of life - measured by access to high quality public amenities and advantageous employment, crime rates, and school performance - is sufficiently good that new home buyers are willing to play the odds and choose these neighborhoods over others in hopes they will improve rather than decline, and to explore potential intergovernmental policy solutions to stabilize and support these neighborhoods.
