WHEREAS, The Service Line Warranty Program gives residents who have not set aside money to pay for an unexpected, expensive utility line repair the opportunity to obtain a low cost warranty that will provide repairs for a low monthly fee, with no deductibles or service fees; and

WHEREAS, Over 400 cities nationwide are currently participating in this optional education and awareness program for homeowners, including the Cities of Newark, Baltimore, San Diego, Las Vegas, Kansas City, and Fort Lauderdale; and

WHEREAS, There is significant need among the residents of the City for access to various tools to reduce the costs of their water and sewer line repairs and maintenance due to aging infrastructure; and

WHEREAS, Bringing this optional warranty program to those residents bridges an obvious need with a proven way to address it and is worthy of praise; now, therefore, be it
