Amending Title 16 of The Philadelphia Code, entitled "Public Property," by amending Chapter 16-400, entitled "Vacant and Surplus Properties," Chapter 16-500, entitled "Councilmanic District Development Program," and Chapter 16-700, entitled "Philadelphia Land Bank," in order to establish uniform procedures for the disposition of property by the City and City-related agencies to whom the City conveys property, and to amend the provisions governing the Land Bank, all under certain terms and conditions.

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

SECTION 1. Chapter 16-400 of The Philadelphia Code is hereby amended to read as follows:

CHAPTER 16-400. VACANT AND SURPLUS PROPERTIES.

§ 16-401. Legislative Findings.

The Council of the City of Philadelphia hereby finds that:

- (1) Throughout the City of Philadelphia a large number of properties are vacant and have been vacant for an abnormal amount of time;
- (2) The vacant properties are in such poor physical condition as to make them uninhabitable in the present conditions;
- (3) Certain properties have been declared by City to be unfit for human habitation since they are in violation of building, fire, health and other City Codes;
- (4) The owners of certain vacant or unoccupied properties are delinquent in the payment of Real Estate Taxes, Water and Sewer Rents, or other municipal liens and charges;
- (5) The properties in their present conditions are and have become a blighting influence in and about the neighborhood where located and thus are a liability to the City and its citizenry;
- (6) Nonpayment of the tax obligations by the owners of these properties indicates that they may have or intend to abandon such properties;
- (7) Certain property owners desire to donate properties to the City as an alternative to abandoning them;
- (8) It would be in the best interest of the owners of such properties and the citizens of Philadelphia if such property would be acquired, and accepted by the City of Philadelphia, to be held in trust until they can be rehabilitated for use by its citizens under certain terms and conditions;
- (9) The City has acquired a number of vacant properties throughout the City at Sheriff's sales within its equity of unpaid taxes. Certain of these properties are surplus to the needs of the City but are capable of being

improved, rehabilitated and re-used by the citizens of Philadelphia. Inasmuch as the City has no bonded indebtedness invested in these properties and their re-use will relieve the City of the care, maintenance and management of the properties, arrest the blight of the neighborhoods within which they are located and restore the properties to productive use, certain of these properties should be made available for disposition in accordance with the provisions of this Chapter;

(10) Certain other vacant properties cannot be acquired by donation either due to inability to locate the owners, heirs or successors in title; title vests in insolvent estates, institutions or corporations; defects exist in the chain of title; or claims of other than municipal creditors such as mortgagees, judgment or lien holders either cannot or will not be released or satisfied of record insofar as they affect title to such properties thereby deeming acquisition by Eminent Domain essential and serving a public purpose which will promote the public health, safety and welfare.

§ 16-402. Definitions.

(1) In this Chapter the following definitions shall apply:

(a) Properties shall be deemed vacant where no legal occupants have occupied the building for a continuous period of six or more months prior to the offer of such property to the City.

[(b) Properties shall be deemed delinquent where the owner of the property is delinquent in the payment of Real Estate Taxes or Water and Sewer Rent and/or against which there are municipal liens.]

[(c) Blighted properties shall include:

(.1) Any premises which because of its physical condition or use is regarded at law as a public nuisance or has been declared "unfit for use" by a City agency or Department in accordance with the provisions of any City Code.

(.2) Any vacant or unimproved lot or parcel of ground in a predominantly built-up neighborhood, which as a result of neglect or lack of maintenance by the owner has become a place for the accumulation of trash and debris or a haven for rodents or other vermin; or has thereon abandoned wells, shafts, basements, excavations, unsafe fence or other unsafe structures so designated by any City agency under the provisions of any City Code or which condition shall be deemed legally to be a public nuisance by the City.

(.3) Those properties defined as blighted by Act No. 94 of June 23, 1978, amending the act of May 24, 1945 (P.L. 991, No. 385) known as the "Urban Redevelopment Law", and any future amendments thereto.]

[(d)] (b) Surplus Properties. Surplus properties are those properties which:

(.1) are vacant;

(.2) have been acquired by the City [at Sheriff's sales within the City's equity of unpaid taxes and other municipal claims];

These goals shall be based on the analysis of each census tract or grouping of census tracts that were identified pursuant to (a) of this subsection, taking into account the existing inventory of the Agencies

as well as the universe of vacant and tax delinquent or City-liened properties, and demand for land based on requests received in the previous year. The Uniform Strategic Plan may also include analysis of the anticipated availability of funding, and the feasibility of inclusionary housing requirements if applicable.
