Recognizing the Second Annual Better Than Success Women in Real Estate Summit in the City of Philadelphia.

WHEREAS, The 2018 Women in Real Estate Summit is a one-day intensive real estate investing summit featuring a line-up of all-star women operating in the real estate industry. The event is dedicated to giving investors and investor hopefuls the skills and knowledge needed to achieve their real estate investing goals and build wealth through real estate; and

WHEREAS, The Women in Real Estate Summit will offer lectures and panels featuring dozens of women who have achieved success in various parts of the real estate industry. Real estate investor and agent Attiyah Blair will deliver a lecture on "How to Build a Million Dollar Real Estate Portfolio in One Year". Chief Operating Officer of Stonebay Holdings, Kerry Faix, will discuss "Raising Private Capital to Invest in 100+ Unit Apartment Buildings". The lecture on "Finding Your Innovation Investing in Real Estate" will be delivered by real estate investor and agent Stephanie Somers; and

WHEREAS, Throughout the summit, attendees will learn how to build a lucrative real estate portfolio, flourish as a developer, build a real estate team, invest in real estate, research price trends, develop real estate contracts, use social media and grow their businesses. In addition to lectures and panels, the event will feature opening remarks from leadership expert Ryan N. Boyer and a live Better Than Success podcast interview with developer Leslie Smallwood-Lewis; and

WHEREAS, The summit is organized by entrepreneur, author, real estate investor, and podcaster Nicole Purvy. Nicole is the leader and founder of the Better Than Success Real Estate League. Better Than Success Real Estate League is a premier educational and networking resource for new and existing real estate investors. The group is one of the largest of its kind in the City of Philadelphia. Nicole's career includes several noteworthy accomplishments. She has written and published a critically-acclaimed book "The AntiHustle: Start a Six Figure Business in One Year", and her Better Than Success podcast was named one of the best podcasts for entrepreneurs by Entrepreneur Magazine. Nicole also launched the first annual Philadelphia Real Estate Week, which was held in June 2018; now, therefore, be it

RESOLVED, BY THE COUNCIL OF THE CITY OF PHILADELPHIA, That we hereby recognize the Second Annual Better Than Success Women in Real Estate Summit in the City of Philadelphia.
