### *THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:*

**SECTION 1. *Authorization, Scope and Purpose.*** This Supplemental Ordinance is enacted pursuant to the provisions of The First Class City Revenue Bond Act, approved October 18, 1972 (Act No. 234, 53 P.S. §§15901 to 15924), as amended (the "Act"), and constitutes a Supplemental Ordinance enacted for the purpose of authorizing one or more Series of Bonds within the meaning of the City's Restated General Water and Wastewater Revenue Bond Ordinance of 1989 (Bill No. 544) approved June 24, 1993, as amended and supplemented (the "General Ordinance").

The Bond Committee, or a majority of them, is hereby authorized on behalf of the City to borrow, by the issuance and sale of one or more series or subseries of Water and Wastewater Revenue Bonds of the City (the "Bonds"), a sum or sums which in the aggregate shall not exceed the principal amount of the Bonds authorized to be issued hereunder, to be expended as provided in Section 4 of this Supplemental Ordinance. In accordance with the General Ordinance, the Bond Committee shall approve final terms of the Bonds in one or more Determinations of the Bond Committee (a "Determination") prior to, and as a condition of, the issuance of Bonds. Any such Determination shall be deemed a supplement to this Supplemental Ordinance.

The aggregate principal amount of the Bonds shall not exceed four hundred and fifty million dollars (\$450,000,000) exclusive of original issue discount, and in the event any Bonds are issued with original issue discount, the Bond Committee is hereby authorized to increase the aggregate principal amount of Bonds so issued, by the amount of such original issue discount.

The Bond Committee is authorized, on behalf of the City to enter into agreements specified in the Determination (the "Enhancement Agreements") with any bank, insurance company or other appropriate entity providing credit enhancement or payment or liquidity sources (collectively, a "Provider") for the account of the City for the Bonds, including, without limitation, letters of credit and bond insurance. Such Enhancement Agreements may provide for payment of the principal or purchase price of, or interest on, the Bonds if the City does not pay the Bonds when due and may provide for repayment with interest to the Provider from the date of such payment.

The Fiscal Agent (as defined in the General Ordinance) is hereby designated to act as Bond Registrar pursuant

to Section 3.05 of the General Ordinance.

The Bond Committee or the Director of Finance, as appropriate, is authorized to make all such covenants and to take any and all such other actions on behalf of the City as may be necessary or appropriate in connection with the consummation of the transactions contemplated herein.

## SECTION 2. *Definitions.* \_\_\_\_\_

... *Terms of the Bonds.* The Bonds shall be sold either at public competitive sale to the highest bidder or bidders or at a private negotiated sale, as the Bond Committee shall determine to be in the best interest of the City.

The Bonds may be sold in one or more Series or, as authorized by the General Ordinance and as specified by the Determination, in one or more subseries, each of which shall be deemed a Series for purposes of the General Ordinance and shall be designated by letter as a Series of Bonds of the year in which such Series is issued, and may include serial bonds, terms bonds and Capital Appreciation Bonds as specified in the Determination. The Bonds shall bear interest from the dated date thereof, or the date of delivery, to maturity or prior redemption, if any, at prescribed fixed rates or variable rates (not exceeding any limitation prescribed by law), as specified in the Determination.

The interest on the Bonds may accrue, and may be payable, at fixed rates or variable rates, on such basis as the Bond Committee shall determine to be in the best interest of the City and which are not inconsistent with the provisions hereof, the Act or the General Ordinance, all as set forth in the Determination.

The Bonds shall contain series or subseries, designations, terms and provisions (including without limitation, interest payment dates, record dates, redemption provisions, denominations, provisions for payments by wire transfer and provisions for issuance of the Bonds in book-entry form) as the Bond Committee shall determine to be in the best interest of the City and which are not inconsistent with the provisions hereof, or with the Act or the General Ordinance.

The Bond Committee or the Director of Finance, is authorized, on behalf of the City, to the extent otherwise permitted by law, to enter into, and to later terminate, as appropriate, a Qualified Swap or Swaps (or an Exchange Agreement or Agreements) or to utilize derivative financial instruments with respect to all or a portion or portions of the Bonds, including an agreement that payments by the City under such Qualified Swap or Swaps or Exchange Agreement or Agreements or other derivative financial instruments are to be made on a parity basis with the payment of the interest on the Bonds, if, in its Determination, the Bond Committee or the Director of Finance, certifies that such Qualified Swap or Swaps (or an Exchange Agreement or Agreements) or derivative financial instruments, or the termination thereof, will assist the City in more effectively managing its interest costs and that the implementation of such Qualified Swap or Swaps (or an Exchange Agreement or Agreements) or derivative financial instruments will not impair the financial viability of the System.

This authorization to enter into a Qualified Swap or Swaps (or an Exchange Agreement or Agreements) or to utilize derivative financial instruments shall be limited to Qualified Swaps or Exchange Agreements or derivative financial instruments approved by the Bond Committee as part of the plan of finance for the Bonds at the time the Bonds are issued. Any additional Qualified Swap or Exchange Agreement or other derivative financial instruments shall require further approval of City Council.

The Bond Committee or the Director of Finance, is further authorized, on behalf of the City, to the extent otherwise permitted by law, to elect pursuant to the Internal Revenue Code of 1986, as amended (the “Code”) or other applicable law, to designate and issue all or one or more portions of the Bonds as tax credit bonds or

other taxable bonds for which a rebate credit or subsidy in respect of interest on the Bonds may be payable by the United States Treasury or other federal agency to the issuer thereof under the Code, if, in its determination, the Bond Committee or the Director of Finance, certifies that it is in the economic interest of the City to undertake the issuance and sale of such Bonds.

The Bonds shall not pledge the credit or taxing power of the City, or create any debt, charge or lien against the tax, general revenues or property of the City other than the revenues pledged by the General Ordinance.
