8. When a committee has directed that a bill or resolution be reported to the Council, the chairperson shall report the same at the next stated meeting of the Council and in no event shall such report be delayed longer than two (2) stated meetings of the Council. If the chairperson fails to report the bill or resolution as

directed within the two (2) stated meetings, a majority of the committee may direct the Chief Clerk in writing to furnish the committee with a copy of said bill or resolution duly certified by the Chief Clerk, which copy shall be reported to the Council in lieu of the original.

9. A committee may amend a bill, resolution or other matter committed to it, except that it shall not change its subject or purpose.

10. Every committee shall have a record of all proceedings before it, which record shall be open for examination by any member of the Council. Committee records shall be filed with the Chief Clerk at the end of each calendar year and shall be kept for a period of two (2) years thereafter.

The committee, upon appropriate application, may issue its subpoena to compel the attendance of witnesses on behalf of such person.

16. If a matter is referred to a Joint Committee consisting of two or more committees ("constituent committees"), then the procedures set forth in this paragraph IV shall apply to the Joint Committee as if it were a single committee composed of all Councilmembers who are members of one or more of the constituent committees. If a Councilmember is a member of more than one constituent committee, such Councilmember shall only have a single vote on the Joint Committee, and shall only be considered a single member for purposes of the quorum of the Joint Committee. The Chair of the constituent committee listed first in the referral of a matter shall be the Chair of the Joint Committee during consideration of such matter, and the Chair (s) of the other constituent committee(s) shall be the Vice Chair(s) of the Joint Committee.

After a non-privileged resolution has been introduced, the resolution shall be placed on the final passage calendar for the next session of Council or referred by the President to an appropriate committee. If this rule is waived so as to permit consideration of a non-privileged resolution on the day of its introduction, then the resolution shall be placed on the final passage calendar for consideration later in the meeting.

All resolutions that will be considered on the day of their introduction (except resolutions of commendation, congratulations and condolence) shall be sent by the sponsor to every Councilperson, so as to be in the possession of members by at least 12:00 noon the day prior to the day of introduction into the Council.

1. Every bill shall be read on two (2) separate days in open Council meetings. A bill reported from committee to Council shall not be given a first reading on the same day it is reported from committee, but shall be placed on the first reading calendar for the next meeting of Council; however, if a motion is carried to suspend this rule so as to permit the first reading of a bill on the same day it is reported from committee, and if the bill has been read as part of the committee report, then the reading of the committee report shall be deemed to be the first reading of the bill, and the bill shall be placed on the second reading calendar for the next meeting of Council.

2. When bills on first reading are in order, the President shall take up the calendar and shall direct the Chief Clerk to read the titles of such bills in the order in which they appear on the calendar. They shall be severally read without amendment or debate and journalized accordingly.

3. No bill shall be considered on the second reading and final passage calendar unless called up from the calendar by a member. When a bill is called up for second reading and final passage the President shall direct the Chief Clerk to read such bill. It shall be read and then be subject to amendment in any part. When amendments are proposed to a bill or resolution, the sponsor shall present a typewritten copy of each amendment and sufficient additional copies for distribution to the members and the press.

4. No bill shall be altered or amended during final passage as to change its original purpose. Amended bills shall be printed as amended for the use of the members of the Council and for the information of the public, and shall be placed on the Final Passage Calendar for the next meeting.

5. At any time after second reading and before final passage a bill may be recommitted or placed on the suspension calendar, or action thereon may be postponed by a majority vote of all the members of the Council.

6. When ready for vote on final passage the President shall announce as follows: “This bill having been read twice on two different days, the question now is shall the bill pass finally? The ayes and nays shall then be taken and the names of the Councilpersons voting for and against the bill shall be entered into the Journal of Proceedings. No bill shall pass unless a majority of all the members of the Council shall be recorded as voting in its favor, provided that any bill authorizing the City to acquire, convey or lease to a third party any interest in real estate that includes park or recreation land or facilities shall not pass unless two thirds of all the members of the Council shall be recorded as voting in its favor.

