(m) **Qualified Production Activities.** "Qualified production activities" means the production of new film, video, or digital projects produced in this City and approved by the Film Office, including only the following: feature films, series, pilots, movies for television, televised commercial advertisements, music videos, or sound recording projects used in feature films, series, pilots, or movies for television. (n) **City Certified Production.** "City certified production" means a production engaged in qualified production activities which have been approved by the Film Office in accordance with guidelines promulgated pursuant to this Section. In the instance of a "work for hire" in which one production company or qualified interactive entertainment production company hires another production company to produce a project or contribute elements of a project for pay, the hired company shall be considered a service provider for the hiring company, and the hiring company shall be entitled to the film tax credit.

(o) **Total Aggregate Payroll.** "Total aggregate payroll" means the total sum expended by a production company on salaries paid to employees working within the City in a City certified production or productions. For purposes of this paragraph:

(.1) With respect to a single employee, the portion of any salary which exceeds \$500,000.00 for a single production shall not be included when calculating total aggregate payroll; and

(.2) All payments to a single employee and any legal entity in which the employee has any direct or indirect ownership interest shall be considered as having been paid to the employee and shall be aggregated regardless of the means of payment or distribution.

(3) **Tax Credit.** For any production company and its affiliates that invest in a City certified production approved by the Department of Commerce, there shall be allowed a tax credit against the tax imposed under either Chapter 19-1300 (Real Estate Taxes) or Chapter 19-2600 (Business Income or Receipts Taxes), or both, of this Title. However, any such production must include the Philadelphia

promotional logo. For purposes of this Subsection, the excess base investment in the City is computed by taking the current year production expenditures in a City certified production. The tax credit shall be calculated as follows:

(a) If the excess base investment in the City equals or exceeds \$500,000.00, the production company and its affiliates shall be allowed a tax credit of twenty-five percent (25%) of such excess base investment; or

(b) If the excess base investment in the City equals or exceeds \$250,000.00, where thirty percent (30%) of the crew consists of women or minorities, or both collectively but without duplication, the production company and its affiliates shall be allowed a tax credit of twenty-five percent (25%) of such excess base investment.

(4) Tax Credit Carry-Forward. Where the amount of such credit or credits exceeds the production company's liability for such taxes in a taxable year, the excess may be taken as a credit against future tax liability for such taxes.

(5) Tax Credit Not Income. Such credits shall not constitute income to the production company.

(6) Transferability Or Sale. Any tax credits with respect to a City certified production earned by a production company previously claimed but not used by such production company against its income tax may be transferred or sold in whole or in part by such production company or qualified interactive entertainment production company to another Philadelphia taxpayer, subject to the following conditions:

(a) Such production company may make only a single transfer or sale of tax credits earned in a taxable year; however, the transfer or sale may involve one or more transferees;

(b) Such production company shall submit to the Office of the Director of Finance and to the Philadelphia Department of Revenue a written notification of any transfer or sale of tax credits within thirty (30) days after the transfer or sale of such tax credits. The notification shall include such production company's tax credit balance prior to transfer, the credit certificate number, the remaining balance after transfer, all tax identification numbers for each transferee, the date of transfer, the amount transferred, and any other information required by the Office of the Director of Finance or the Department of Revenue;

(c) Failure to comply with Subsection 19-4301(6) shall result in the disallowance of the tax credit until the production company is in full compliance;

(d) The transfer or sale of this tax credit does not extend the time in which such tax credit can be used. The carry-forward period for a tax credit that is transferred or sold shall begin on the date on which the tax credit was originally earned;

(e) A transferee shall have only such rights to claim and use the tax credit that were available to such production company at the time of the transfer. To the extent that such production company did not have rights to claim or use the tax credit at the time of the transfer, the Department of Revenue shall either disallow the tax credit claimed by the transferee or recapture the tax credit from the transferee. The transferee's recourse is against such production company; and

(7) Tax Credit Conditions and Limitations. The credit granted under Subsection 19-4301(3) shall be

subject to the following conditions and limitations:

(a) *The credit may be taken beginning with the taxable year in which the production company has met the investment requirement. For each year in which such production company either claims or transfers the credit, the production company shall attach a schedule to the production company's tax returns for the tax imposed under either Chapter 19-1300 (Real Estate Taxes) or Chapter 19-2600 (Business Income or Receipts Taxes), or both, of this Title, which will set forth the following information, as a minimum:*

(iii) *The amount of tax credit claimed for the taxable year;*

(iv) *Any tax credit previously taken by the production company against the tax imposed under either Chapter 19-1300 (Real Estate Taxes) or Chapter 19-2600 (Business Income or Receipts Taxes), or both, of this Title;*

(vi) *The amount of tax credit utilized by the production company in the current taxable year; and*

(vii) *The amount of tax credit to be carried over to subsequent tax years;*

(c) *In no event shall the amount of the tax credit under Subsection 19-4301(3) for a taxable year exceed the production company's tax liability imposed under either Chapter 19-1300 (Real Estate Taxes) or Chapter 19-2600 (Business Income or Receipts Taxes), or both, of this Title. Any unused credit amount shall be allowed to be carried forward for five years from the close of the taxable year in which the investment occurred. No such credit shall be allowed the production company against prior years' tax liability imposed under either Chapter 19-1300 (Real Estate Taxes) or Chapter 19-2600 (Business Income or Receipts Taxes), or both, of this Title.*

(8) *Film Office Guidelines. The Film Office shall determine through the promulgation of guidelines what projects qualify for the tax credits authorized under Subsection 19-4301(3). Certification shall be submitted to the City Revenue Commissioner.*

(9) *Application Fee. The Film Office shall establish a reasonable application fee to recover its costs associated with certifying projects to be qualified to receive a tax credit under Subsection 19-4301(3).*

(10) Full Independent Audit Requirement. Upon the completion of a certified project resulting in a credit of \$100,000.00 or more under Subsection 19-4301(3), the production company shall provide copies of a full audit performed by an independent auditor chosen from a list of such firms compiled by the Office of the Finance Director for that purpose. Upon the completion of a certified project resulting in a credit of less than \$100,000.00 under Subsection 19-4301(3), the production company shall be subject to a full audit performed by an independent auditor chosen from a list of such firms compiled by the Office of the Finance Director for that purpose at the discretion of the City Revenue Commissioner.

(11) Revenue Regulations. The City Revenue Commissioner shall promulgate such regulations as are necessary to implement and administer Section 19-4301.

(12) Any production company claiming, transferring, or selling the tax credit shall be required to reimburse the Philadelphia Department of Revenue for any Department-initiated audits relating to a tax credit under Subsection 19-4301(3). This subsection shall not apply to routine tax audits of a taxpayer which may include the review of the credit provided in Subsection 19-4301(3).
