(c) A Tobacco Retailer Permit shall be issued to an applicant if, in addition to any other applicable requirement, all of the following requirements are met:

(.1) If the applicant is an individual, such applicant is at least eighteen (18) years of age.

(.2) The applicant has provided all material information required by the application.

(.3) The applicant has not made any material false statement in the application.

(.7) Any other requirement adopted by the Board of Health which the Board deems appropriate for the protection of public health.

(.8) *Notwithstanding any regulation adopted by the Board of Health, a lawful purchaser or transferee of a location for which the business owner held a Tobacco Retailer Permit as of December 12, 2016, may obtain a Tobacco Retailer Permit for that location, provided such purchaser or transferee applies for the permit within six (6) months following the sale or disposition of the location, and satisfies all requirements of this Section 9-631 and all sections of the Board of Health Regulation Relating to Tobacco Retailing (effective December 27, 2016), other than Sections 2(a) and 2(b).*

(d) A Tobacco Retailer Permit is valid for one person at one location and may not be transferred from one person to another or from one location to another[.]; *provided, however, as long as all other requirements of this Section 9-631 and all requirements adopted by the Board of Health are satisfied, including payment of the fee required by Section 9-631(4) and Section 4 of the Board of Health Regulation, a Tobacco Retailer may transfer the retailer's Tobacco Retailer Permit for one location to another location operated by that Tobacco Retailer. A new Tobacco Retailer Permit is required whenever a Tobacco Retailer changes location or transfers ownership, provided, however, that a location for which a Tobacco Retailer held a Tobacco Retailer Permit on December 12, 2016 may be sold or transferred no more than two times within a ten (10)-year period, and the new owner may obtain a tobacco permit for that location if such owner satisfies all of the requirements of this Section 9-631 and all requirements adopted by the Board of Health.*