7. The following “consent agenda” procedure may also be used in the consideration of bills on the final passage calendar:

a. At any session of Council, any member may make a motion that the Rules of Council be suspended so as to permit the use of a consent agenda to consider bills on Council’s final passage calendar. The motion shall specify which bills would be considered on the consent agenda. It is the intent of these Rules that only routine and non-controversial matters should be included on a consent agenda.

b. If any member of Council expresses an objection to the use of the consent agenda, the motion shall be withdrawn without debate. If the motion to use a consent agenda passes, the consent agenda shall be considered immediately before Council’s consideration of bills on the regular second reading and final passage calendar.

c. Before the bills on second reading and final passage are read, the Council President shall announce: “We will now consider today’s consent agenda. I will ask the Clerk to read the titles of all the bills on the consent agenda. After each title is read, any member may object to the inclusion of the bill on the consent agenda. Upon such an objection, and without debate, the bill will be immediately removed from the consent agenda and placed on our regular final passage calendar. The Clerk will now read the titles of the bills on the consent agenda.”

d. The Clerk will then read the title of all bills on the consent agenda, with any member having the right to remove any bill from the consent agenda, as announced by the Council President. After all bills on the consent agenda have been read, the Council President shall announce: “These bills having been read on two different days, the question for each bill now is, shall the bill pass finally? The Clerk shall call the roll, and upon being called, each Councilmember shall vote aye on each of the bills, nay on each of the bills, or indicate those bills for which the member is voting aye and those bills for which the member is voting nay.”

e. Following the Council President’s announcement, the Clerk shall call the roll. Each member shall announce his or her vote as “aye on each of the bills” or “nay on each of the bills,” or shall announce those bills for which the member votes aye and those bills for which the member is voting nay.

f. Upon completion of the roll call, the Council President shall announce the results. If a majority of all the members vote in favor of all bills on the consent agenda, the Council President may simply announce that a majority of all the members of the Council having voted in the affirmative, the bills on the consent agenda are passed, provided that the Clerk shall record in the Journal the names of each member voting for and against each individual bill on the consent agenda.

8. Every bill shall be certified by the signature of the President, and attested by the Chief Clerk and shall be delivered to the Mayor for his/her approval within three (3) days after final passage of the bill.

VIII. Introduction and Consideration of Resolutions, Petitions, Memorials, Remonstrances and Communications

1. All matters which relate to the organization, the conduct of the affairs, and the Rules of the Council, and to inquiries and investigations by the Council, or other matters which require the approval solely of the Council, shall be submitted to the Council for appropriate action in the form of resolutions.
2. Members may present and the Council may receive petitions, memorials, remonstrances and communications.
3. The requirements of paragraph 3 of Rule VI relating to the introduction and consideration of bills shall apply to resolutions.
4. Except as otherwise required by law, resolutions may be adopted by a majority of all the members of the Council.
5. A resolution that is reported from committee shall not be considered on the same day it is reported from committee, but shall be placed on the final passage calendar for consideration at the next session of Council. A resolution on the final passage calendar may be moved to the suspension calendar by a majority vote of all the members of the Council.

6. Resolution Consent Agenda.

- a. At any session of Council, any member may make a motion that the Rules of Council be suspended so as to permit the use of a consent agenda to consider resolutions on Council's final passage calendar. The motion shall specify which resolutions would be considered on the consent agenda.
- b. If any member of Council expresses an objection to the use of the resolution consent agenda, the motion shall be withdrawn without debate.
- c. When it is time to consider the resolution consent agenda, the Chief Clerk will read the titles of all the resolutions on the resolution consent agenda. After each title is read, any member may object to the inclusion of the resolution on the resolution consent agenda. Upon such an objection, and without debate, the resolution shall be removed from the consent agenda and shall instead be considered as part of that day's final passage calendar.
- d. After the titles of all the resolutions have been read, the President shall recognize the Majority Leader for a motion to adopt each of the resolutions on the resolution consent agenda. If the motion is seconded, the President shall call for a voice vote on the motion, and if the motion passes, all resolutions on the resolution consent agenda shall be adopted.

IX. Reconsideration of Bills

1. If a bill fails to receive a majority vote of all members of Council, any two (2) members who voted against it may move the reconsideration of such bill at the next stated meeting following the meeting at which the bill was disapproved. If such motion shall be adopted, the bill shall be placed on the

final passage calendar at the next stated meeting following the meeting at which the reconsideration motion was adopted.

X. Committee of the Whole

1. It shall at all times be in order, before the final passage of any bill, or resolution, to move its commitment to the Committee of the Whole. When a motion is carried to go into the Committee of the Whole, the President shall act as chairperson.

2. Consideration of the annual Capital Program, Capital Budget, Operating Budget, and School Budget shall be by the Committee of the Whole.

XI. Rights of Members in Debate

1. Members speaking shall address the President, and when presenting a paper shall first state its import. Members shall not be interrupted when speaking except by a call to order by the President, or by a member through the President, or by a call for the previous question.

XII. Rules of Order, Privileged and Subsidiary Motions

1. When a question is under consideration, no motion shall be received, except for motions:

a. to adjourn,

b. to lay on the table,

c. for the previous question, the effect of which is to end debate and have an immediate vote taken on the pending question(s),

d. to postpone,

e. to refer the matter to committee, and

f. to amend.

