(5) Duties of Persons in Control of Premises.

(a) The owner, operator, manager, employer or other person in control in every place where smoking is regulated by this Section shall take the following actions, and shall not be cited for any violations of this Section if all such actions are taken:

(.1) Post "No Smoking" signs and other signs relating to smoking on the premises, in compliance with regulations to be promulgated by the Health Department, *prominently at each entrance and elsewhere as specified by regulation, including evidence-based signs informing of the health risks associated with hookah use to address an identified knowledge deficit among users. The requirement to post any such product-specific signs shall be limited by regulation to establishments at which the product may be used pursuant to an exception to subsection 10-602(3)(a).*

(.2) *Display an evidence-based health informational message in accordance with regulations*

*promulgated by the Board of Health on any menu or menu board on which hookah, water pipe, or shisha, or other similar product if the Board of Health identifies a product-specific health knowledge deficit among users, appears as a menu item.*

*(.3) Any establishment subject to the restriction of subsection 10-602(3)(c) shall display a sign at least 8.5" x 11" prominently at each entrance and in each room or area where smoking is at any time permitted reading as follows in a clear, legible font with all letters at least ½ inch high: "THIS ESTABLISHMENT HAS AN EXCEPTION TO THE CITY'S SMOKE-FREE LAW. YOU MUST BE 18 OR OLDER TO ENTER DUE TO THE HEALTH RISKS OF SECONDHAND SMOKE EXPOSURE." If such an establishment elects to relinquish the benefit of exception from 10-602(3)(a) by written application to the Health Department, the requirement of this subsection (.3) shall no longer apply upon receipt of confirmation of such relinquishment from the Health Department.*

*(.24) Take reasonable additional measures to see to it that no person smokes in such place in violation of this Section and, in the case of an establishment subject to the restriction of 10-602(3)(c), that minors neither enter nor remain on the premises. The following measures shall be deemed sufficient to comply with this requirement:*
