WHEREAS, When communities in other areas of the United States and abroad provide for non-motorized transportation options they thrive as places to live and work; and

WHEREAS, The Circuit Trails, by offering both residents and tourists access to natural, cultural and historical sites, will bring health and economic benefits to counties, municipalities and businesses in the region such as revenues to local economies, healthcare savings, enhanced real estate values, and increased activity; and

WHEREAS, 5.7 million people reside in Greater Philadelphia and 85 percent of those surveyed support building more trails in their counties. Furthermore, 70 percent favor spending $2 per person in public dollars annually to pay for new connected trails; and