These motions shall have preference in the order in which they are above mentioned, and the first three (3) shall be decided without debate. An indefinite postponement shall be equivalent to a rejection.

2. The motion for the previous question must be seconded by at least four members, and shall require the vote of a majority of all the members of the Council to sustain it. If the motion for the previous question is sustained, the question shall be upon pending amendments and the main question in their order, and all incidental questions arising after a motion shall be decided, whether on appeal or otherwise, without debate.

3. On a call of ayes and nays, the Chief Clerk shall read the names of the members and no member shall be permitted to change their vote after the member has voted, unless the member at the time, and before the result is announced, declares that the member voted under a misapprehension. Members who have not voted

can have their names recorded at any time before the close of session. A member may submit in writing the member's vote on any question, which may be placed in the Journal, if so requested by the member.

4. Every member present, when a question is put, shall vote on the same unless the member abstains because the member is personally interested, or unless excused from voting at the time the question is about to be put.

5. The ayes and nays on any question may be called by two (2) members.

6. Rules of parliamentary procedure comprised in Mason's Manual of Legislative Procedure shall govern the Council in all cases to which they are applicable, and in which they are not inconsistent with the standing rules and orders of the Council.

XIII. Journal

1. The Chief Clerk shall keep a Journal, which shall be the official public record of the Council, and all proceedings of the Council shall be recorded therein.

2. Every motion shall be entered into the Journal together with the name of the member making it, unless subsequently withdrawn.

XIV. Suspension of Rules

1. Any rule of Council may be suspended by a majority vote of all the members of Council.

XV. Amendment of Rules

1. No rule may be altered, amended or rescinded except by a majority vote of all the members of the Council, after one (1) week's written notice of such proposed action.

XVI. Public Comment

1. At each meeting of Council, opportunity shall be provided for residents and taxpayers to comment on bills and resolutions that are listed either on the final passage calendar or the second reading/final passage calendar for that meeting of Council. No comment shall be received with respect to any bill or resolution on the suspension calendar.

2. Each resident or taxpayer who wishes to provide public comment shall be limited to three (3) minutes, or such other time period as the President may announce. The President may place additional reasonable limitations on public comment to permit Council to conduct its meetings and to maintain order, including limiting repetitious comments.

3. Before providing comment, a resident or taxpayer shall state his or her name, address, and, if not a resident of the City, state that he or she is a Philadelphia taxpayer.

4. The Chief Clerk shall maintain a list of persons who have requested the opportunity to provide comment at the next scheduled meeting of Council. Any person may ask to be added to the list on the day of a Council session. Public comment shall be received in the order in which persons appear on the list. Once the list is exhausted, the President shall ask if any other person wishes to provide public comment, and if there is no response, the opportunity for public comment at that meeting shall be closed.

5. If in the President's judgment there is not sufficient time at a meeting for residents and taxpayers to comment, the President may announce that the public comment period will be deferred to the next session of Council, provided that no action shall be taken on a bill or resolution unless there was an opportunity for public comment on that bill or resolution.

XVII. Suspension Calendar

1. No action shall be taken on any bill or resolution that has been placed on the suspension calendar, except for a motion to place the bill or resolution on the final passage calendar for the next session of Council, or a motion to recommit the bill or resolution.

XVIII. Councilmanic Redistricting

1. This rule addresses the transitional period between the time that Councilmanic district boundaries are redrawn pursuant to Section 2-102 of The Philadelphia Home Rule Charter and the time that Councilmembers elected to represent the revised districts first take office.

2. Once the Councilmanic district boundaries have been redrawn pursuant to Section 2-102, any area within an existing Councilmanic district that will fall in a different Councilmanic district when the next term of Council begins shall be the primary responsibility of the incumbent Councilmember who would represent that area if re-elected to serve in the next term. Matters covered by this rule include constituent services, assistance in zoning matters, recommendations concerning the expenditure of capital funds, recreation activities grants, and other decisions traditionally reserved for the District Councilmember in whose district an area lies.

3. In the case of a member of Council failing to comply with the requirements found in Paragraph XIX, the member of Council will be notified and shall respond within thirty (30) days of notification. Failure to respond will result in a referral to the Council's Committee on Ethics.

4. If § 20-607 or § 20-608 of The Philadelphia Code are amended after the date upon which this Paragraph XIX is adopted, the provisions of this Paragraph shall be deemed to conform with the requirements of § 20-607 and § 20-608 as amended.
